Resizing the Organization Kenneth De Meuse, Mitchell Lee Marks, 2003-01-06 Presented by the Society for Industrial and Organizational Psychology this much needed resource offers a wealth of theoretical information best business practices and winning techniques for executives who must guide their companies through the often difficult processes of mergers acquisitions downsizings and other transitions Written by top experts in the field Resizing the Organization is a field guide for applying industrial and organizational psychology theories and practices to the management of change strategies

The Oxford Handbook of Personnel Assessment and Selection Neal Schmitt, 2013-12-15 Employee selection has long stood at the practical forefront of industrial organizational psychology Today's social business and economic climates require ongoing adaptations by those who select organizations personnel and research on the topic helps gauge the impact of these adaptations and their implications for human performance and potential The Oxford Handbook of Personnel Assessment and Selection codifies the wealth of new research surrounding employee selection web based assessments social networking globalization of organizations situating them alongside more traditional practices to establish the best and most relevant research for both professionals and academics Comprising chapters from authors in both the private sector and academia this volume is organized into seven parts 1 historical and social context of the field of assessment and selection 2 research strategies 3 individual difference constructs that underlie effective performance 4 measures of predictor constructs 5 employee performance and outcome assessment 6 societal and organizational constraints on selection practice and 7 implementation and sustainability of selection systems While providing a comprehensive review of current research and practice the purpose of this handbook is to provide an up to date profile of each of the areas addressed and highlight current questions that deserve additional attention from researchers and practitioners This compendium is essential reading for industrial organizational psychologists and human resource managers

The Practice of Leadership Jay A. Conger, Ronald E. Riggio, 2012-06-29 This book includes contributions from top scholars who outline the best leadership practices for the benefit of the practicing leader Each chapter focuses on a specific area of leadership practice and ends with a set of take away best practices in each area an executive summary in reverse that will serve as a quick reference for those who might want to peruse chapters but still extract the best practices as well as a summary for those who thoroughly read each chapter Jay Alden Conger and Ronald Riggio have brought together a galaxy of sophisticated yet practical experts on leadership

stressing both the complexity and indispensability of both transactional and transforming leadership with the blessing of the pioneering student of leadership Bernie Bass James MacGregor Burns professor emeritus Willams College and Pulitzer Prize winner *The SAGE Encyclopedia of Industrial and Organizational Psychology* Steven G. Rogelberg, 2016-09-27 The well received first edition of the Encyclopedia of Industrial and Organizational Psychology 2007 2 vols established itself in the academic library market as a landmark reference that presents a thorough overview of this cross disciplinary field for students researchers and professionals in the areas of psychology business management and human resources Nearly ten years later SAGE presents a thorough revision that both updates current entries and expands the overall coverage adding approximately 200 new articles expanding from two volumes to four Examining key themes and topics from within this dynamic and expanding field of psychology this work offers a truly cross cultural and global perspective Managing Change Mark Hughes, 2010-08-13 *Managing Change A Critical Perspective* explores how and why change occurs in organizations and how the change process can be managed effectively Complete with an appendix featuring twenty popular change management techniques it is an ideal core textbook for change modules on HR and business degree programmes at both undergraduate and postgraduate level It offers a critical perspective challenging the main assumptions and ensuring that the complexity of the subject is understood and appreciated This fully updated 2nd edition of *Managing Change A Critical Perspective* includes new chapters on perspectives power and politics ethics agents and agency HRM and evaluation Its revised structure reflects strategic group and individual change and a revised final chapter evaluates the practice and theory of change management Online supporting resources include annotated weblinks for students an instructor s manual complete with commentary on questions and cases in the book and lecture slides and additional case studies for tutors

Downsizing Cary L. Cooper, Alankrita Pandey, James Campbell Quick, 2012-04-19 Downsizing is one of the most frequently used business strategies for reducing costs returning firms to profit or for restructuring businesses following takeovers mergers and acquisitions Downsizing measures are also set to become much more prevalent in the public sector as governments seek to restrict levels of public spending This book is one of the first to provide a thorough study of downsizing from a global perspective It examines the phenomenon in its entirety exploring how it is initiated and what the process of downsizing looks like It also looks at the effects of downsizing at a number of different levels from the individual e g motivational effects effects on health and stress levels to the organizational e g financial outcomes reputational and productivity outcomes Written by an international team of experts the book provides a comprehensive overview of downsizing that examines both the strategic and human implications of this process **Research in Organizational Change and Development** Abraham B. (Rami) Shani, Debra A. Noumair, 2017-07-12 This volume brings forth the latest scholarly work and practice in the fields of organization development and change It is a resource for scholars who are interested in well integrated reviews of the literature advances in research methods and ideas about practice that open new

ways of working with organizations **The Peak Performing Organization** Ronald J. Burke, Cary L. Cooper, 2008-11-26 Building a peak performing organization is not easy or else everybody would be achieving this goal Organizations today are facing heightened challenges in remaining competitive in a more demanding global business environment New technology customer expectation outsourcing low cost competitors and needs for both higher performance and more innovation

Encyclopedia of Industrial and Organizational Psychology Steven G. Rogelberg, 2007 Publisher description *The Oxford Handbook of Leadership and Organizations* David Day, 2014-05-20 As the leadership field continues to evolve there are many reasons to be optimistic about the various theoretical and empirical contributions in better understanding leadership from a scholarly and scientific perspective The Oxford Handbook of Leadership and Organizations brings together a collection of comprehensive state of the science reviews and perspectives on the most pressing historical and contemporary leadership issues with a particular focus on theory and research and looks to the future of the field It provides a broad picture of the leadership field as well as detailed reviews and perspectives within the respective areas Each chapter authored by leading international authorities in the various leadership sub disciplines explores the history and background of leadership in organizations examines important research issues in leadership from both quantitative and qualitative perspectives and forges new directions in leadership research practice and education **UK's Stock Market Reactions to**

Layoff Announcements Jonathan Vu, 2012-08 This research aims to examine the relationship between stock market reactions and layoff announcements The scene is set under UK market in 2007 2009 The term layoff announcements in this paper refer to companies announcements of reduction in the workforce both temporarily and permanently The research is carried out by adopting deductive approach which leads to the formations of eight testable hypotheses about general market reactions to layoff announcements and different market reactions to layoff announcements with different characteristics The research method used is event study for comparing the actual shareholder return to a firm given the event of layoff announcement to the share holder return that would have occurred with the assumption that the event did not happen The hypotheses are tested using a sample of 79 layoff announcements by 51 UK listed companies during the period of January 2007 August 2009 Results from this research show sufficient evidence that Market reacts negatively to layoff announcements in general Medium layoffs 5 10% receive the strongest market reactions Market react negative and more strongly towards reactive layoffs compare with positive and weaker market reactions to proactive layoffs Market reacts more favourably to layoff announcements from services to manufacturing and from financial to non financial sectors Socio-Economic

Intervention in Organizations Anthony F. Buono, Henri Savall, 2007-04-01 The volume begins with a chapter by Henri Savall founder and director of the ISEOR Institute and creator of the SEAM methodology that presents an overview of the development of the socio economic approach to management and its guiding frameworks and methodology The chapter s detailed explanation of the underlying thinking tools and techniques of socio economic management serves as the primer for

the remainder of the volume The book is then divided into three sections The first part presents illustrations of SEAM interventions in different types of organizations including industrial and service companies and not for profit organizations including cultural institutions and sports clubs The next section looks at cross cultural applications and assessments of SEAM experiments in Africa Asia Mexico and the United States with a concluding chapter on intervening in multinational corporations in general The volume concludes with a section that examines different issues and challenges in SEAM intervention ranging from the impact on and role of middle managers in the SEAM process intervening in small organizations SEAM s facilitative role in operationalizing and institutionalizing information technology conceptualizing and implementing organizational change facilitating merger and acquisition integration and the application of socio economic management in sales and marketing The book also contains a combined glossary and chapter index that provides a definition of key terms and concepts in the SEAM methodology and where they appear in the volume These key terms are highlighted in bold italics throughout the volume illustrating their application in different contexts *HR Analytics in an Era of Rapid Automation*
