Spiritual Beliefs and Religious Practices of Ancient Hawai'i Kathy L. Callahan Ph.D.,2022-02-02 The focus of this book is the spiritual religious life of the indigenous people of Hawai'i the Knaka Maoli Their spiritual principles of mlama ina caring for the environment kuleana individual responsibility kkoa helping one another and ohana family beyond blood ties enabled the Hawaiians to survive the decimation of their population and colonial attacks upon their government and cultural heritage Moreover these ideals passed on into the many immigrant groups that came to the Islands and helped them coalesce into one multiracial people The future promise of Hawai'i may lie in these ancient principles for they represent a much needed idea of working in harmony with the environment and are characterized by respect tolerance and understanding of differences They may represent a new way of looking at sociocultural processes in the hope of solving complex problems of the modern world This indeed may be the lasting legacy of the Knaka Maoli **The Hawaiians of Old** Betty Dunford,Lilinoe
