Protodynastic Egypt:

Protodynastic Egypt Barbara Adams, Krzysztof Cialowicz, 1997 Fascination with ancient Egypt has often been cyclic in nature Whilst the temples and tombs of the pharaohs are a perpetual lure interest in the beginning of the country's civilisation has been revitalised by excavations since the 1970s not only in the Predynastic cemeteries of traditional exploration in Upper Egypt but also in their associated settlements and in hitherto unexplored parts of the Nile delta This book is a synthesis of interpretations of the ceremonial treasures of Protodynastic Early Dynastic transition and the information derived from new and old fieldwork

Catastrophobia Barbara Hand Clow, 2001-05-01 Bestselling author Barbara Hand Clow examines legendary cataclysms and shows how we are about to overcome the collective fear they have instilled in us The long awaited follow up that continues the revelations begun in The Pleiadian Agenda which has sold more than 60 000 copies Explains why contrary to many prophets of doom we are actually on the cusp of an era of incredible creative growth The recent discovery of the remains of ancient villages buried beneath the Black Sea is the latest instance of mounting evidence that many of the mythic catastrophes of history the fall of Atlantis the Biblical Flood were actual events In Catastrophobia Barbara Hand Clow shows that a series of cataclysmic disasters caused by a massive disturbance in the Earth's crust 11 500 years ago rocked the world and left humanity's collective psyche permanently scarred We are a wounded species and this unprocessed fear passed from generation to generation is responsible for our constant expectations of apocalypse from Y2K to the famed end of the Mayan calendar in 2012 Catastrophobia reveals the insidious global forces that have used these collective fears to control humanity for thousands of years But we are in the midst of a tremendous shift in the Earth's 26 000 year precessional cycle and there is every indication that the changes in consciousness over the last 30 years are the beginnings of a collective healing from these deep fears heralding a new age where we will see that the era of cataclysms is ending and a time of extraordinary creative activity is at hand

The Journal of Egyptian Archaeology, 1915 The Revival of Atumism: The Ancient Egyptian Religion Part 1 Mostafa Elshamy, 2021-09-19 The word Atumism derives from Atum the manifestation of the All Lord in creating the sphere of earth and the creature Adam The words Atumian and Atumianity addressed here by the meaning of Human and Humanity are derived from Atum who is Adam In the Egyptian literature there is a thin line that differentiates Atum and Atum Why denominate the Egyptian Religion by the term Atumism The answer is found in multitude of diverse notions embedded in the Egyptian speech and makes the term in its profoundness the most right for a religion that has been of divine revelation millennia ahead of A D This book is a fusion of the earlier research titled Ancient Egypt The Primal Age of Divine Revelation Volume I and II
