Responsive Healthcare Marketing For A Public Service:

Responsive Healthcare Rod Sheaff, 2002 This text for health service managers and clinical professionals discusses the adaptation of conventional marketing methods for use in healthcare and publicly funded systems responsible for health promotion and health service planning Sheaff U of Manchester England argues that while public services can learn from commercial marketing they should not just copy its practices Topics include anti marketing for tobacco use reduction marketing objectives for health care commissioners and making publicly managed services more responsive to users Distributed by Taylor Francis Annotation copyrighted by Book News Inc Portland OR

The Political Marketing Revolution Jennifer Lees-Marshment, 2004-10 This book shows how British politics is being transformed from a leadership run system to one dictated by public needs and demands No longer confined to party politics organizations including the monarchy the BBC universities local councils charities and the Scottish Parliament are adopting the tools of market intelligence to understand their market needs and demands The political marketing revolution raises many questions such as whether the student or patient really does know best and can decide his own education and health care The book calls for a debate about the movement of the British political system towards a market orientation and a re negotiation of the relationship between leaders and the market While recognizing the need for political leaders to listen this debate places some responsibilities on the political consumer looking to create a new relationship that might work more effectively for both sides

Health Services Marketing Richard K. Thomas, 2008 For today s health care professional clinical expertise is not enough one has to know the market Even when a facility has its own marketing department practitioners are regularly called on for their input *Health Services Marketing A Practitioner s Guide* clearly and succinctly explains the range of marketing activities and techniques from promotions to pricing so any health professional can learn to navigate this bewildering but increasingly important aspect of healthcare Richard Thomas step by step guide for developing a marketing plan and carrying out a successful campaign offers a hands on approach to proven methods for staying a step ahead of the healthcare marketing game The health industry as seen from the marketing perspective Healthcare products and the consumers who need them What marketing can and can t do for a medical practice Demographics and beyond how social marketing works Where your marketing dollar goes staying on budget Market positioning knowing the competition building the strategy Evaluating a marketing plan s effectiveness Plus dozens of forms checklists and questionnaires to simplify the process Useful to practitioners and administrators alike and equally suited to the for profit as to the non profit organization *Health Services Marketing* gives the reader valuable tools to reach out to consumers and build lasting relationships
