A true record of an adventure in Brazil, etc. [Extracted from "The Theosophist."* J. Charles Webster Leadbeater,1911 The Only Way to be Saved ... An Explanation of the First Principles of the Doctrine of the ... Latter Day Saints Lorenzo SNOW,1851 *Is This Still That?* Jonathan Sargent,2022-10-06 The Advent of the Holy Spirit at Pentecost caused quite a commotion 120 believers speaking in tongues every foreigner hearing the wonderful works of God in their native language and 3 000 people saved The Church was birthed and the Holy Ghost was poured into the followers of Christ On that day there were those who were amazed and questioned What does this mean Likewise there were those who mocked them saying These men are full of new wine But Simon Peter in his inaugural address to the Church silenced the critics with the words of the Old Testament prophet But this is that which was spoken by the prophet Joel And it shall come to pass in the last days saith God I will pour out of my Spirit upon all flesh Peter proclaims This is that This is what Joel prophesied was coming nine hundred years ago The question we face is this Is this still that The Church was birthed with signs and miracles following them Was that for only them Has there really been a cessation of gifts Is it still for us two thousand years later This book *Is This Still That* Defending the Pentecostal Faith attempts to answer the following questions Is there a continuation of signs and wonders Where did the Church begin moving away from the supernatural power of the Spirit and how did they get it back How does one receive the baptism in the Holy Ghost What is it that the Pentecostal Charismatic Church is guilty of that makes people doubt our message *Werner's Readings and Recitations* ,1903 **The Only Way to be Saved: an Explanation of the First Principles of the Doctrine of the Church of Jesus Christ of Latter-day Saints** Lorenzo Snow,1855 **Lessons in the Small Catechism of Dr. Martin Luther** George Mezger,2020-08-06 Reproduction of the original Lessons in the Small Catechism of Dr Martin Luther by

The Latter-Day Saints' Millennial Star ,1861 **Latter-Day Saints' Millennial Star** ,1868 **Terms of Salvation** Grant H. Layton,2013-07 Why are there so many competing Christian churches in the world today It is because men interpret the same passage of scripture and its terms in different ways If there ever is to be a unity in Christianity it will require a unity of understanding the scriptures It is our personal challenge in life to discover the truth of things For all of us the truth in religion isn't necessarily what we expect or want to find But for those of us who will accept truth when we find it in the scriptures it will be found in the definitions of the terms of salvation that are used consistently by the prophets We find on examination that the terms of salvation in the Bible are fairly consistent in meaning throughout the book even though the Bible was written by many different Prophets The Mormon religion claims to possess other books of scripture This book also compares what is written in their books against what is written in the Bible with very interesting results The reader from any religion will find this book a key to understanding the spirit of the Bible and the details of the Gospel of Jesus Christ

Illustr. by G. Browne John Bunyan,1883 **The Other Side of Zen** Duncan Ryūken Williams,2021-06-08 Popular understanding of Zen Buddhism typically involves a stereotyped image of isolated individuals in meditation contemplating nothingness This

book presents the other side of Zen by examining the movement's explosive growth during the Tokugawa period 1600-1867 in Japan and by shedding light on the broader Japanese religious landscape during the era. Using newly discovered manuscripts, Duncan Ryuken Williams argues that the success of Soto Zen was due neither to what is most often associated with the sect, Zen meditation, nor to the teachings of its medieval founder Dogen, but rather to the social benefits it conveyed. Zen Buddhism promised followers many tangible and attractive rewards, including the bestowal of such perquisites as healing, rain making, and fire protection, as well as funerary Zen rites that assured salvation in the next world. Zen temples also provided for the orderly registration of the entire Japanese populace as ordered by the Tokugawa government, which led to stable parish membership. Williams investigates both the sect's distinctive religious and ritual practices and its nonsectarian participation in broader currents of Japanese life. While much previous work on the subject has consisted of passages on great medieval Zen masters and their thoughts strung together and then published as the history of Zen, Williams' work is based on careful examination of archival sources, including temple logbooks, prayer and funerary manuals, death registries, miracle tales of popular Buddhist deities, secret initiation papers, villagers' diaries, and fund-raising donor lists.
