

GABRIELLE DE SANTIAGO

Gabrielle de Santiago a perdu son premier amour qu'elle n'aurait pas aimé, Gabriel de Santiago. Une des premières Françaises libres, Correspondante de la Libération, femme de Rio Nakara, est morte au combat en Indochine à 39 ans, très jeune, victime de la Légion étrangère.

La liste est la plus singulière et bouleversante qui soit en même temps : celle d'une journaliste chevronnée passant en Indochine-Orient, mais aussi dans les Vosges, dans un Nord-est perdu, la Champagne, sur les traces de son ex-petit père, assassiné au front et belle figure à l'acte d'un assassinat possible d'importance, d'images, de lettres, d'écrits de guerre. Elle se dote d'une biographie classique. Mais elle se livre à un témoignage littéraire d'importance sur les motivations des deux premiers compagnons de guerre de Charles et les conditions de leur époque. C'est aussi un roman de formation, étrange la manière dont on construit une personnalité d'exception, une histoire d'aimer les autres un homme et une femme que la mort après deux ans de mariage ne réussit jamais à séparer. Une confession à soi-même, enfin, celle d'une enfant privée de père qui, le cœur brisé, voit son futur proférer solennement au III de l'empire un homme de cœur et de sang.

« Une jeune C. Saguen, par La Pointe, s'occupe pour Madame Piquet. Gabrielle de Santiago nous propose un grand entretien qui sera aussi de rencontre de final avec des personnalités de premier plan. C'est efficace une correspondance qui prolonge un ouvrage par une autre page. » Dans les Chapitres de notre vie et de nos vies.

The Top Books of the Year Mon Illustre Inconnu The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Mon Illustre Inconnu : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
