Save The Child And Yourself:

Ethical Theory Russ Shafer-Landau, 2007-07-30 In presenting this reader on ethical theory Shafer Landau philosophy U of Wisconsin has made sure to cover the standard topics of the day consequentialism deontology contractarianism and virtue ethics but has also sought to include areas that are less common in sections on moral standing moral responsibility moral knowledge and works that question the very possibility of systematic ethics He also includes a section that discusses ethics and religion and another that examines prima facie duties and particularism Rather than include critics views following the various theoretical presentations he has instead decided to include more works of allied thinkers in order to provide readers with a more nuanced view of the particular view in question Selections from classic writers such as Aristotle Thomas Hobbes Immanuel Kant and Plato are accompanied by more contemporary writings Annotation 2007 Book News Inc Portland OR booknews.com Distributed by Syndetic Solutions LLC

Magique John Helgeson,2021-12-09 *Magique The Otherland Chronicles* By John Helgeson What is to become of two societies at odds one ruled by magic the other by chaos The people of Magique believe their existence is perfect but the Nons of Otherland have news for them their rule is at an end For centuries the Nons have been exploited mistreated many tortured at the hands of the glamorous lazy citizens of Magique After all the Nons have no value for they have no magic but Magique is soon introduced to a Non who is also immune to the effects of magic and their world begins to change at his declaration This Non demands Magique return to the chaotic life of Otherland a sentient region of the planet a part of the planet that wants nothing but chaos where life is indeterminate uncertain and destructive just as Magique was in its early days Eventually Otherland has to be controlled for the sake of the very planet s existence and when the true history of Magique is revealed enemies must navigate beyond old beliefs and biases and unite to make hope possible and forge a new beginning for everyone Come enjoy the vivid world of Magique *The Otherland Chronicles* and join the journey

From Darkness to Light Osho,2023-08-11 It is one of the trade secrets of all the religions to propose propaganda that humanity has to be saved It is a very strange idea but it is so old that nobody seems to look into the implications Nobody asks why you are worried about saving humanity And you have been saving humanity for thousands of years but nothing seems to be saved In the first place does humanity need any saving To answer this question all the religions have created an absolutely fictitious idea of the original fall because unless there is a fall the question of saving does not arise And the religious conception of the original fall is just rubbish

The Three Godfathers Peter B. Kyne,2025-03-17 *The Three Godfathers* by Peter B Kyne is a heartfelt and unforgettable Western tale of redemption sacrifice and unexpected grace following three hardened outlaws who stumble upon a newborn baby in the desert and make a solemn vow to protect it no matter the cost As they journey through the unforgiving landscape driven by a newfound sense of duty and love each man is transformed by the innocent life they carry finding within themselves a humanity they d long forgotten The story blends grit and sentiment in a way that s both moving and timeless drawing inspiration from the biblical tale of the Three Wise Men while grounding it in the raw reality of frontier life Kyne s portrayal of flawed men struggling toward redemption through a simple selfless act speaks powerfully to the enduring hope that even the most broken souls can find purpose and dignity In today s world where themes of second chances unlikely heroism and the power of compassion still resonate deeply this story feels as relevant as ever Ideal for readers who are drawn to emotionally driven Westerns redemptive journeys or stories that show how love however unexpectedly it arrives can change everything

The Routledge

Handbook of Libertarianism Jason Brennan, Bas van der Vossen, David Schmidtz, 2017-08-18 Libertarians often bill their theory as an alternative to both the traditional Left and Right. The Routledge Handbook of Libertarianism helps readers fully examine this alternative without preaching it to them, exploring the contours of libertarianism, sometimes also called classical liberal thinking, on justice, institutions, interpersonal ethics, government, and political economy. The 31 chapters, all written specifically for this volume, are organized into five parts. Part I asks what should libertarianism learn from other theories of justice, and what should defenders of other theories of justice learn from libertarianism. Part II asks what are some of the deepest problems facing libertarian theories. Part III asks what is the right way to think about property rights and the market. Part IV asks how should we think about the state. Finally, part V asks how well or badly can libertarianism deal with some of the major policy challenges of our day, such as immigration, trade, religion in politics, and paternalism in a free market. Among the Handbook's chapters are those from critics who write about what they believe libertarians get right, as well as others from leading libertarian theorists who identify what they think libertarians get wrong. As a whole, the Handbook provides a comprehensive, clear-eyed look at what libertarianism has been and could be, and why it matters.

You Have the Nerve to Call Yourself a Roman Catholic! Raymond D. Reifinger, III, 2010-04-12 What is the biggest problem in the United States today? No, it isn't the price of oil, it isn't the economy, it isn't health insurance, it isn't global warming, it's legalized murder. Over one million unborn babies are being murdered every year, and no one does a thing about it. How can you sit in your easy chairs and let this massacre continue? Whatever happened to common sense, the dignity of life? Where are the human rights activists? Where are my fellow Roman Catholics? What is important is to understand life is sacred, or we have nothing. We need to get back to the basics and really mean it when we say one nation under God. Who will save these babies if we don't? No one will; they are defenseless. We need to do something; this decimation of our babies can't go on. Let the author bring you back to your senses. He will take you down the path of truth and righteousness, the path of light. He will say the things that need to be said, which never seem to get said but should.

The Bible as Theatre Shimon Levy, 2001-01-01 A discussion of the Bible's resemblance to theatre, with the author arguing that the fear the ancient Hebrews felt for theatre was based on its highly creative potential as a rival Creator, not its gaudy aspects. God in theatrical terms is The Great Offstage Being.

American Journal of Eugenics, 1907 *Your Child's Self-Esteem* Dorothy Briggs, 1988-06-15 Step by step guidelines for raising responsible, productive, happy children. Self-image is your child's most important characteristic. How to help create strong feelings of self-worth is the central challenge for every parent and teacher. The formula for how is spelled out in *Your Child's Self-Esteem*. A member of Phi Beta Kappa and other honoraries, Dorothy Corkille Briggs has worked as a teacher of both children and adults, dean of girls' school, psychologist, and marriage, family, and child counselor during the last twenty-five years. Since 1958, she has taught parent education courses and training in communication and resolution of conflicts.
