## **Resort Development Mgmt Cloth:**

Torkildsen's Sport and Leisure Management Rob Wilson, Chris Platts, Daniel Plumley, 2012-04-27 For nearly thirty years George Torkildsen's classic textbook has been the most comprehensive and engaging introduction to sport and leisure management available to students at all levels. Now in a fully revised sixth edition it is still the only textbook that covers all the key topics taught within contemporary sport and leisure management courses. This new edition includes expanded coverage of the practical managerial skills that students must develop if aiming for a career in the sport and leisure industry from planning and managing people to marketing and entrepreneurship. It includes five completely new chapters on leisure in the home, financial management, quality management and law and enterprise reflecting important developments in contemporary sport and leisure. This edition retains the hallmark strengths of previous editions including in-depth discussion of the social and cultural context of sport and leisure, full analysis of the public, private and voluntary sectors and a review of key products and services including sport tourism, the arts, play and leisure in the natural environment. Richly illustrated throughout with up-to-date evidence, data, case studies and international examples, each chapter also contains a range of useful pedagogical features such as discussion questions, practical tasks and structured guides to further reading and resources. For the first time, a dedicated companion website offers additional teaching and learning resources for students and lecturers. **Strategic Management** Colin White, 2017-03-14 Reflecting the challenges of formulating, implementing and monitoring strategy in practice, White's contemporary text discusses differing theories and approaches in the context of real-world experience. Readers are encouraged to conceptualize and generalize business problems and to confront philosophical issues without losing sight of practical aims. Each chapter starts with a Key Strategic Challenge and sets the scene of a case study which is resolved at the end of the chapter. The text includes more than 60 Strategy in Action short case examples to illustrate how organizations apply strategy in practice along with fifteen long case studies for detailed analysis. Strategic Projects and Exploring Further sections encourage readers to investigate the subject more in detail. Strategic Management Acknowledges the complex reality of strategy in the real world, showing students the challenges they will encounter when implementing strategy in practice. Provides a solid theoretical grounding in the subject, enabling students to develop their own strategic approaches. Offers comprehensive and contemporary topic coverage reflecting current trends such as globalization, co-operative strategy and performance measurement. Includes separate chapters on Implementation, Monitoring and Risk Assessment reflecting the critical role of these issues within organizations. Provides a wide range of international case examples from well-known organizations in all regions of the world, allowing students to see how strategy is implemented in practice and reflecting the global nature of strategy for multinational corporations. Integrated web packages include: For students: Additional long case studies, integrating case study links to further resources, searchable glossary. For instructors: Suggested teaching pathways.

and key themes additional case study questions comments on exercises and assignments within the text powerpoint lecture presentations Visit [www.palgrave.com/business/white](http://www.palgrave.com/business/white) for more information
