Geary,2002 Nurturing the Souls of Our Children proposes that psychologically and spiritually balanced parents are best equipped to relate more deeply and joyfully to the uniqueness of their children This is nurturing the soul It is what children today need more than anything else Based on their experience as parents as church ministers and as professional counselors for over 25 years Dr Thomas Geary and his wife Bonnie are well qualified to integrate the psychological with the spiritual Their book offers hope to frequently overwhelmed and confused parents searching for values and guidelines in an increasingly materialistic society Their suggestions are clothed in practical humorous and touching stories reflective of the real world where families live

The Soul of the Child Michael Gurian,2002-11-01 With *The Wonder of Girls* and *The Wonder of Boys* bestselling author Michael Gurian presented his groundbreaking views of parenting Now with the same breadth of vision and depth of commitment he combines accessible analysis of cutting edge science with the study of spiritual texts to explore the divine side of childhood and to put forth a practical design for the care of our children s souls A revolutionary vision for parents and educators alike indeed for all who love children *The Soul of the Child* is a deft blend of inspiring stories common sense and scientific observations that demonstrates what the soul is and how it works This insightful and groundbreaking book urges its readers to become aware of our children s divine inheritance and learn how to nurture that divinity Sensible and informed it

shows how to protect childhood from the complexities of our age and provides as no book ever has the means for bestowing upon our children the gifts of compassion security discipline humility and enlightenment The Soul of the Child is a passionate and practical book that puts forth a finely wrought argument for greater attention to the spiritual side of childhood to the very life of the human soul And it couldn't have come at a better time *Nurturing Connection* Rebecca

Thompson,2013-07-12 Excerpt from Nurturing Connection Nurturing our relationship with our children is the heart and soul of consciously parenting Nurturing relationships once they are established is really an art It is about remembering that our children's need for connection is a primary factor in most of their behavior It is about recognizing that in every parenting situation we have choices about how we respond to our children and their behaviors It is about seeing every parenting situation as an opportunity to create connection or disconnection It is about looking at our everyday parenting situations and beginning to see how we can choose connection It is also about being able to admit when something didn't go as planned to forgive ourselves for not always being the parents we hope to be and to forgive our children for not always being the children we hope they'd be

The Parent Survival Guide Theresa Kellam,2011-02-14 When parents turn to the parenting self help section of their local bookstore they are looking for both practical guidance and a childrearing philosophy that resonates with them an approach they can relate to and be comfortable implementing in their own household In The Parent Survival Guide From Chaos to Harmony in Ten Weeks or Less Theresa Kellam presents a way to strengthen the relationship with the child that simultaneously promotes the parent's own emotional healing and wellness Grounded in a research supported therapeutic technique that uses structured play time as the catalyst for interpersonal connection and growth Kellam's model is subtle in its simplicity Through a series of guided exercises Kellam gives parents the skills they need to begin to set aside special playtimes with their children during which the most important part of the process is simply being there in a way that promotes healing growth and communication The beauty of this approach is that in only 30 minutes once a week the results can be seen in only a few weeks Features of the book include Parent Survival Tip at the start of each chapter Original cartoon illustrations bring text to life Short but insightful worksheet questions bring focus to the program The Parent Survival Guide is structured over a series of 10 chapters which can be read in conjunction with the 10 sessions of the CPRT workshops for those parents enrolled in a formal filial training program But the material in the book is designed to be read and implemented by anyone The author is not only a licensed psychologist and filial therapist but she has also gone through the program with her own son and continues to rely on its principles within her family *Nurturing a Child's Soul* Timothy

Jones,2004 Spiritual growth specialist Timothy Jones recognizes that there are many influences that shape a life but a parent's role is one of the most critical In Nurturing a Child's Soul he shares insightful research and real life parenting stories to help guide parents as they seek to nourish their children's faith and nurture their souls *Parenting from Your Soul*

Jeanmarie Wilson,2014-04-25 Our world is in desperate need of emotionally healthy children who will have the confidence

and resolve to contribute their talents to the world making it a better place The principles discussed in Parenting from Your Soul are based in spiritual ideology challenging you to examine the role of parent from another perspective Conscious choices made from this place can help us honor our childrens individual path appreciate the phases of our childrens growth open our hearts to give and receive a deeper level of love practice forgiveness for others and ourselves learn universal laws to create the life we want and create relationships based on acceptance honesty and compassion Parenting from Your Soul helps you guide your child to a life of happiness and purpose while assisting you in making positive changes in your own life It offers information about transforming your relationship with your child no matter his or her age Applying this information can open up a new way to approach your role as parent and change the way you approach issues in your own life The greatest gift we can give this planet is the creation of children who are able to live their lives with joy purpose and intention You have the most instrumental role in this creation

Embracing Imperfection: Finding Peace in Parenting Chaos Laurie Horne, This insightful book explores the unrealistic expectations that many parents place on themselves and offers practical advice on how to let go of perfectionism and embrace the joys and challenges of raising children Drawing on personal stories and expert advice this book encourages readers to let go of the pressure to be the perfect parent and instead focus on creating a loving and supportive environment for their families Readers will learn how to navigate the complexities of modern parenting from managing work life balance to dealing with difficult emotions and conflicts within the family The book offers strategies for setting realistic goals practicing self care and fostering a sense of resilience in the face of adversity Through gentle guidance and compassionate wisdom readers will be inspired to let go of judgment and comparison and instead cultivate a sense of patience and acceptance towards themselves and their children By embracing imperfection and letting go of unattainable standards readers will discover a newfound sense of freedom and authenticity in their journey as a parent This book is a heartfelt reminder that love and connection are the true measures of a successful parenting journey and that it is okay to have flaws and insecurities along the way

In the Midst of Chaos Bonnie J. Miller-McLemore, 2019-03-01 How the daily practices of life with children can shape our faith In the Midst of Chaos explores parenting as spiritual practice building on Bonnie J Miller-McLemore's fresh conceptions of children from her book Let the Children Come She questions conventional perceptions that spiritual practices require silence solitude and uninterrupted prayer and that assume a life unburdened by care of others She is both honest about the difficulties and attentive to the blessings present in everyday life and demonstrates that the life of faith encompasses children and the adults who care for them Miller-McLemore explores how parents might use seven daily practices such as play reading chores and saying goodbye or goodnight as rich opportunities to shape both parent and child morally and spiritually Through these experiences she shows how the very care of children forms and reforms the faith of adults themselves contrary to the belief that adults must form children In the Midst of Chaos also goes beyond the typical focus on individual self fulfillment by tackling difficult questions of social justice and mutuality in the

ways families live together Readers will find in this book an invitation to love those around them in the midst of life's craziness and to live more deeply in grace

Free to Parent Ellen M Schuknecht, 2014-05-30 Do you feel trapped as a parent weighted down by parenting advice and discipline strategies that do little to help you nurture your child's soul or grow your kid's heart? Many parents do. After spending years serving parents as educators, counselors, and authors, Ellen Schuknecht and Erin MacPherson realized that maybe just maybe parents can escape the trap of lifeless rules driven parenting to joyfully grow and nurture their children's hearts by teaching their kids to truly desire what is right instead of just follow a list of rules to avoid consequences. By pursuing true heart to heart connection over parental control and rules and letting go of the expected discipline solutions to instead focus on growth, forgiveness, and relationships, parents allowing joy and hope to nurture their children's spirits. Sounds good, doesn't it? Through simple strategies and practical advice, Ellen and Erin show you how to replace control with connection, replace complacency with growth, replace fear with faith, and replace hopelessness with the hope that can only come from the God of love.

Spiritual Parenting Hugh Prather, Gayle Prather, 1996 Spiritual Parenting is a guide to the naturally intuitive and spiritual core of every child. It refutes the current notions of the basic nature of children and teenagers while offering a radically new way to approach parenting. In the words of authors, counselors, and ministers, Hugh and Gayle Prather: "This book reflects our deep personal conviction that parenting is a spiritual path, a form of worship. In their characteristically warm style, the Prathers offer a book of principles that parents can use to understand and protect their children at home, at school, and in the world. While one does not have to believe in God to understand these principles, say the Prathers, parents must approach child care as a spiritual task. They offer ways to keep this essential focus amid the bewildering complexities involved in guiding children toward adulthood. With joy and a sense of humor, the Prathers offer stories and anecdotes about their own children and the children of families they have counseled to help today's parents break through conflicting ideas and emotions and learn to enjoy their children at all stages of their growth."

10 Principles for Spiritual Parenting Mimi Doe, Marsha Walch, 1998-06-03 In the hustle and bustle of everyday life, how do we as parents honor the spirituality of our children? As we shuttle between school, soccer practice, piano lessons, ballet lessons, birthday parties, and doctors' appointments, how do we find the time to encourage our children through the ups and downs of growing up? To turn to God for guidance? In *10 Principles for Spiritual Parenting*, Mimi Doe and Marsha Walch open our eyes to the spontaneous, creative, freethinking joy that characterizes a child's innate spirituality. In ten easy-to-follow chapters containing exercises and practical suggestions, the authors point out that opportunities to express spirituality are abundant in our routine life. Talking at dinner, lighting

candles performing daily chores all of these events have the potential to be sacred moments Contemporary parents face unique challenges In our media saturated culture children are continually exposed to violence cynicism and a confusing code of ethics By offering concrete ways to help children develop positive values Mimi Doe and Marsha Walch support parents efforts to counteract negative messages 10 Principles for Spiritual Parenting is an invaluable guide for parents who yearn to help their children nurture a rich spirituality of their own *Parenting with Heart* Stephen James, Chip Dodd, 2018-10-16 Parents want to be the best person they can for their children but much of the time they may feel like giraffes on ice clumsy unprepared and in imminent danger of going down The good news is our children don't need perfect parents They need authentic fully hearted relationally engaged parents who can mess up and move on more than parents who always get it right In this freeing book respected therapists and bestselling authors Stephen James and Chip Dodd invite parents to let go of perfectionism and micromanaging as they learn to parent from a place of emotional honesty and intimacy Through their clinical experience and relatable true stories they show parents that raising children to become capable loving and wise hearted adults is far more about accepting our flaws than projecting an impossible standard to our children that we already know we can't live up to Parents will learn how to resolve issues from their own childhoods tune into their feelings and the emotions of their children and be present with their families through both the best and worst of circumstances *Nurturing Your Child's Inner Life* Mary Ellen Maunz, 2012-06-01 To me the inner life is peace It is that place you can go to get through the tough things I don't always have it but I know it is there 24 year old interviewee Children are born with an innate knowing of the spirit within The intent of this book is to help us understand this powerful force and nurture it No matter what our beliefs moms and dads everywhere desire to give their children opportunities to forge their own connections with the spirit And despite any negative influences in our own upbringing we are determined to give our children the best In *Nurturing Your Child's Inner Life* veteran educator and mother of three Mary Ellen Maunz brings to life the concepts of Dr Maria Montessori Italy's first woman physician and founder of the Montessori Method of education she was thrice nominated for the Nobel Peace Prize based on her profound understanding that the child is our great hope for a peaceful world Maunz explores how to help children become more peaceful as they encounter the spirit within Learn how your child can Flourish through each stage of development even before birth Navigate through the challenges of the teen years Feel at home in the universe Express harmony good will and virtue Understand the Golden Rule as taught in 14 spiritual traditions A brilliant heart warming and inspiring book Mary Ellen's personal stories and years of experience make this both credible and easy to read and implement in daily life This work is profound tender and so necessary in this day and age when our children are bombarded with negative influences media overload and the challenges of modern society Nancy McNabb M S Parent and educator The spiritual development of the child is not usually seen as a major factor in his development Mary Ellen Maunz corrects this oversight by showing us how to nurture the child's spirituality at its source Her breakthrough ideas leave us

marveling at the unlimited inner potential of the child and of ourselves to lovingly embrace the divine Karen P Campbell Ph D Transformative learning Parenting with Soul Jay Krunzky, 2017-05-24 What if your life is a mirrored recollection of your beliefs and could be changed tomorrow As science psychology and spirituality come together to provide evidence to how our beliefs and thoughts impact our lives people are discovering that their outcomes in life stem from internal thoughts and beliefs rather than external barriers Parenting with Soul provides a road map to love where adults and children can discover what their souls are truly calling them to be free from thoughts and beliefs that lead to fear and the worries of the past and future Many adults parent from old school beliefs that the world is dangerous resources are scarce and the world is in competition for these limited resources By adopting beliefs that the world is loving and abundant a parent supports a life for a child based in hope and joy rather than fear When parenting from a fear or an ego perspective adults are passing down beliefs to their children that lead to negative emotions thus preventing them from realizing their full potential Parenting with Soul asks parents and or caregivers to assess their beliefs and level of happiness as a determining factor in making the decision to be a parent
