The 'Creed of Science' in Victorian England Roy M. MacLeod, 2024-10-28 The nineteenth century which saw the triumph of the idea of progress and improvement saw also the triumph of science as a political and cultural force In England as science and its methods claimed privilege and space its language acquired the vocabulary of religion The new creed of science embraced what John Tyndall called the scientific movement it was in the language of T H Huxley a militant creed The march of invention the discoveries of chemistry and the wonders of steam and electricity culminated in a crusade against ignorance and unbelief It was a creed that looked to its own apostolic succession from Copernicus Galileo and the martyrs of the scientific revolution Yet it was a creed whose doctrines were divisive and whose convictions resisted Alongside arguments for materialism utility positivism and evolutionary naturalism persisted reservations about the nature of man the role of ethics and the limits of scientific method These essays discuss leading strategists in the scientific movement of late Victorian England At the same time they show how science established served not only the scientific community but also the interests of imperial and colonial powers

Conflict of Lions Terence Strong, 2014-03-04 The lion of revolution is coming insidious and menacing to the quiet West African republic of Free Guinea In the hiatus following the Falklands War a group of hardened SAS troops is sent as a safeguard against rumblings of political discontent against the moderate elected government It is intended to provide the ideal location for the men to rest after the violent burst of full blooded warfare in the South Atlantic And so it does that is until a tourist is found dead on the beach In the remote territory up country the forces of violence and terror are gathering and it is certain that innocent blood will be spilled That is when the legendary SAS captain returns To the only woman he has ever loved And to a brooding land of fear and unrest swept by a rising tide of revolutionary fervour and bloodlust Frightening credibility Gloucester Citizen An all actioner which never slows Glasgow Evening Times

In the Lion's Mouth Lewis Aptekar, 2013-11-22 In the Lions Mouth is essential reading for scholars and field workers advancing humanitarian aid and human rights in the developing world The book also provides cogent insight and information for clinicians who implement community mental health Dr David Swanger Professor Emeritus University of California Santa Cruz This book reminds us that precursors of counseling and therapy have been in practice for thousands of years around the world and that counseling was not a Euro American invention of the last few decades Lewis Aptekar brings us with him as he

seeks to reframe counseling and therapy outside the envelope Dr Paul B Pedersen Professor Emeritus Syracuse University

Lewis Aptekar is one of the few scholars who places respect for the reality experienced by the people he studies above the illusion of the categories used in humanitarian aid This ethical principle guides him and confronts him with dilemmas that an intelligent inquirer cannot avoid when facing people in difficult situations Dr Daniel Stoecklin Professor Institut Universitaire Kurt Bosh IUKB Childrens Rights Unit Sion Switzerland Can you imagine yourself living in Kaliti a displaced person s camp in Ethiopia because you want to know what it s like to be such a person in such a place But it s not just curiosity that takes you there You are a skilled well practiced observer of human behavior in situ so you know what to look for what to record And you are a first class writer easy to read whose accounts of what he saw and heard are transmitted with enough detail enough conveying of emotion that the reader is simultaneously moved while being informed that you feel as if you too are there in this camp in Ethiopia The author of this compelling account of the strengths and weaknesses of humanitarian aid programs as exemplified by this particular but not atypical instance is Lewis Aptekar This book is in my opinion as good as his earlier two classics *Street Children of Cali* 1988 and *Emotional Disasters in Global perspective* 1994 Dr Marshall Segall Professor Emeritus Syracuse University

Peacemakers James W. Pardew, 2018-01-05 The wars that accompanied the breakup of Yugoslavia in the 1990s were the deadliest European conflicts since World War II The violence escalated to the point of genocide when over the course of ten days in July 1995 Serbian troops under the command of General Ratko Mladic murdered 8 000 unarmed men and boys who had sought refuge at a UN safe haven in Srebrenica Shocked the United States quickly launched a diplomatic intervention supported by military force that ultimately brought peace to the new nations created when Yugoslavia disintegrated *Peacemakers* is the first inclusive history of the successful multilateral intervention in the Balkans from 1995 2008 by an official directly involved in the diplomatic and military responses to the crises A deadly accident near Sarajevo in 1995 thrust James Pardew into the center of efforts to stop the fighting in Bosnia In a detailed narrative he shows how Richard Holbrooke and the US envoys who followed him helped to stop or prevent vicious wars in Bosnia Croatia Kosovo and Macedonia Pardew describes the human drama of diplomacy and war illuminating the motives character talents and weaknesses of the national leaders involved Pardew demonstrates that the use of US power to relieve human suffering is a natural fit with American values *Peacemakers* serves as a potent reminder that American leadership and multilateral cooperation are often critical to resolving international crises
