each performer has a box of matches. as many types of matches should be represented as ~~possible~~ as are locally and conveniently available. the matchboxes are shaken throughout the piece. given the determined length of the performance each player should by degrees empty his matchbox. he should thereafter by degrees refill it. (these operations to be swift and quiet). at some point (perforce near the middle of the piece) each performer should be shaking an empty box.

Nonrequired Reading Wislawa Szymborska, 2015-03-10 Unquestionably one of the great living European poets She is accessible and deeply human and a joy though it is a dark kind of joy to read She is a poet to live with Robert Hass The Washington Post Book World Wislawa Szymborska's poems are admired around the world and her unsparing vision tireless wit and deep sense of humanity are cherished by countless readers Unknown to most of them however Szymborska winner of the Nobel Prize for Literature also worked for several decades as a columnist reviewing a wide variety of books under the unassuming title Nonrequired Reading As readers of her poems would expect the short prose pieces collected here are anything but ordinary Reflecting the author's own eclectic tastes and interests the pretexts for these ruminations range from books on wallpapering cooking gardening and yoga to more lofty volumes on opera and world literature Unpretentious yet incisive these charming pieces are on a par with Szymborska's finest lyrics tackling the same large and small questions with a wonderful curiosity *Prose Pieces* Pat C.
