Psychic Protection Cab:

Sacred Calling, Secular Accountability Ronald Bullis, 2013-01-11 Increasingly counselors are practicing spiritual or complementary interventions. In balance, how counselors use such interventions is under closer examination by law. This effort to protect clients is embedded in ethical and legal principles but rarely addressed in the mental health literature. This book will fill that gap by offering a clear understanding of the context of the law. Detailed case studies are given in each chapter as a centerpiece to the understanding, interpretation, and application of the laws. The author, with his unique qualifications in legal and spiritual areas, pays critical attention to the issues of culture throughout this resource that includes handy appendices of a legal glossary, abbreviations, literature review, and an exercise on how to find the law. *African Folklore* Philip M. Peek, Kwesi Yankah, 2004-03-01 Written by an international team of experts, this is the first work of its kind to offer comprehensive coverage of folklore throughout the African continent. Over 300 entries provide in-depth examinations of individual African countries, ethnic groups, religious practices, artistic genres, and numerous other concepts related to folklore. Featuring original field photographs, a comprehensive index, and thorough cross-references, *African Folklore: An Encyclopedia* is an indispensable resource for any library's folklore or African studies collection. Also includes seven maps. **Wicca for One** Raymond Buckland, 2018-07-31 A step-by-step guide to Wicca as a lifestyle, practical, easy to read, and no nonsense in tone.
