

A black and white photograph of three young girls, likely of Asian descent, engaged in a science experiment. They are gathered around a table, looking intently at a vertical ruler. One girl on the left is holding a coiled spring, and another girl in the center is holding the ruler steady. A third girl on the right is also observing. The background is a collage of various images, including a clock face showing the time 9:13. The overall scene suggests a hands-on learning environment.
