Shakespeare's Mystery Play A Study Of The Tempest 1921:

Shakespeare's Mystery Play Colin Still, 2014-03-30 This Is A New Release Of The Original 1921 Edition **The Tempest as Mystery Play** Grace R.W. Hall, 2014-03-06 Comparison of Shakespeare's works to their likely sources is one way to deepen our appreciation Sources for The Tempest however have long eluded the grasp of scholars who have unearthed only bits and pieces that resemble minor elements of the play Few traces of the special qualities of The Tempest have turned up in any works so far considered as sources This author is the first to identify a strong biblical basis for The Tempest Further she demonstrates that the play's use of biblical imagery characters and concepts echo the way these elements were interpreted in the English Mystery Plays Thus Hall is able to trace the links between The Tempest and the best known religious works of Elizabethan society the Bible the Mystery Plays and the 1559 Book of Common Prayer These links reveal The Tempest as a profoundly spiritual work allowing the modern reader to experience the play as a harmonious religious vision **The Tempest** Brinda Charry, 2022-01-13 The Tempest Critical Tradition increases our knowledge of how Shakespeare's plays were received and understood by critics editors and general readers The volume offers in separate sections both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play The volume features criticism from key literary figures such as Ben Jonson Samuel Taylor Coleridge John Dryden John Ruskin and Edward Malone The chronological arrangement of the text excerpts engages the readers in a direct and unbiased dialogue whereas the introduction offers a critical evaluation from a current stance including modern theories and methods Thus the volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century **The Play That Solves the Shakespeare Authorship Mystery The Play That Solves the Shakespeare Authorship Mystery** Donald Elfenbein, 2023-02-08 This short book gathers together and documents a number of incontrovertible but little noticed facts that speak Shakespeare's true name loudly and clearly Written for general readers and scholars alike it systematizes and extends the investigations of the pioneering researchers who first published more than a century ago the provocative contention that Shakespeare's THE TEMPEST contains an allegory of Francis Bacon's natural philosophy The essay demonstrates that fourteen elements of this play having to do with the magus Prospero the spirit Ariel and the witch Sycorax resemble and represent fourteen Baconian ideas several of which are peculiar to Bacon Those ideas include not only the general methodological prescriptions for which he is famous but also his unique and largely forgotten conjectures about the inner workings of nature These numerous and striking parallels between elements of the play and elements of Bacon's philosophy the author argues together constitute persuasive proof that Bacon wrote this celebrated drama *The Tempest* William Shakespeare, 1998-09-01 The Signet Classics edition of William Shakespeare's fantastical play that combines elements of tragedy and comedy Prospero sorcerer and rightful Duke of Milan has lived a reclusive life with his daughter
