Saving The Planet And Stuff:

Saving the Planet & Stuff Gail Gauthier, 2003 After losing his summer job working for his uncle sixteen year old Michael agrees to go to work for an environmentalist magazine in Vermont run by friends of his grandparents *Don't Panic! We CAN Save The Planet* James Campbell, 2024-02-15 Tired of FREAKING OUT about climate change Want to stop being an eco WORRIER and start being an eco WARRIOR And do you absolutely positively LOVE laughing Then this hands on and hilarious guide to saving the world is for YOU Written by award winning author James Campbell who lives off grid and owns a compost loo find out how cow farts are wrecking the world what a fossil fuel even is and why earthships and not spaceships are the future This book will help you understand what climate change is and how on Earth we can stop it TOGETHER A hilarious and light hearted look at the problems facing planet Earth perfect for educating and comforting children who are worried about climate change Stop Saving the Planet!: An Environmentalist Manifesto Jenny Price, 2021-04-20 Pithy funny exasperated and informed You cannot read a more important hundred pages than Stop Saving the Planet Richard White author of The Republic for Which It Stands We've been saving the planet for decades And environmental crises just get worse All this hybrid driving and LEED building and carbon trading seems to accomplish little to nothing and low income communities continue to suffer the worst consequences Why aren't we cleaning up the toxic messes and rolling back climate change And why do so many Americans hate environmentalists Jenny Price says Enough already with this short fun fierce manifesto for an environmentalism that is hugely more effective a whole lot fairer and infinitely less righteous She challenges you corporate sustainability officers and the EPA to think and act completely anew and to start right now to ensure a truly habitable future **101 Ways You Can Help Save the Planet Before You're 12!** Joanne O'Sullivan, 2009 Presents ideas to protect the planet by doing simple things such as cutting down on water use starting a compost bin and creating litter free lunches **The New 50 Simple Things Kids Can Do to Save the Earth** Sophie Javna, EarthWorks Group, 2009-03-01 In The New 50 Simple Things Kids Can Do to Save the Earth Sophie and John have revised the original best selling book for a concerned and vibrant Web 2.0 youth market It's easy to do and kid friendly projects show that kids can make a difference and each chapter is packed with tons of links to groups and resources What makes this book stand out though is that it doesn't just inform kids it encourages them to make a difference by providing them their friends and their families the tools to take action Together John and Sophie enlighten educate and encourage our children with easy and smart ways to save the earth Pretty darn cool huh We thought so What you can do Order now and help save the only earth we've got Mother Earth needs our help now **50 Simple Things Kids Can Do to Save the Earth** Earth Works Group (U.S.), 1990 Explains how specific things in a child's environment are connected to the rest of the world how using them affects the planet and how the individual can develop habits and projects that are environmentally sound Terrorism Subdues Now Save the Planet John Landis, 2005 For many people in this Planet World Government

under the United Nations is a long standing dream But will it ever become reality There are now indications that a number of people and institutions around the globe indeed believe that it will A few examples to illustrate this Kofi Annan Secretary General of the United Nations recent pronouncement fifty billion dollars from developed nations would be a start in lifting the poorer nations of the world from their impoverishment The start if redistribution of world wealth through the United Nations Next a Green Party manifesto in part humans have a unique responsibility for the stewardship of the Earth No species especially on the upper end o the food chain can have unchecked exponential growth without depleting the Earth s carrying capacity Planned World Population Control consumption oriented lifestyles that have evolved in the industrial world have resulted in a minority of people consuming a majority of resources A call for world resource sharing in a more egalitarian world society The author excepts the premise that World Government becoming reality for the purposes of this novel poetic license you know But its primary emphasis herein focuses on World Government s effects on the lives of people as the action ebbs and flows around the globe Rich characters enliven the plot with nations and political systems in conflict making this a thrilling journey one filled with suspense and many surprises for the readers enjoyment

Simple Things Won't Save the Earth J. Robert Hunter,2014-02-19 We drive cars with Save the

Whales bumper stickers buy aerosol sprays that advertise no chlorofluorocarbons and wear T shirts made from organically grown cotton All of these earth friendly choices and products convince us that we are thinking globally acting locally and saving the planet But are we really In this provocative book J Robert Hunter asserts that using catchy slogans and symbols to sell the public on environmental conservation is ineffective misleading and even dangerous Debunking the Fifty Simple Things You Can Do to Save the Earth approach Hunter shows that there are no simple solutions to major environmental problems such as species extinction ozone depletion global warming pollution and non renewable resource consumption The use of slogans and symbols Hunter argues simply gives the public a false sense that someone is solving the environmental crisis while it remains as serious now as when the environmental movement began Writing in plain yet passionate prose for general readers he here opens a national debate on what is really required to preserve the earth as a habitat for the human species
