Residential Real Estate Law A Transactional Skills Analysis:

Residential Real Estate Law Debra P. Stark, 2004 Residential Real Estate Law introduces students to the skills necessary to competently represent clients in the transactional setting of purchasing or selling a home Through exercises in the book students will be provided the opportunity to review form purchase agreements in different settings including a unit in newly converted condominium a single family detached home in a planned residential subdivision and a multi unit owner occupied house After ascertaining any special needs of their clients students will propose changes to the contracts utilizing attorney approval clauses and then negotiate for these changes in class Students will also prepare a form engagement letter in which they will explain to their client what services they will be providing and at what charge Mirroring the cycle of a residential deal the book then addresses the various contractual contingencies that typically must be satisfied before the deal will close These contingencies include a the buyer verifying with a physical inspection that the home is in good condition and in compliance with law b the buyer obtaining a commitment for a loan to purchase the home and c the seller obtaining a title commitment and survey reflecting that the status of title to the home is good The book not only addresses the laws that relate to these conditions but also contains examples of how these conditions were addressed by the parties attorneys in various home purchase contexts Students will be asked to review and then critique how the attorneys in these deals handled the problems that arose Finally the book addresses the lawyer s role to make certain that the protections and rights accorded to their client by law and by contract have been met and that the closing documents reflect this Also discussed are important topics of the liability of the seller when defects are discovered after the deal closes and tax and liability factors that affect choices as to how title to the property is held This work should prove a useful classroom tool for teaching a course designed to give students very real world experience John Alsterda Legal Information ALERT **The AALS Directory of Law Teachers** ,2007 *Research Handbook on Property, Law and Theory* Chris Bevan, 2024-08-06 This comprehensive Research Handbook interrogates and offers historical as well as contemporary understandings of property property law and property theory Chapters locate the role of property in key theoretical debates and examine property s place in significant social contexts covering topics such as Indigenous property artificial intelligence cryptoassets property and the art world environmentalism and climate change **Current Publications in Legal and Related Fields** ,2004 Harvard Blackletter Law Journal ,2005 *Teaching Lawyering Skills* Stefan H.
