Protecting The Right To Teach And Learn:

Protecting the Right to Teach and Learn James K. Daly, Patricia L. Schall, Rosemary W. Skeeel, 2001 In recent years challenges to what gets read taught and learned in schools have increased With the aim of protecting the academic freedom of individuals and groups across political and religious spectrums the authors along with noted authorities in education consider how schools respond to these challenges The authors include a case study of a school district embroiled in a dispute about the progressive philosophy and practices at an elementary school They also examine the legal and pedagogical implications that accrue and offer educators strategies for addressing challenges and censorship issues that may arise in their districts and classrooms Teaching When the World Is on Fire Lisa Delpit, 2019-08-13 A timely collection of advice

and strategies for creating a just classroom from educators across the country handpicked by MacArthur genius and bestselling author Lisa Delpit A favorite education book of the year Greater Good magazine Is it okay to discuss politics in class What are constructive ways to help young people process the daily news coverage of sexual assault How can educators engage students around Black Lives Matter Climate change Confederate statue controversies Immigration Hate speech In Teaching When the World Is on Fire Delpit turns to a host of crucial issues facing teachers in these tumultuous times Delpit's master teacher wisdom tees up guidance from beloved well known educators along with insight from dynamic principals and classroom teachers tackling difficult topics in K 12 schools every day This cutting edge collection brings together essential observations on safety from Pedro Noguera and Carla Shalaby incisive ideas on traversing politics from William Ayers and Mica Pollock Christopher Emdin's instructive views on respecting and connecting with black and brown students Hazel Edwards's crucial insight about safe spaces for transgender and gender nonconforming students and James W Loewen's sage suggestions about exploring symbols of the South as well as timely thoughts from Bill Bigelow on teaching the climate crisis and on the students and teachers fighting for environmental justice Teachers everywhere will benefit from what Publishers Weekly called an urgent and earnest collection that will resonate with educators looking to teach young people to engage across perspectives as a means to creating a just and caring world **The Protection of the Right to Education by**
