**Nuggets and Dust** David DeVries,2024-12-05 In 1995 my life hit a pothole It was more than a pothole My life ran into a ditch I limped along for the next few years doing what I could to work and trying to make the most out of a bad situation In 1998 due to a series of events I found myself in charge of a Christian chatroom I presented a 30 minute sermon every night for 4 years In 2002 I left the chatroom to rekindle a social life At one point I realized with God s help that those 30 minute sermons needed to be cut down to about 5 minutes At first I was unable to do this It seemed nothing could fit into that small a time Then several years later I joined a couple of Christian communities on a message board called Reddit Many people would come there to ask questions about religion and the church and would voice their troubles with life I would often respond to these people with biblically based answers and comments It wasn t long before I realized that these small texts were the 5 minute sermons that God had told me about a decade ago They would range from just a couple of sentences 1 minute to about 10 minutes Many people had the same questions about church and religion and the same worries about life I started to save these responses and would use them for more than a single person I have compiled a collection of some of those old sermons the small texts and other sermons and studies and truths of life written over the last 20 years and added them to this book Some are old some are long some are old some new and everything in between I hope that you will enjoy them **Statistics of Mines and Mining in the States and Territories West of the Rocky Mountains** United States.
