for Change Donald L. Fixico,2013-06-01 For too many years the academic discipline of history has ignored American Indians or lacked the kind of open minded thinking necessary to truly understand them Most historians remain oriented toward the American experience at the expense of the Native experience As a result both the status and the quality of Native American history have suffered and remain marginalized within the discipline In this impassioned work noted historian Donald L Fixico challenges academic historians and everyone else to change this way of thinking Fixico argues that the current discipline and practice of American Indian history are insensitive to and inconsistent with Native people s traditions understandings and ways of thinking about their own history In Call for Change Fixico suggests how the discipline of history can improve by reconsidering its approach to Native peoples He offers the Medicine Way as a paradigm to see both history and the current world through a Native lens This new approach paves the way for historians to better understand Native peoples and their communities through the eyes and experiences of Indians thus reflecting an insightful indigenous historical ethos and reality

The Rainbow Bridge Raymond L. Lee,Alistair B. Fraser,2001 Venerated as god and goddess feared as demon and pestilence trusted as battle omen and used as a proving ground for optical theories the rainbow s image is woven into the fabric of our past and present From antiquity to the nineteenth century the rainbow has played a vital role in both inspiring and testing new ideas about the physical world Although scientists today understand the rainbow s underlying optics fairly well its subtle variability in nature has yet to be fully explained Throughout history the rainbow has been seen primarily as a symbol of peace covenant or divine sanction rather than as a natural phenomenon Lee and Fraser discuss the role the rainbow has played in societies throughout the ages contrasting its guises as a sign of optimism bearer of Greek gods
