Why Millions Died George H. Scherr,2011-11-25 Why Millions Died reviews the painfully slow development of research by isolated investigators who believed that diseases could be caused by infectious organisms The brutally contentious and vivid arguments that raged between the proponents of the germ theory of disease and those who condemned it from both the scientific community and the pulpits delayed the implementation of vaccines and antimicrobial agents Such delays resulted in millions of deaths until the professional communities and the general public began to believe that certain health measures could protect against infection and reduce the enormous death tolls from disease Preeminent among these workers was an Italian scientist Agostino Bassi who articulated the germ theory of disease following twenty years of research Approximately thirty years later Pasteur repeated Bassi s research in order to gain prestige as the savior of the germ theory of disease Pasteur was also discovered to have committed fraud in claiming he had developed a vaccine for anthrax only to be exposed by the brilliant German microbiologist Robert Koch

W. Hengstenberg, 2005-05-05 From the author's Preface This work is designed to give the reader a clear view of the reality of Ezekiel and in this grand prophetic figure to bring before his mind at the same time the nature of prophecy in general Ezekiel prophesied in a time of great decision in a time of the iniquity of the end in which sin was ripe and with it punishment He is exactly the prophet for our times Whosoever penetrates into him will be deeply stirred by his earnestness and will feel himself impelled to exert all his powers that the crisis on which we have entered may be brought to a prosperous issue At the same time however if it should please God to bring great sifting judgments upon us to pull down what He has built up and to root out what He has planted we may gain from Him an immovable confidence in the final victory of the kingdom of God who kills and makes alive wounds and heals and who after He has sent the darkest cloud at length remembers His covenant and displays His shining bow
