Prospects For People With Severe Learning Difficulties:

Prospects for People with Learning Difficulties Stanley Segal, Ved Varma, 2018-09-03 First published in 1991 This work published in honour of Professor Peter Mittler is concerned with the prospects for people with severe learning difficulties and how they have developed since the 1960s The internationally known team of contributors provide not only an overview of the developments in their fields but also speculate on future developments both positive and negative **People with**

Profound & Multiple Learning Disabilities Penny Lacey, Carol Oyvry, 2013-11-26 First Published in 1999 This book is designed to be useful to practitioners working with children and adults with profound and multiple learning disabilities PMLD It was born out of a need for a practically based text book for participants on a course devoted to the study of PMLD but became a project to provide discussion of interest to anyone wishing to reflect on their work in this field It is hoped that the nineteen chapters in this book will provide a broad ranging resource for practitioners who work with children and or adults with PMLD in education health social care and voluntary settings and for those studying on advanced courses

EBOOK: ADULTS WITH LEARNING DIFFICULTIES Jeannie Sutcliffe, 1990-11-16 This is a practical handbook for all those who wish to offer high quality learning opportunities to adults with learning difficulties It stresses the quality of provision throughout and is illustrated by many examples of good practice from all areas of curriculum and delivery The importance of the widest possible range of learning opportunities is also emphasized and providers are urged to go beyond the limited menu of basic and social skills For too long education has been a process done to rather than with this group of learners This book advocates a learner centred approach based on choice and decision making by people with learning difficulties **Overcoming Exclusion** Peter J. Mittler, 2013 Professor Peter Mittler brings together nineteen of his key writings in one place including chapters from his best selling books and articles from leading journals which give a flavour of the impact or controversy they aroused *Enabling Access* Barry Carpenter, Chris Stevens, Keith Bovair, Rob Ashdown, 2014-04-08 First Published in 1997 In special education we are at last in a good position to offer pupils a broad and balanced curriculum which is relevant to their needs and which is based on the same range of provision enjoyed by all pupils Such a curriculum can only be planned as a cohesive whole compartmentalizing aspects of the whole curriculum risks seeing one part as having more merit or worth than another The whole curriculum in all schools will vary depending on local needs and opportunities In special education it is important that we embrace that whole curriculum using its diversity and opportunity to plan for breadth balance and relevance This book makes a significant contribution to the developments in planning for access to the whole curriculum **Problem Behaviour and People with Severe Learning Disabilities** Ewa Zarkowska, John Clements, 2018-09-03 First published in 1994 This book is a practical guide for those involved in the daily care education and development of people with learning disabilities and additional behavioural and emotional disturbances It will assist professional helpers in understanding the nature of an individual's difficulties and in developing interventions

aimed at alleviating them *Problem Behaviour and People with Severe Learning Disabilities* JOHN CLEMENTS EWA
ZARKOWSKA,2013-11-27 **Educating Children with Fragile X Syndrome** Denise Dew-Hughes,2003-12-16 This book
provides invaluable information support and guidance on educating a child with Fragile X background on the origins of this
syndrome and what the implications are for such a child s teaching and learning *Independent Living for Adults with
Autism and Asperger Syndrome* Alan Bicknell,1999 Severe Learning Disabilities John Clements,1987-12-31 Examines the
way psychology can be used to understand and remedy the learning and behavioral difficulties experienced by people with
severe intellectual impairment and learning disabilities The author draws from a wide range of psychological research both
academic and applied and commends the value of research to improvements in practice He stresses the need to integrate
diverse areas of psychological research bridging the gap between research and practice
