Number 2 A Look At The Vice Presidency:

Vice-Presidents: A Look Behind the Facade Pasquale De Marco, 2025-04-08 The vice presidency of the United States is a unique and often misunderstood office On the one hand the vice president is just a heartbeat away from the presidency and in some cases has even succeeded to the presidency On the other hand the vice president has very little real power and is often seen as nothing more than a spare tire In this book we take a comprehensive look at the vice presidency exploring its history powers and duties We also examine the challenges that vice presidents face and the impact that they can have on history We begin by examining the origins of the vice presidency which was created by the framers of the Constitution as a way to ensure that there would always be a successor to the president in the event of death resignation or impeachment We then explore the powers and duties of the vice president which include presiding over the Senate breaking tie votes and advising the president We also examine the challenges that vice presidents face which include the limited formal powers of the office the shadow of the president and the lack of public attention Despite these challenges we show that vice presidents can have a significant impact on history especially when they are close to the president and have the president's trust Finally we consider the potential for reforming the vice presidency in the future We discuss proposals for giving the vice president more power and responsibility and we explore the possibility of creating a more independent vice presidency Whether you are a student of history a political junkie or simply a curious citizen this book will give you a new understanding of the vice presidency and its role in American government If you like this book write a review

Foley's Lasker M. Meyer, 2011 The story of Foley's began in Ireland in the late 1800s when William L Foley set sail for America Ambition led him to Houston where he opened a store and hired his two nephews Pat C and James The nephews quickly felt an entrepreneurial urge to run their own store so their uncle gave them 2 000 to get started On February 12 1900 the Foley Brothers Dry Goods Company at 507 Main Street opened for business Approximately 44 000 residents visited the store that day and sales of 128 29 were tabulated Soon after Spindletop was discovered Robert I Cohen

of Galveston bought the Foley Brothers company for his son George S Cohen to operate Cohen along with the aid of six of the eight Meyer brothers from Galveston built it into the largest store in Texas In 1945 Fred Lazarus from the department store clan in Ohio came to Houston to visit his son at Ellington Field He saw Houston s potential and in 1946 Foley Brothers became Foley s owned by Federated Department Stores Our Government ,1973 **Our Government** United States.
