Millgram,2014-01-10 This book is a reader friendly treatment of the Joseph story one of the most popular tales in the Bible Instead of the usual interpretation as an Horatio Alger success story the text proposes that we are presented with a cautionary tale of high achievement and the pursuit of success In the context of the larger biblical narrative Joseph s short term success leads to the enslavement of his descendants and the centuries long derailment of the destiny of the Children of Israel The self limiting nature of the pursuit of power is just one of the themes illuminated in this work
