Rainbow Tribe Ordinary People Journeying On The Red Road:

Rainbow Tribe Ed McGaa, 2009-03-17 The practical sequel to Mother Earth Spirituality that applies Native American teachings and ritual to contemporary living **People of the Rainbow** Michael I. Niman, 1997 Since 1972 the Rainbow Family of Living Light a loosely organized and anarchistic nomadic community have been holding large gatherings in remote forests to pray for world peace and create a model of a functioning utopian society In **People of the Rainbow** Michael I Niman offers the first comprehensive study of this countercultural group also known as the Rainbow Nation or Rainbow Family Niman s insightful and compelling profile describes the origins and recent history of the Rainbows and explains the eclectic philosophy of environmentalism feminism peace activism group sharing libertarianism and consensus government they espouse A fictional re creation of a day in the life of a Rainbow character named Sunflower begins the book illustrating events that might typically occur at an annual North American Rainbow Gathering Using interviews with Rainbows content analysis of media reports participant observation and scrutiny of government documents relating to the group Niman presents a complex picture of the Family and its relationship to mainstream culture called Babylon by the Rainbows Niman also looks at internal contradictions within the Family and examines members problematic relationship with Native Americans whose culture and spiritual beliefs they have appropriated The nomadic nature of the Rainbow Family has long exasperated the U S government especially the Forest Service and has baffled the media Niman places the Rainbow Family s gatherings in a historical context by framing the group s activities in terms of the long tradition of intentional communities and utopian experimentation within the United States Concluding with reflections on the successes and limitations of the Rainbow movement **People of the Rainbow** provides an extensive ethnography of this intriguing subculture and provides fresh insights into the ongoing legacy of utopian communalism The Author Michael I Niman is an adjunct assistant professor of American studies at the State University of New York at Buffalo and a lecturer in the communication department at Buffalo State College **Imagine Nation** Peter Braunstein, Michael William Doyle, 2013-07-04 Amidst the recent flourishing of Sixties scholarship **Imagine Nation** is the first collection to focus solely on the counterculture Its fourteen provocative essays seek to unearth the complexity and rediscover the society changing power of significant movements and figures **The Kingdom of God and the Yellow Barn Church** Doug Hickerson, 2006 All his life author Doug Hickerson repeated Thy Kingdom come in the Lord s Prayer Yet God s kingdom seemed irrelevant to him even as a seminary student and a church layman Hickerson was a liberal Protestant active in a mainline denominational church and in community causes He became curious about spiritual paths to God beyond the Church While in his midfifties and still active in his church he started a spiritual journey that included exploring other religions and spirituality Steeped in the popular New Age spirituality of the 1990s he wrote about the coming new millennium He felt that humankind was evolving spiritually and was headed for an enlightened utopia the Age of Aquarius His humanistic visions ended abruptly when he met families who belonged to the yellow barn

church in his village In their fellowship it became clear that God not man is in control and lovingly rules our destiny He awakened to the Kingdom of God present now on earth with its fulfillment yet to come At age sixty eight Hickerson s life changing experience in the evangelical Church and in God s kingdom is deeply personal and grounded in the Bible and solid theology The warm and at times humorous narrative in *The Kingdom of God and the Yellow Barn Church* details God s providence and promptings over Hickerson s lifetime **The Mystic Heart** Wayne Teasdale,2010-10-06 Drawing on experience as an interreligious monk Brother Wayne Teasdale reveals the power of spirituality and its practical elements He combines a profound Christian faith with an intimate understanding of ancient religious traditions **Manual for the Peacemaker** Jean Houston,1995-03-01 A thrilling retelling by master storyteller Jean Houston of the legendary exploits of the founder of the Iroquois Confederacy known as the Peacemaker Under his leadership they created a peaceful democracy among five tribes of Native peoples in the northeastern woodlands This story has inspired American leaders from Benjamin Franklin to the present day occupants of the White House and is shown by Houston to be a potent guide to personal transformation and to the visioning of a peaceful world Jean draws from the experiential workshops she leads with the help of Margaret Peggy Rubin to guide readers through group or individual exercises that bring the story home *Path of the Sacred Pipe* Jay Cleve,2012-11-27 In these days of global crisis thoughtful seekers increasingly turn to Native Americans for healing wisdom The Sacred Pipe is the medicine says Jay Cleve in this informative and practical guide to a key practice of Native American spirituality The Hopi and other ancient cultures predicted our present age as one of transition into a New World The galactic alignment ending the Mayan calendar on December 21 2012 occurs only every 26 000 years and is thought to be a critical time for raising consciousness to align with the radical expansion of Earth energies Cleve shows how the Pipe can facilitate transformation on both the personal and planetary levels He explains its use in rituals such as the sweat lodge the vision quest and the sun dance and in relation to the Medicine Wheel He also provides practical information on obtaining and caring for a Pipe and on preparing for and performing the Pipe ceremony *Going Native* Shari M. Huhndorf,2015-03-19 Since the 1800 s many European Americans have relied on Native Americans as models for their own national racial and gender identities Displays of this impulse include world s fairs fraternal organizations and films such as *Dances with Wolves* Shari M Huhndorf uses cultural artifacts such as these to examine the phenomenon of going native showing its complex relations to social crises in the broader American society including those posed by the rise of industrial capitalism the completion of the military conquest of Native America and feminist and civil rights activism Huhndorf looks at several modern cultural manifestations of the desire of European Americans to emulate Native Americans Some are quite pervasive as is clear from the continuing if controversial existence of fraternal organizations for young and old which rely upon Indian costumes and rituals Another fascinating example is the process by which Arctic travelers went Eskimo as Huhndorf describes in her readings of Robert Flaherty s travel narrative *My Eskimo Friends* and his documentary film

Nanook of the North Huhndorf asserts that European Americans appropriation of Native identities is not a thing of the past and she takes a skeptical look at the tribes beloved of New Age devotees Going Native shows how even seemingly harmless images of Native Americans can articulate and reinforce a range of power relations including slavery patriarchy and the continued oppression of Native Americans Huhndorf reconsiders the cultural importance and political implications of the history of the impersonation of Indian identity in light of continuing debates over race gender and colonialism in American culture

The Thundering Years Julie Tallard Johnson,2001-04-01 Shows teens how to harness the intense emotions and drives of the late teen years using wisdom from cultures around the world Includes exercises personal and community rituals and resources that show how to successfully navigate the Thundering Years without heading toward violence drug abuse and other self destructive behaviors Includes inspiring quotations from many spiritual traditions as well as the words and real life experiences of other young adults Presents an honest view of the passions and pain that occur during this major life transition According to native traditions the Thundering Years are the time in life to listen to intense feelings dreams desires and goals to be outrageous and even difficult The Thundering Years are the teen years the time when you are journeying into adulthood They are exciting years full of potential and creative energy and they are painful years full of turmoil and self examination Author Julie Tallard Johnson has collected wisdom from cultures around the world to help you survive your Thundering Years with your soul creativity and even sense of humor intact She offers numerous techniques and traditions to help harness the powerful energy released during this time She shows that when you connect with your thunder in a respectful way you are given the confidence you need to accomplish all your dreams Includes Mindfulness and energizing meditations Vision quests Dream weaving Drum medicine Initiations and rites of passage Rituals for releasing anger and celebrating the seasons Making your own journals and medicine bags Finding your creative community

The ^ABeauty of the Primitive Andrei A. Znamenski,2007-07-16 For the past forty years shamanism has drawn increasing attention among the general public and academics There is an enormous literature on shamanism but no one has tried to understand why and how Western intellectual and popular culture became so fascinated with the topic Behind fictional and non fictional works on shamanism Andrei A Znamenski uncovers an exciting story that mirrors changing Western attitudes toward the primitive The Beauty of the Primitive explores how shamanism an obscure word introduced by the eighteenth century German explorers of Siberia entered Western humanities and social sciences and has now become a powerful idiom used by nature and pagan communities to situate their spiritual quests and anti modernity sentiments The major characters of The Beauty of the Primitive are past and present Western scholars writers explorers and spiritual seekers with a variety of views on shamanism Moving from Enlightenment and Romantic writers and Russian exile ethnographers to the anthropology of Franz Boas to Mircea Eliade and Carlos Castaneda Znamenski details how the shamanism idiom was gradually transplanted from Siberia to the Native American scene and beyond He also looks into the circumstances that prompted scholars and writers at first to

marginalize shamanism as a mental disorder and then to recast it as high spiritual wisdom in the 1960s and the 1970s Linking the growing interest in shamanism to the rise of anti modernism in Western culture and intellectual life Znamenski examines the role that anthropology psychology environmentalism and Native Americana have played in the emergence of neo shamanism He discusses the sources that inspire Western neo shamans and seeks to explain why lately many of these spiritual seekers have increasingly moved away from non Western tradition to European folklore A work of intellectual discovery *The Beauty of the Primitive* shows how scholars writers and spiritual seekers shape their writings and experiences to suit contemporary cultural ideological and spiritual needs With its interdisciplinary approach and engaging style it promises to be the definitive account of this neglected strand of intellectual history **The Self-destruction of the West** Damien François, 2007 Voil d sormais plus de 10 000 ans que la civilisation occidentale s est install e et voil 10 000 ans qu elle viole le sens m me de la nature la vie En s appropriant sans concession ce qui l entourait l homme de l Ouest a vu son horizon ployer sous la charge de la destruction qu il lui avait lui m me r alis e Sommes nous des lycanthropes ou des vampires Ces monstres si terrifiants qui sortent de notre imagination sont ils en r alit la copie de notre comportement d vastateur Pr dateurs nous pompons sans remords les nergies qui nous entourent Jusqu o ira t on *The Four-Fold Way* Angeles Arrien, 2013-06-11 A leading expert on native spirituality and shamanism reveals the four archetypal principles of the Native American medicine wheel and how they can lead us to a higher spirituality and a better world *A New Significance* Clyde A. Milner II, 1996-10-24 In 1893 Fredrick Jackson Turner published his revolutionary essay *The Significance of the Frontier in American History* A century later many of the country s most innovative scholars of Western history assembled at a conference at Utah State University under the direction of historian Clyde A Milner II Here they delivered essays meant to map the exciting new territory opened in recent years in the history of the West Gathering the best of these essays this collection aims to produce a compelling assessment of the newest Western historiography The entries include William Deverell on the significance of the West in American history David Guti rrez on Mexican Americans Susan Rhodes Neel on nature and the environment Gail M Nomura on Asia and Asian Americans Anne F Hyde on cultural perceptions David Rich Lewis on Native Americans Susan Lee Johnson on men women and gender and Qunitard Taylor on race and African Americans Each essay is accompanied by commentaries written by other top scholars and the eminent historian Allan G Bogue supplies a penetrating introduction *Angels, Aliens and Prophecy* Betsey Lewis, 2012-03-12 Reviews This book is amazing and I have been reading it non stop Betsey s knowledge and intellect of UFOs Aliens an the paranormal has quite simply floored me Anthony Sanchez Author of UFO Highway Conference Organizer of SACUFOCON *Angels Aliens and Prophecy* is astonishing I can hardly put it down Best selling Author of *The Tujunga Canyon Contacts* and renowned Earth Mysteries Investigator Ann Druffel One of the better books I have read of late as it draws upon the author s wealth of knowledge and ability to tie all the elements together aliens religious visions alien abductees time travel parallel universes

and prophecy This special book brings up many fascinating questions but provides many tantalizing answers to the mysteries in our world that most books in this genre fail to do Posted on Amazon Books Awesome reading Thank You Dori Florida About Angels Aliens and Prophecy Betsey Lewis intuitive earth mysteries investigator and host of Rainbow Visions Radio Show since 2009 explores the mysterious connection between angels and aliens since recorded history and the startling prophecies given by these beings in her new book Angels Aliens and Prophecy Is it possible ancient aliens and time travelers have changed time lines and events Absolutely says Lewis who investigated these enigmatic subjects for the past forty years In 1983 Lewis uncovered surprising information about her UFO encounters from the hypnosis session conducted by renowned UFO investigator Ann Druffel included in the book A secret was given to Lewis as a child but erased from her memory until recently She reveals the secret her startling predictions for 2012 and beyond and the connection between angels and aliens

Claiming Sacred Ground Adrian J. Ivakhiv, 2001-07-26 *Claiming Sacred Ground* Pilgrims and Politics at Glastonbury and Sedona Adrian J Ivakhiv A study of people and politics at two New Age spiritual sites In this richly textured account Adrian Ivakhiv focuses on the activities of pilgrim migrants to Glastonbury England and Sedona Arizona He discusses their efforts to encounter and experience the spirit or energy of the land and to mark out its significance by investing it with sacred meanings Their endeavors are presented against a broad canvas of cultural and environmental struggles associated with the incorporation of such geographically marginal places into an expanding global cultural economy Ivakhiv sees these contested and heterotopic landscapes as the nexus of a complex web of interestes and longings from millennial anxieties and nostalgic re imaginings of history and prehistory to real estate power grabs contending religious visions and the free play of ideas from science pseudo science and popular culture Looming over all this is the nonhuman life of these landscapes anotherness that alternately reveals and conceals itself behind a pagenant of beliefs images and place myths A significant contribution to scholarship on alternative spirituality sacred space and the politics of natural landscapes *Claiming Sacred Ground* will interest scholars and students of environmental and cultural studies and the sociology of religious movements and pilgrimage Non specialist readers will be stimulated by the cultural ecological and spiritual dimensions of extraordinary natural landscapes Adrian Ivakhiv teaches in the Faculty of Environmental Studies at York University in Toronto and is President of the Environmental Studies Association of Canada April 2001 384 pages 24 b w photos 2 figs 9 maps 6 1 8 x 9 1 4 index append cloth 0 253 33899 9 37 40 s 28 50 Contents I DEPARTURES 1 Power and Desire in Earth s Tangled Web 2 Reimagining Earth 3 Orchestrating Sacred Space II Glastonbury 4 Stage Props and Players of Avalon 5 Many Glastonburys Place Myths and Contested Spaces III SEDONA 6 Red Rocks to Real Estate 7 New Agers Vortexes and the Sacred Landscape IV ARRIVALS 8 Practices of Place Nature and Heterotopia Beyond the New Age *Shamanism* Andrei A. Znamenski, 2004-03-11 Mircea Eliade descibed shamanism as the primal religion of humanity the archaic technique of ecstasy The books of best selling author Carlos Castaneda made it part of popular culture Since the 1960s shamanism has

continued to attract the attention of scholars artists writers and the general public The most intriguing aspect of this religion is the ability of shamans to enter into contact with spirits on behalf of their communities The first eighteenth century explorers of Siberia dubbed shamanism a blatant fraud Later academic observers stamped it as neurotic delusion In the 1960s shamans were recast as wounded healers who sacrifice their lives for the spiritual well being of their communities Many current writers and scholars treat shamanism as ancient wisdom that has much to teach us about true spirituality This anthology tells the story of shamanism in Eurasia North and South America Africa and Australia It brings together for the first time fifty six articles and book excerpts by anthropologists psychologists religious scholars and historians illustrating the variety of views on this subject

Native American Spirituality Lee Irwin,2000-01-01 This volume offers a stimulating multidisciplinary set of essays by noted Native and non Native scholars that explore the problems and prospects of understanding and writing about Native American spirituality in the twenty first century Considerable attention is given to the appropriateness and value of different interpretive paradigms for Native religion including both traditional religion and Native Christianity The book also investigates the ethics of religious representation issues of authenticity the commodification of spirituality and pedagogical practices Of special interest is the role of dialogue in expressing and understanding Native American religious beliefs and practices A final set of essays explores the power of and reactions to Native spirituality from a long term historical perspective

The Relevance of the Wisdom Traditions in Contemporary Society Transnational Network for the Study of Physical, Psychological, and Spiritual Wellbeing. International Conference,Mark Blows,2004

From Shaman to Scientist James Houran,2004-08-05 This book is an interesting look at the scientific data in the field of parapsychology It examines ghost hunting as a cultural and scientific phenomenon sidestepping the many issues surrounding the reality of ghosts and discussing the many and varied methods used by ghost h
