Wilhoit,Leland Ryken,2012-09-01 Why does Bible study flourish in some churches and small groups and not in others In this updated edition of a trusted classic two Christian education specialists provide readers with the knowledge and methods needed to effectively communicate the message of the Bible The book offers concrete guidance for mastering a biblical text interpreting it and applying its relevance to life Its methods which have been field tested for twenty five years help pastors teachers and ministry students improve their classroom skills Readers will learn how to develop the big idea of a passage and allow the text itself to suggest creative teaching methods This new edition has been updated throughout and explores the changed landscape of Bible study over the past two decades Readable and interdisciplinary in approach this book will help a new generation of Bible students teach in a purposeful and unified way *Poetic Imagination in Proverbs* Knut Martin Heim,2013-05-01 No fewer than 223 verses in Proverbs appear two times 79 sets three times 15 sets or even four times 5 sets in identical or slightly altered form more than 24% of the book Heim analyzes all of these presenting them in delineated Hebrew lines and in English translation Where appropriate the translations are followed by textual notes that discuss uncertainties regarding the textual witnesses textual criticism and explore lexical grammatical and syntactical problems Heim also analyzes the way the parallelism in each verse of a variant set has been constructed presenting diagrams and tables with columns that highlight the corresponding similarities and differences among repeated verses Key to this investigation is the search for links between the variants and their surrounding verses such as repetitions of sound and sense Heim shows that most variant repetitions result from skillful poetic creativity Reconstruction of the editorial and creative poetic process highlights what poets did how they did it and why they did it He develops criteria for determining the direction of borrowing between the verses and demonstrates that the phenomenon of variant repetition is an editorial concern that operates on the level of the book as a whole He develops and refines a range of interpretive techniques and

skills arrives at fresh interpretations and shows that ancient proverbial wisdom is relevant to modern societies This study sheds new light on the nature of biblical poetry and on the methods and virtues best suited for its study While specific to the book of Proverbs in the first instance the findings in this study apply to poetry elsewhere Three fundamental insights should inform future work on poetry the creative combination of repetition with variation is the very essence of poetry what has been written with imagination should be read with imagination imaginative interpretation values the normal features of poetic expression and celebrates the truly unusual

Those Practical Proverbs David Balsley,2018-12-13 Those Practical Proverbs is a verse by verse commentary on the book of Proverbs from a pastor s perspective It begins with an exploration of the authorship of Proverbs most of which was written by King Solomon with brief sections by Agur the son of Jakeh and the words of King Lemuel from an oracle which his mother taught him It proceeds to an explanation of the structure of Hebrew poetry a list of some of the topics addressed in the book and an outline of the book The opening chapters of Proverbs 1 9 consist of longer wisdom poems on a variety of significant subjects Most of the chapters of Proverbs consist of single verse observations concerning many of life s practical concerns with occasional multiverse entries The book concludes with the entries of Agur and King Lemuel and finally the classic alphabetic acrostic poem regarding the excellent wife Because the book focuses largely on the wisdom and understanding which find their origin in the fear of the Lord it is among the most life enriching books ever written It is extremely important for anyone who longs for practical guidance in the many issues of life
