Proverbium Yearbook Of International Proverb Scholarship No 12 1995:

Proverbs in World Literature Wolfgang Mieder, George B. Bryan, 1996 Literary critics and folklorists have long been interested in the use and function of proverbial language in literature Proverbs in World Literature enables scholars and students to establish what has been published on proverbs proverbial expressions proverbial comparisons proverbial exaggerations and wellerisms in the works of many authors throughout the world This international bibliography contains 2 654 entries of which the first 284 comprise a section of General Studies Proverb dictionaries based on texts collected from literary works books and articles about numerous authors studies of the interrelationship of proverbs and folk literature fairy tales legends tall tales folk songs etc and theoretical writings on the integration and function of proverbs in literature in general are listed here The second part of the bibliography is arranged alphabetically according to the last name of the literary author whose proverbial usage has been investigated Anonymous works are also listed alphabetically A name index of the scholars cited appears at the end Extensive materials from many languages and cultures are collected and organized The bibliography thus includes not only proverb studies regarding the major authors of world literature but also those investigations that deal with regional writers

Figurative Language Dmitrij Dobrovol'skij, Elisabeth Piirainen, 2021-11-08 The book develops a Theory of the Figurative Lexicon Units of the figurative lexicon conventional figurative units CFUs for short differ from all other elements of the language in two points Firstly they are conventionalized That is they are elements of the mental lexicon in contrast to freely created figurative expressions Secondly they consist of two conceptual levels they can be interpreted at the level of their literal reading and at the level of their figurative meaning which both can be activated simultaneously New insights into the Theory of Figurative Lexicon relate on the one hand to the metaphor theory Over time it became increasingly clear that the Conceptual Metaphor Theory in the sense of Lakoff can only partly explain the conventional figurativeness On the other hand it became clear that intertextuality plays a far greater role in the CFUs of Western cultures than previously assumed The book s main target audience will be linguists researchers in phraseology paremiology and metaphor and cultural studies The data and explanations of the idioms will provide a welcome textbook in courses on linguistics culture history phraseology research and phraseodidactics

Proverbium Wolfgang Mieder, 1995-12-01 Proverbium Yearbook of International Proverb Scholarship published annually since 1984 under the editorship of Professor Wolfgang Mieder the world s foremost proverb scholar is the only journal of its kind in the English speaking world The Yearbook succeeds Proverbium Bulletin d Information sur les Recherches Paremiologiques published from 1965 to 1975 by the Society for Finnish Literature Helsinki

The Medical Carnavalesque Lisa Gabbert, 2024-08-06 The practice of medicine is immersed in issues of life death and suffering in relation to the mortal body Because of this the medical profession is a fertile arena for folklore that serves to address these topics among physicians In The Medical Carnavalesque Lisa Gabbert argues that this extraordinarily difficult work context has led to the development of an

occupational corpus of folklore backstage talk and humor that she calls the medical carnivalesque Gabbert argues that suffering is not only something experienced by patients but that the organization practice and ethos of medicine can induce suffering in physicians themselves Featuring topics such as the institutionalized nature of physician suffering death related humor and talk stories about patient bodies and parodies of medical specialties The Medical Carnavalesque shows us how the culture of contemporary medicine uses travesty humor and inversion to address the sometimes painful and often transgressive aspects of doctoring The Medical Carnavalesque connects patient and physician suffering to laughter acknowledges suffering as an essential component of life and constitutes a way in which some physicians address the core philosophical and existential issues with which they regularly engage as they go about their daily work "Right Makes Might" Wolfgang Mieder,2019-04-04 A powerful and timely addition to the literature of rhetoric and folklore Choice In 1860 Abraham Lincoln employed the proverb Right makes might opposite of the more aggressive Might makes right in his famed Cooper Union address While Lincoln did not originate the proverb his use of it in this critical speech indicates that the fourteenth century phrase had taken on new ethical and democratic connotations in the nineteenth century In this collection famed scholar of proverbs Wolfgang Mieder explores the multifaceted use and function of proverbs through the history of the United States from their early beginnings up through their use by such modern day politicians as Barack Obama Hillary Rodham Clinton and Bernie Sanders Building on previous publications and unpublished research Mieder explores sociopolitical aspects of the American worldview as expressed through the use of proverbs in politics women s rights and the civil rights movement and by looking at the use of proverbial phrases Mieder demonstrates how one traditional phrase can take on numerous expressive roles over time and how they continue to play a key role in our contemporary moment

African Proverbs Reveal Christianity in Culture W. Jay Moon,2009-06-01 In many oral cultures local proverbs are highly regarded for their wisdom and prized for their aesthetic expression In this study Jay Moon provides an in depth look at the use of local proverbs among the Builsa culture of Ghana West Africa In particular the author s research shows how local proverbs can facilitate contextualized expressions of Christianity that are both biblically authentic and culturally relevant The process of initiating and sustaining this form of expression is explicated with the help of an engaging narrative providing valuable insights for those striving for genuine and meaningful expression of Christ in culture This study will be especially beneficial to the missionary community particularly for the purposes of appreciating oral literature in primary oral cultures finding proper roles in the contextualization process identifying cultural values via the window of local proverbs training missionaries in cultural understanding and tailoring discipleship training to incorporate significant aspects of orality

"Proverbs Speak Louder Than Words" Wolfgang Mieder,2008 The ten chapters of Proverbs Speak Louder Than Words present a composite picture of the richness of proverbs as significant expressions of folk wisdom as is manifest from their appearance in art culture folklore history literature and the mass media The first chapter surveys the multifaceted aspects of

paremiology the study of proverbs with the second chapter illustrating the paremiological work by the American folklorist Alan Dundes The next two chapters look at the effective role that proverbs play in the mass media where they are cited in their traditional wording or as innovative anti proverbs The fifth chapter discusses proverbs as expressions of the worldview of New England This is followed by two chapters on the proverbial prowess of American presidents to wit the proverbial style in the correspondence between John and Abigail Adams and a discussion of Abraham Lincoln s apocryphal proverb Don t swap horses in the middle of the stream The eighth chapter traces the tradition of proverb iconography from medieval woodcuts to Pieter Bruegel the Elder and on to modern caricatures cartoons and comic strips The last two chapters deal with the origin and history of the proverbial expression to tilt at windmills as an allusion to Cervantes Don Quixote and the many proverbial utterances in Mozart s letters The book draws attention to the fact that proverbs as metaphorical signs continue to play an important role in oral and written communication Proverbs as socalled monumenta humana are omnipresent in all facets of life and while they are neither sacrosanct nor saccharine they usually offer much common sense or wisdom based on recurrent experiences and observations

"Making a Way Out of No Way" Wolfgang Mieder,2010 In barely forty years of life Martin Luther King 1929 1968 distinguished himself as one of the greatest social reformers of modern times civil rights leader defender of nonviolence in the struggle of desegregation champion of the poor anti war proponent and broad minded visionary of an interrelated world of free people His many verbal and written communications in the form of sermons speeches interviews letters essays and several books are replete with Bible proverbs as Love your enemies He who lives by the sword shall perish by the sword and Man does not live by bread alone as well as folk proverbs as Time and tide wait for no man Last hired first fired No gain without pain and Making a way out of no way He also delighted in citing quotations that have become proverbs to wit No man is an island All men are created equal and No lie can live forever King recycles these bits of traditional wisdom in various contexts varying his proverbial messages as he addresses the multifaceted issues of civil rights His rhetorical prowess is thus informed to a considerable degree by his effective use of his repertoire of proverbs which he frequently uses as leitmotifs or amasses into set pieces of fixed phrases to be employed repeatedly

Current Research in Britain F T Energy,1996-09 **Women and Gender in Central and Eastern Europe, Russia, and Eurasia**

Mary Zirin,Irina Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are

annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes
