Proud Northern Lady Lady Anne Clifford 1590 1676:

Proud Northern Lady Martin R. Holmes,1984 *Proud Northern Lady* Martin Holmes,1975 Lady Anne Clifford, 1590-1676 ,1990 Lady Anne Clifford, Countess of Pembroke, Dorset and Montgomery (1590-1676) Richard T. Spence,1997 Lady Anne Clifford was one of the most renowned noblewomen of the Stuart era Born on 30 January 1590 at Skipton Castle in Yorkshire she spent much of her life fighting to win the baronial titles and estates in Westmorland and Yorkshire of her famous father George Clifford the Queen s champion Having steadfastly resisted the browbeating of her husbands the earls of Dorset and Pembroke and also James I in 1643 she inherited the estates and in 1649 moved north to take possession There she won enduring fame by restoring her ruined castles and churches founding almshouses and erecting monuments her philanthropy was legendary She died at Brougham Castle in Westmorland on 22 March 1676 aged eighty six the last of her line In this first full scale biography for over seventy years and the first ever critical study Lady Anne emerges as a far more fascinating and complex personality than has been supposed **"Proud Northern Lady"** ,1990*

The Diary of Anne Clifford 1616-1619 Katherine Acheson,2019-05-23 Originally published in 1995 this book contains a full version of The Diary of Anne Clifford alongside an introduction and textual notes Anne Clifford left one of the most extensive autobiographical records of the seventeenth century and it was first published this edition was the first critical edition of any of her works **Ashgate Critical Essays on Women Writers in England, 1550-1700** Mihoko Suzuki,2020-07-24 Until recently Anne Clifford has been known primarily for her Knole Diary edited by Vita Sackville West which recounted her steadfast resistance to the most authoritative figures of her culture including James I as she insisted on her right to inherit her father s title and lands Lucy Hutchinson was known primarily as the biographer of her husband a Puritan leader during the English Civil Wars The essays collected here examine not only these texts but in Clifford s case her architectural restorations and both the Great Book which she had compiled and the Great Picture which she commissioned in order to explore the identity she fashioned for herself as a property owner matriarchal head of her family patron and historian In Hutchinson s case recent scholars have turned their attention to her poetry her translation of Lucretius and her biblical epic Order and Disorder to analyze her contributions to early modern scientific and political writing and to place her work in relation to Milton s Paradise Lost Writing Women in Jacobean England Barbara Kiefer Lewalski,1993 When was feminism born in the 1960s or in the 1660s For England one might answer the early decades of the seventeenth century James I was King of England and women were expected to be chaste obedient subordinate and silent Some however were not and these are the women who interest Barbara Lewalski those who as queens and petitioners patrons and historians and poets took up the pen to challenge and subvert the repressive patriarchal ideology of Jacobean England Setting out to show how these women wrote themselves into their culture Lewalski rewrites Renaissance history to include some of its most compelling and neglected voices As a culture dominated by a powerful Queen gave way to the rule of a patriarchal ideologue

a woman's subjection to father and husband came to symbolize the subjection of all English people to their monarch and all Christians to God Remarkably enough it is in this repressive Jacobean milieu that we first hear Englishwomen's own voices in some number Elizabeth Cary Aemilia Lanyer Rachel Speght and Mary Wroth published original poems dramas and prose of considerable scope and merit others inscribed their thoughts and experiences in letters and memoirs Queen Anne used the court masque to assert her place in palace politics while Princess Elizabeth herself stood as a symbol of resistance to Jacobean patriarchy By looking at these women through their works Lewalski documents the flourishing of a sense of feminine identity and expression in spite of or perhaps because of the constraints of the time The result is a fascinating sampling of Jacobean women's lives and works restored to their rightful place in literary history and cultural politics In these women's voices and perspectives Lewalski identifies an early challenge to the dominant culture and an ongoing challenge to our understanding of the Renaissance world

Women of the English Renaissance and Reformation. Retha M. Warnicke, 1983-04-28 Warnicke has written an excellent monograph dealing with an inordinately neglected topic the education of English women during the Tudor and early Stuart eras Her approach a generational one is both perceptive and insightful She carefully identifies the women and discusses the reasons and nature of their education as well as their accomplishments Equally masterful is her successful integration of the subject with the major historical ecclesiastical political and social currents of the time
