## **Number Nine Autobiography Of An Alternate Counseling Service:**

*Number Nine* Dennis T. Jaffe, 1975-01-01      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1977      **Rethinking Therapeutic Culture** Timothy Aubry, Trysh Travis, 2015-06-05 Social critics have long lamented America's descent into a culture of narcissism as Christopher Lasch so lastingly put it fifty years ago From first world problems to political correctness from the Oprahfication of emotional discourse to the development of Big Pharma products for every real and imagined pathology therapeutic culture gets the blame Ask not where the stereotype of feckless overmedicated half paralyzed millennials comes from for it comes from their parents therapist's couches Rethinking Therapeutic Culture makes a powerful case that we've got it all wrong Editors Timothy Aubry and Trysh Travis bring us a dazzling array of contributors and perspectives to challenge the prevailing view of therapeutic culture as a destructive force that encourages narcissism insecurity and social isolation The collection encourages us to examine what legitimate needs therapeutic practices have served and what unexpected political and social functions they may have performed Offering both an extended history and a series of critical interventions organized around keywords like pain privacy and narcissism this volume offers a more nuanced empirically grounded picture of therapeutic culture than the one popularized by critics Rethinking Therapeutic Culture is a timely book that will change the way we've been taught to see the landscape of therapy and self help      An Exploration Into the Evolution and Survival of Alternative Social Service Agencies Robert Charles Hopkins, 1983      **Psychology and Community Change** Richard H. **Toward a Radical Therapy** Ted Clark, Dennis T. Jaffe, 2018-09-24 In September 1969 Ted Clark Dennis Jaffe and Yvonne Durchfort now Yvonne Jaffe started Number Nine a crisis telephone line Initially this was an attempt to discover from young people themselves exactly what the needs of young people were in order that a program relevant to those needs might be developed The crisis line program in itself proved useful and meaningful to young people as they began calling in increasing numbers Since many community agencies through their insistence that young people cooperate with a value system that does not engender trust alienated themselves from these young people it became increasingly imperative that the crisis line expand its resources to include counseling a crash pad a residential program and a drop in center As an alternative to those agencies who insist on viewing drug use as a problem per se and who do not focus their attentions on family school and personal relationships in general Number Nine offered realistic and reachable solutions Originally published in 1973 *Toward a Radical Therapy* is a collection of essays concerning numerous issues which the authors encountered during the

development of an alternative service an organization which reflects the values and experiences of young people the counter culture rather than the values of the established social order as a necessary step toward helping people cope with their problems The ideas expounded in these working papers are the outcome of experiences and experiments in attempting to effect personal and organizational changes basic to creating an alternative culture Concurrent with the writing of this book the authors discovered numerous conflicts occurring at all levels of program and institutional development as well as within themselves Personal changes become necessarily interrelated with social change and organizational structuring Counseling had to be redefined as existing theories and methodologies were limited in their ability to comprehend the constant changes that youth were undergoing at the time
