collection of vivid encounters that either I was a part of or had been told This was the world as I perceived it at the time and the reason why this version of me could never have finished this book Ὁ Ἀντιχρῖστος. A Story that Needs to Be Told Stephanie Lauren Weise,2023-06-23 Should a woman experience spiritual events in her life that give her undeniable proof the Heavens are real that we are able to receive direction from those beyond the grave it does not seem to be fulfilling the intent of the heavens to keep this knowledge to herself Should this same woman receive such encouragement from beyond to share her experiences with others may she recount only the truth for others to interpret whether the facts seem sensible or leave one with more questions She realizes anyone picking up this book has possibly had experiences of their own Should this same woman realize that she is just the messenger and that the stories have been provided by the heavens deem it fair to acknowledge this fact and donate one half of all proceeds to help others in need
