**Saving Our Children From Our Chaotic World** Maggie Dent, 2018-12-01 Silence and stillness does have a magic to it It doesn t matter where you find it in your home your workplace or your classroom However in our fast paced world it is getting harder and harder to find In this book one of Australia s favourite parenting authors and educators Maggie Dent explores the cognitive and emotional benefits of silence and stillness demonstrating how crucial it is for children as well as adults and details methods for creating it in your home or classroom About Maggie Commonly known as the queen of common sense Maggie Dent has become one of Australia s favourite parenting authors and educators with a particular interest in the early years adolescence and resilience Maggie s experience includes teaching counselling and working in palliative care funeral services and suicide prevention She is a dedicated advocate to quietly changing lives in our families and communities She is the mother of four sons and a very grateful grandmother Maggie is the author of 11 books including her 2018 release *Mothering Our Boys* which is already a bestseller

Help Me Help My Teen Maggie Dent, 2024-07-30 I love Maggie s style Quite simply when she talks we should listen Hamish Blake A masterpiece this book is the answer we ve been waiting for Dr Vanessa Lapointe Australia s favourite parenting expert on how to understand and help our teens so they can thrive Adolescence has always been a time of huge transformation but today s teens deal with challenges that parents may never have imagined An increasingly digital world filled with social media gaming and harmful content along with changing cultural norms has intensified the pressure to excel and fit in leading to heightened levels of stress anxiety and depression Maggie Dent Australia s queen of common sense parenting believes that teens can handle these pressures with resilience and strength when they are supported by stable loving connections with family teachers and other caring adults Drawing on up to date research a survey of modern teens and her own experiences as a teacher counsellor and mother and her memories of being a teen Maggie provides clear and compassionate what to do advice for some of the most difficult sensitive topics such as technology use sex drugs and alcohol dropped school grades mental health and identity and shows us how we can provide a safe and supportive environment for all our teens Help Me Help My Teen is a reassuring practical guide for parents to help teenagers navigate adolescence and grow into confident capable adults

Parenting Right From the Start Vanessa Lapointe, 2019-10-08 In this book her follow up to the bestseller *Discipline Without Damage* Dr Lapointe advises new parents how to put their child on a path to optimal development during the crucial early years The baby and toddler years are the most important period for any child s

emotional and psychological development Parents naturally want to do what's best for their kids but they often struggle to know what that is especially when dealing with the big battlegrounds of sleep feeding and managing aggression The latest scientific research indicates that it is through a strong and stable sense of connection to their parents that children learn how to regulate their emotions master social skills and develop a sense of identity Unfortunately many of the currently accepted parenting practices and traditional attitudes disrupt healthy connection rather than foster it leading to behavioral issues and emotional problems that can last into adulthood Dr Lapointe helps parents to understand how mindful and conscious parenting can help them to avoid passing unhealthy patterns down from one generation to the next Rooted in compassion and understanding Parenting Right From the Start shows parents how to build a firm caring presence in the early years that a child can lean into for a lifetime

9 Things Maggie Dent, 2018-12-01 It is easy in our fast paced competitive consumer driven world to forget that children are not mini adults projects to be managed or problems to be solved This common sense guide to parenting and caring for children under eight reminds us that a child's development cannot be rushed or crudely measured against milestones It takes an entire childhood to grow and there is no perfect when it comes to parenting In her informed heartfelt way one of Australia's favourite parenting authors Maggie Dent takes a comprehensive look at the 9 Things that truly matter in raising children and why they matter so much She uses the metaphor of a wise aunty Wilma a voice of ancient wisdom that seems to be disappearing amidst the chaos With passion warmth and humour Maggie draws on current research and her extensive experience as an educator counsellor and mother of four to guide parents and caregivers in their endless decision making to raise children who are happy healthy strong kind and resilient Commonly known as the queen of common sense Maggie Dent has become one of Australia's favourite parenting authors and educators with a particular interest in the early years adolescence and resilience Maggie's experience includes teaching counselling and working in palliative care funeral services and suicide prevention She is a dedicated advocate to quietly changing lives in our families and communities She is the mother of four sons and a very grateful grandmother Maggie is the author of 11 books including her 2018 release *Mothering Our Boys* which is already a bestseller

**Champion Hearts** Thando Mgenge, 2013-04 This is not the book about wealth and prosperity It is not aimed at solving every problem on earth While attempting to enlighten Christians about false preaching it does not discard the promises of the Lord for those whose hope is in Him The gist of the book is simple a dream born of the Lord can never be changed by circumstances The precepts that guide Christian living never change because of one's condition at a particular point in time God expects us to be obedient to His commands so that we can achieve and bless mankind accordingly More importantly life is centered in the heart If the same heart has been tempered with and no remedial process has happened the heart remains restless
