On Wings Of Angels:

Archangels Eyitemi Egwuenu, 2017-04-28 In the dateless past aeons before we began the recording of history this story long forgotten was tucked away in the depths of memory Now memory stirs The Princes of The North have broken their silence From the Ancient Ones who once walked this world in that eternal past comes a breath taking panorama an interlude in the arc of courage that makes love possible An Archangel goes renegade and the Heavens tremble In the beginning Elohim created the Heavens and the Earth And there was war in Heaven **Angels and Angelology in the Middle Ages**

David Keck, 1998-07-23 Recently angels have made a remarkable comeback in the popular imagination their real heyday however was the Middle Ages From the great shrines dedicated to Michael the Archangel at Mont St Michel and Monte Garano to the elaborate metaphysical speculations of the great thirteenth century scholastics angels dominated the physical temporal and intellectual landscape of the medieval West This book offers a full scale study of angels and angelology in the Middle Ages Seeking to discover how and why angels became so important in medieval society David Keck considers a wide range of fascinating questions such as Why do angels appear on baptismal fonts How and why did angels become normative for certain members of the church How did they become a required course of study Did popular beliefs about angels diverge from the angelologies of the theologians Why did some heretics claim to derive their authority from heavenly spirits Keck spreads his net wide in the attempt to catch traces of angels and angelic beliefs in as many portions of the medieval world as possible Metaphysics and mystery plays prayers and pilgrimages Cathars and cathedrals all these and many more disparate sources taken together reveal a society deeply engaged with angels on all its levels and in some unlikely ways Plays

Simon Mohler Landis, 1875 **Luther League Review**, 1917 **The Devil's Kingdom** Simon M. Landis, 2025-07-14 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Secret Life of Angels** Ron Rhodes, 2014-10-01 You've probably seen depictions of angels in

popular TV shows and movies and you may have read about angel encounters Curiously however these accounts often have little in common with the Bible's portrayal of angels How can you tell what is real and what isn't How can you separate fact from fiction With this fascinating and inspirational guide you'll journey through God's Word and discover who angels are what they are like and how they are involved in your life today You'll also find solid biblical answers to such questions as Where did angels come from Are all angels good Should we communicate with angels Angels are active all around you of that you can be certain As you learn the truth about their secretive role in the world you'll be encouraged to see the ways angels are indeed available to help us **Touched by Angels** Eileen Elias Freeman, 2001-01-01 The founder of The AngelWatch Foundation shares true stories of angelic encounters in this inspirational national bestselling book Eileen Elias Freeman has both studied and encountered angels in her life Guided by her own guardian angel she started The AngelWatch Foundation in

order to educate others about the existence of angels and their activity in today's world. She soon discovered countless stories of angels performing miracles and changing the course of people's lives for the better. To anyone who has had such an experience in their lives, it is clear that the ancient servants of God and humanity have a mission to help us grow in wisdom and love. In *Touched by Angels*, Freeman shares her knowledge and personal stories of angels as well as many other people's inspiring accounts of true angelic encounters. **On Christianity, New Age and Reincarnation** Jaime T.

Licauco, 2017-12-02 Reading this book requires an open and questioning mind, not a mind that has already accepted just one answer. I for one have benefited greatly by reading his words and listening to his lectures. From the foreword by Sir Jason Winters KGSJ, Licauco in this book boldly discourses topics that might be unconventional for most people but very thought-provoking. Such topics might be disturbing, but they will satiate the intellectually curious and those who don't settle only in a single point of view. *My Wingmen* Lorraine Recchia, 2012-11-30 *My Wingmen* is a true account of my journey with angels. They entered my world during a period of inner reflection as I researched personal growth during a challenging life transition. The books I was drawn to came alive as I read about alternate realities and spiritual concepts. I witnessed these realities as my home became a stomping ground for angels and spirit guides where I enjoyed their appearances and intervention. They showed me how to interpret and discern the lighter side of the earth realm and they gave me examples of what clear, expanded believing could accomplish. As I began to openly talk about prayer, my psychic senses began to blossom. I was embraced by two angels and they offered me healing along with their companionship. They have become my teachers and they have helped me connect with truths beyond my wildest dreams. It was in expanded thought that I was able to grasp a world that is clearer to me now as this present-day drama fades to black. I have opened my arms to an enlightened world because where there is love, there is no room for fear. Meet my wingmen, Archangel Michael and Archangel Raphael.

Waterslain Angels Kevin Crossley-Holland, 2010-01-21 In the village of Waterslain in Norfolk in the 1950s, a fragment from a carved angel's wing is discovered. Maybe the wooden angels that once supported the church roof were not, after all, destroyed centuries ago but spirited away to safety. Two children decide to find them. There are few clues, but a strange inscription on the church wall leads them into terrifying places: up to the top of the church tower, down a tunnel where they are nearly drowned. Annie dreams of the man who was sent in by Cromwell to smash up the church and of angels flying and falling. For Sandy, whose father, an American airman, was recently killed, the angels bring comfort. The whereabouts of the angels become clear to them, but then they discover that other people are hunting for them and are determined to stop the children at all costs. The friendship between the boy adjusting to a new life in his mother's village and the girl whose family have always lived on their remote farm, the haunting atmosphere of the Norfolk saltmarshes and the strong sense of the past still present give richness to a tense and fast-paced story of detection for younger readers. *Musings on the Past, Present, and Future* Samuel Harper, 1876 *On Wings of Angels* Mollie Brown, 2020-07-28 God has been giving me these poems ever

The Command of Melchizedek Daniel Oyegun, 2017-04-24 The Command of Melchizedek dwells upon often overlooked verses of scripture and the deep spiritual import of these prophetic writings from a theological and deep thinking perspective it expands on the person of Melchizedek and the attendant order and command which followed the ascension of Jesus into heaven which order states Let all the Angels of God worship him and also Worship Him all you gods It reaches into the mind of Moses when he wrote Genesis opening with these words from the Torah Beresiyt Bara Elohim meaning In the beginning Gods created and not God created as we know it It lights up in our hearts the truth of the creator making Adam and Eve male and female expressly in their own image and likeness after the Father and the Mother
