**Pastoral Foundations of the Sacraments** Gregory L. Klein, Robert A. Wolfe, 1998 A logical presentation of the sacraments as the principle acts of worship in the Catholic church Synthesizes contemporary research on symbol ritual and sacramental liturgical and pastoral theology into a single readable resource Each chapter ends with questions for reflection and discussion Pastoral Foundations of the Sacraments Robert A. Wolfe, O. Carm., A logical presentation of the sacraments as the principle acts of worship in the Catholic church Synthesizes contemporary research on symbol ritual and sacramental liturgical and pastoral theology into a single readable resource Each chapter ends with questions for reflection and discussion *Pastoral Foundations of the Sacraments* Gregory L. Klein (O Carm), 1998 **101 Questions & Answers on the Sacraments of Healing**, *Sacraments* Ray Robert Noll, 1999 Firmly rooted in the tradition of the Church and some of the best scholarship of the past 40 years Noll explores the sign meaning and experience of each of the seven sacraments in the church Included is a CD ROM containing articles and passages by some of today's key sacramental theologians **First Reconciliation & Beyond Leaders Guide**, 2005-02-01 First Reconciliation and Beyond is a resource for Catholic parishes The Leader Guide contains everything a catechist needs to lead one parents session and four children's sessions to prepare for celebrating the sacrament of reconciliation The emphasis is not just on first reconciliation but the ongoing experience of growing in relationship with Christ and the Christian community The sessions focus on the theology scripture symbols and experience of the sacramental ritual The book includes age appropriate activities and discussions for both younger ages 7 8 and older ages 9 11 children **First Eucharist & Beyond Leader Guide** Steve Mueller, 2005-02-01 First Eucharist and Beyond is a resource for Catholic parishes This Leader Guide contains everything a catechist needs to lead one parent's session and four children's sessions to prepare for celebrating the sacrament of the Eucharist The emphasis is not just on first communion but on the ongoing experience of growing in communion with Christ in everyday life The sessions focus on the presence of Christ in the assembly the proclaimed word the bread and wine and in our world This book includes age appropriate activities and discussions for both younger children ages 7 8 and older children ages 9 11 Use with the Family Activity Book and Child's Book to complement and reinforce the material in the four parish sessions The leader guide includes plans for both parents and children's sessions including catechist background goals overviews and materials list prayers rituals and scripture stories age appropriate activities explanation of what we do and say at Mass and ways to encourage parents to use the home **Dancing to the Post-modern Tune** Tobias O. Okoro, 2010 Religions and Discourse explores religious language in the major world faiths from various viewpoints including semiotics pragmatics and cognitive linguistics and reflects on how it is situated within wider intellectual and cultural contexts In particular a key issue is the role of figurative speech Many fascinating metaphors originate in religion e.g revelation as a garment apostasy as adultery loving kindness as the circumcision of the heart A History of Divorce Law Henry Kha, 2020-11-30 The book

explores the rise of civil divorce in Victorian England the subsequent operation of a fault system of divorce based solely on the ground of adultery and the eventual piecemeal repeal of the Victorian era divorce law during the Interwar years The legal history of the Matrimonial Causes Act 1857 is at the heart of the book The Act had a transformative impact on English law and society by introducing a secular judicial system of civil divorce This swept aside the old system of divorce that was only obtainable from the House of Lords and inadvertently led to the creation of the modern family justice system The book argues that only through understanding the legal doctrine in its wider cultural political religious and social context is it possible to fully analyse and assess the changes brought about by the Act The major developments included the end of any pretence of the indissolubility of marriage the statutory enshrinement of a double standard based on gender in the grounds for divorce and the growth of divorce across all spectrums of English society The Act was a product of political and legal compromise between conservative forces resisting the legal introduction of civil divorce and the reformers who demanded married women receive equal access to the grounds of divorce Changing attitudes towards divorce that began in the Edwardian period led to a gradual rejection of Victorian moral values and the repeal of the Act after 80 years of existence in the Interwar years The book will be a valuable resource for academics and researchers with an interest in legal history family law and Victorian studies

**The Eucharist and World Hunger** Izunna Okonkwo, 2011-12-21 Hunger is a menace in different parts of the globe It has more unnatural than natural causes Though efforts have been made towards alleviating its causes and consequences more actions still need to be taken for its genuine alleviation and eventual eradication in the world For Joseph Grassi painful hunger is a daily occurrence that must be countered by ongoing effective programs that enter into the lives of every Christian Such position not only recognises the frequency and excruciating nature of hunger but also suggests that Christians and other religious groups have a very important role to play in order to eradicate hunger and its devastating effects This book explores the nuances of hunger its causes dimensions and approaches as well as its connection to the Eucharist It argues that hunger can be eradicated and that the Eucharist stands out as a veritable model American Book Publishing Record ,2005

**The Diaconate in Ecumenical Perspective** Frederick C. (Fritz) Bauerschmidt, Anne

Keffer, Maylanne Maybee, George E. Newman, Alison Peden, Josephine (Phina) Borgeson, Rosalind Brown, Brian A. Butcher, David Clark, Susanne Watson Epting, Gloria Marie Jones, E. Louise Williams, 2019-08-01 A discussion of the historical development of the order of deacons its theological basis in the Western and Eastern Churches and the relevance and significance of the diaconate for the Church in the twenty first century      **The Sacrament of Reconciliation** Robert L. Fastiggi, 2017-03-28 The Sacrament of Reconciliation is a comprehensive and accessible resource for undergraduate graduate and seminary courses on the Sacrament of Reconciliation It offers an overview of the sacrament in terms of its anthropological scriptural historical and theological roots as well as an analysis of the key components of the sacrament itself matter form minister recipient etc With the knowledge of a theologian and the skill of an historian Robert Fastiggi links the Sacrament of Penance to its anthropological foundations grounded in the recognition of human failure and the need for forgiveness This anthropological foundation includes a brief overview of how non biblical religions deal with sin and purification as well as the revelation of the human need for reconciliation presented in Sacred Scripture He carefully unwraps the Old Testament and New Testament narratives that cover original sin human rebellion the need for reconciliation conversion forgiveness and the remission of sin Dr Fastiggi understands the sacrament in the context of spirituality or ascetical and mystical theology His section on the Sacrament of Penance in Church history lays out comprehensive overview of the development in the sacrament of Penance from the Patristic period to the period immediately before Vatican II At the heart of the new evangelization is the proclamation of Christ who has come into the world to reconcile sinful human beings with the transcendent love of God For those living today in a post Christian world the powerful message of God s merciful love expressed through the sacrament of reconciliation is a most valuable way of knowing the joy of the Gospel      [Index to Book Reviews in Religion](#) , 1999      [Understanding the Diaconate](#) W. Shawn McKnight, 2018-07-13 What is a deacon More than fifty years since the restoration of the permanent diaconate by the Second Vatican Council the office of deacon is still in need of greater specificity about its purpose and place within the mission and organizational structure of the Church While the Church is more than a social reality the Church nonetheless has a social reality Our understanding of the diaconate therefore benefits from a theological discussion of the divine element of the Church and a sociological examination of the human element Understanding the Diaconate adds the resources of sociology and anthropology to the theological sources of scripture liturgy patristic era texts theologians and magisterial teachings to conclude that the deacon can be understood as social intermediary and symbol of *communitas* who serves the participation of the laity in the life and mission of the Church This research proposes the deacon as a servant of the bond of communion within the Church facilitating the relationship between the bishop priest and his people and between the People of God and the individual in need Thus authentic diaconal ministry includes a vast array of many concrete contexts of pastoral importance where one does more than simply serve at Mass
