Democracies and Small Wars Efraim Inbar,2003-08-30 By their nature democracies clearly have greater constraints than autocratic regimes on their freedom of action as they have to meet constitutional legal and moral criteria in their use of force This collection analyses a number of case studies showing how democracies have won small wars **Mitigating Conflict** Henry F. Carey,Oliver P. Richmond,2004-08-02 This title examines the roles and new opportunities arising from the increasing participation of non governmental organizations NGOs in peace making peacekeeping and peace building processes both formal and informal state sponsored and unofficial Drawing on both academic experts and activists this study brings together contributions from those who have observed how NGOs have sought to reflect civil society concerns provide humanitarian relief monitor compliance with international norms and treaty requirements and disseminate information of concern to advocacy networks A critical appraisal of the opportunities and constraints of NGOs is provided alongside the examination of the NGOs role in the new agendas for peace Gray Area Phenomena Max G. Manwaring,2019-04-11 This book addresses the challenge of international narcotics control by applying the Manwaring paradigm The paradigm is the basis for an improved strategy and theory of engagement for weak governments of the developing world built around the concept of the gray area phenomenon **The United Nations As a Dispute Settlement System** Connie Peck,1996-05-23 This text reviews the preventive diplomacy of the United Nations suggesting that the Security Council is not well suited to the task What is needed it argues is a less political and more professional approach namely a larger and more autonomous role for the Secretary General and the development of a greater specialist capacity within the Secretariat The work gives appropriate weight to the importance of peace building both before and after conflict as an integral part of conflict prevention and the United Nations role therein **Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1993** United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,1992 *Stable Peace Among Nations* Arie M. Kacowicz,Yaacov Bar-Siman-Tov,Ole Elgström,Magnus Jerneck,2000-10-25 This book builds on the original conceptualization of stable peace by Kenneth Boulding and adds contemporary theoretical and empirical understandings of its nature causes conditions dimensions and prospects for consolidation and expansion In original research fifteen international scholars assess the policy relevance of stable peace for the Middle East peace process and for the future of Europe A Brief History Of The Future Allan E. Goodman,2019-03-04 This book provides a representation of a world in which none of us have lived and of its potential dynamics It looks at the interaction of tendencies such as democratization technological expansion regional integration and the obsolescence of war and discusses U S role in changing world order

Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1997:

Related agencies United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,1996 **Sustainable Peace** Connie Peck,1998 The end of the twentieth century saw the easing of East West tension but not the end of violent conflict_especially within states There has been growing consensus that the international community needs to find more effective ways of preventing such internal conflicts This book argues that the most sustainable means of promoting peace within states is the development of good governance which can address the root causes of conflict and meet basic human security needs Good governance offers groups a voice in resolving grievances at an early stage before they grow into major problems safeguards human rights and promotes a fairer distribution of resources The author suggests that the focus of good international and regional governance should be the promotion of more effective national and local governance and she outlines the efforts of the United Nations regional organizations_ such as the Organization for Security and Cooperation in Europe the Organization of African Unity and the Organization of American States_and NGOs such as the Carter Center The most successful approaches of these organizations could be applied through proposed Regional Centers for Sustainable Peace **Promoting Sustainable Democratic Consolidation in Sierra Leone** Abubakar Hassan Kargbo,2019-10-21 The Republic of Sierra Leone is situated along the West African Coast It is bounded on the north and north east by Guinea on the east and south by Liberia and on the West by the Atlantic Ocean Sierra Leone has a total land area of 72 000 km of which about 75% is cultivable According to the 2015 census it has a population of 7 092 113 million people In 2018 the country was divided into five regions including the Northern Northern Western Eastern and Southern provinces The provinces are further divided into sixteen districts and a total of 190 chiefdoms headed by Paramount chiefs Sierra Leone is characterized by favorable climate in terms of wet and dry seasons which makes it mainly suitable for agriculture production and the growing of different types of crops in the country as a whole Sierra Leone is suitable for cattle rearing groundnut and cashew nut farming particularly in the north the eastern region grows coffee and cacao and the south cacao ginger and piassava oil palm rice cassava and sweet potatoes all of which are grown in every part of the country The country has vast acres of arable land for agriculture production Apart from this agriculture potential Sierra Leone is very rich in natural resources such as diamonds gold iron ore bauxite rutile forest as well as marine resources etc most of these resources can be found in both south and east of the country and recent the north also has discovered some of these minerals such as bauxite and iron ore diamonds have also been discovered Sierra Leone is among the leading producers of Iron Ore Diamonds and Bauxite in the world **Unveiling Dynamics, Legitimacy, and Governance in Contemporary States** Ryszard Ficek,2024-04-25 This book delves into the complex dynamics of legitimizing power in fragile states With five comprehensive chapters it analyzes the geopolitical domestic and international dimensions of fragile states The unique contribution lies in unraveling specific forms of legitimization linked to

various types of state fragility providing a nuanced understanding The book distinguishes between temporary crises and chronic fragility crucial for shaping effective international support strategies It addresses the challenges and consequences of weak legitimacy on global security highlighting its impact on aid interventions and systemic stability The author's analysis emphasizes the diverse nature of political regimes in fragile states incorporating considerations of hybrid regimes Additionally it explores the dynamics of authoritarian enclaves at the sub state level revealing their potential national influence By scrutinizing the decline of trust in democratic systems the book addresses contemporary challenges making it a vital resource for understanding and navigating the complexities of fragile states political landscapes Monthly Catalog of United States Government Publications United States. Superintendent of Documents, 1993 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index *Order and Disorder After the Cold War* Brad Roberts, 1995 This volume collates 24 articles from The Washington Quarterly The articles all centre around the order and disorder in the post Cold War era evaluating the changing roles of the major powers and the new political and military challenges to international **The Diplomatic Record 1992** 1993 Allan Goodman, 2019-05-28 The Diplomatic Record continues in its fourth year to offer the most comprehensive storehouse of current information available on international diplomatic relations including a look ahead to ongoing negotiations a chronology of diplomatic events for the year and a bibliography of current diplomacy related publications At the heart of every edition **Mission Impossible** Helen Fogarassy, 1999-01-01 Helen Fogarassy editor in chief of the UNOSOM Weekly Review in Somalia during the 1994 crisis describes the overwhelmingly positive effect of multinational intervention in the wartorn country Based on her first hand observations Fogarassy argues forcefully in defense of such humanitarian ventures while simultaneously decrying the oversimplification of the Somali situation by the world media She demonstrates how our widespread perception that humanitarian missions in developing countries are doomed to failure is directly related to the images of dead American soldiers being dragged through the streets of Mogadishu While this picture proves undeniably horrific success appeared with improved health and educational situations in addition to a stabilized society with a developing infrastructure and a workable government Fogarassy's provocative book is sure to make historians political scientists and policy makers reexamine the need for humanitarian intervention in other desperate countries Weapons of Mass Destruction E. Spiers, 2000-02-24 The proliferation of weapons of mass destruction has continued to give cause for concern even after the end of the Cold War This book analyses how the prospects for proliferation have changed since the 1990s particularly in light of the Gulf War and the UN inspections of Iraq It will examine the new pattern of incentives and disincentives for proliferation the utility of these weapons at state and sub state levels and their implications for arms control and international security
