Restorative Justice Reader Texts Sources:

A Restorative Justice Reader Gerry Johnstone, 2003 A fine book Cogently argued and nuanced a serious contribution to thinking on restorative justice John Braithwaite One of the most important developments in crime and its control over recent years has been the emergence of a dynamic campaign promoting restorative justice as an alternative to standard ways of responding to crime i.e legal prosecution and state punishment Accompanying this has been a rapidly growing literature on the subject from the UK North America Australasia and elsewhere The main aim of this book is to bring together a selection of extracts from the most important and influential contributions to the restorative justice literature and its emergent philosophy accompanying these with an informative commentary providing context and explanation where necessary The book includes by both well known proponents of restorative justice work by some of the key critics of the restorative justice movement along with work from a number of writers not directly involved in either advocacy or critique of restorative justice but whose work is crucial to an understanding of it The book is organised into five main sections the concept of restorative justice historical anthropological and theological roots of restorative justice the goals restoring victims and offenders and preventing crime the restorative process critical perspectives The book provides a unique sourcebook bringing together writings from a wide range of often inaccessible sources essential reading both for students taking courses in criminal justice restorative justice as well as practitioners involved in the administration of criminal justice who need an understanding of what restorative justice is about and how it has developed Handbook of Restorative Justice Gerry Johnstone, Daniel Van Ness, 2013-01-11 This book provides a comprehensive and authoritative account and analysis of restorative justice one of the most rapidly growing phenomena in the field of criminology and justice studies This book aims to meet the need for a comprehensive reliable and accessible overview of the subject It draws together leading authorities on the subject from around the world in order to elucidate and discuss the key concepts and principles of restorative justice explain how the campaign for restorative justice arose and developed into the influential social movement it is today describe the variety of restorative justice practices explain how they have developed in various places and contexts and critically examine their rationales and effects identify and examine key tensions and issues within the restorative justice movement brings a variety of disciplinary and interdisciplinary perspectives to bear upon the understanding and assessment of restorative justice The Handbook of Restorative Justice is essential reading for students and practitioners in the field *Handbook of Restorative Justice* , **Restorative Policing** Lodewijk Gunther Moor, 2009 The focus of restorative policing is within a community oriented policing approach where the police have important tasks in rendering services to the population Traditional forms of penal treatment no longer satisfy entirely especially in relation to nuisances incivilities and petty crime Is the community police officer the simple registrar of events between victim and offender Can s he take the role of mediator or can s he refer to external instances in the domain of mediation or to civil judges Do the police have their own restorative regulations

and institutionalized practices and are they involved in mediation in penal matters In what ways do police officers contribute to informal restorative practices and conflict resolution in neighborhoods This book is about restorative policing practices and the place and role police forces can take in this kind of approach **Social Work and Restorative Justice** Elizabeth Beck,Nancy P. Kropf,Pamela Blume Leonard,2010-11-11 Presents an innovative synergistic practice model that will help social workers use restorative justice skills to facilitate healing and recovery in the families and communities that they serve

Restorative Justice Theo Gavrielides,2017-09-19 The legitimacy and performance of the traditional criminal justice system is the subject of intense scrutiny as the world economic crisis continues to put pressure on governments to cut the costs of the criminal justice system This volume brings together the leading work on restorative justice to achieve two objectives to construct a comprehensive and up to date conceptual framework for restorative justice suitable even for newcomers and to challenge the barriers of restorative justice in the hope of taking its theory and practice a step further The selected articles start by answering some fundamental questions about restorative justice regarding its historical and philosophical origins and challenge the concept by bringing into the debate the human rights and equality discourses Also included is material based on empirical testing of restorative justice claims especially those impacting on reoffending rates victim satisfaction and reintegration The volume concludes with a critique of restorative justice as well as with analytical thinking that aims to push its barriers It is hoped that the investigations offered by this volume not only offer hope for a better system for abolitionists and reformists but also new and convincing evidence to persuade the sceptics in the debate over restorative justice **Restorative Justice** Marian Liebmann,2007 Provides an accessible introduction to the philosophy of restorative justice and its application in a wide range of settings demonstrating how it can help to rehabilitate both victims and offenders when harm has been done

Prophetic Wisdom Charles R. Strain,2024-06-01 Classical Buddhism lacked an understanding of systemic injustice and its contribution to collective suffering Despite the teaching of impermanence classical Buddhist schools viewed social institutions as given and offered no path to social transformation Today Buddhists are shaped by multiple religious and secular traditions including those stemming from the Hebrew prophets The prophetic tradition offers a socially and religiously powerful concept the concept of justice that reconfigures the Buddhist dharma In a time of unparalleled peril Buddhists are challenged as never before to turn wisdom into strategic action to foster systemic social change Compassion is not enough Prophetic Wisdom shows how Engaged Buddhists can expand their understanding of the causes of collective suffering and develop nonviolent means for social transformation through a dialectic of love power and justice It concludes by confronting the poison of racism in the American body politic

Restoring Justice after Large-scale Violent Conflicts Ivo Aertsen,Jana Arsovska,Holger-C Rohne,Marta Valiñas,Kris Vanspauwen,2013-05-13 This book provides a comparative analysis of the potential of restorative justice approaches to dealing with mass victimization in the context of large scale violent conflicts focusing on case studies from Kosovo Israel

Palestine and Congo incorporating contributions from leading authorities in these areas One of the main objectives of the book is to examine if how and to what extent restorative justice is applicable in various different cultural social and historical contexts and what common themes can be identified within the different regions under analysis The book will also provide a critical analysis of the UN Basic Principles on the use of restorative justice programmes in criminal matters as applied to the context of large scale violence

Informal Reckonings Andrew Woolford,R.S. Ratner,2008-01-15 Informal Reckonings is a critical examination of mediation restorative justice and reparations and how they reinforce yet potentially transform the formal justice system

Justice in Transition Anna Eriksson,2013-05-13 This book provides a unique account of the high profile community based restorative justice projects in the Republican and Loyalist communities that have emerged with the ending of the conflict in Northern Ireland Unprecedented new partnerships between Republican communities and the Police Service of Northern Ireland have developed and former IRA and UVF combatants and political ex prisoners have been amongst those involved Community restorative justice projects have been central to these groundbreaking changes acting as both facilitator and transformer Based on an extensive range of interviews with key players in this process many of them former combatants and unique access to the different community projects this books tells a fascinating story At the same time this book explores the wider implications for restorative justice internationally highlighting the important lessons for partnerships between police and community in other jurisdictions particularly in the high crime alienated neighbourhoods which exist in most western societies as well as transitional ones It also offers a critical analysis of the roles of both community and state and the tensions around the ownership of justice and a critical unromanticized assessment of the role of restorative justice in the community

Police Science: Breakthroughs in Research and Practice Management Association, Information Resources,2019-01-04 Violent behavior is an unavoidable aspect of human nature and as such it has become deeply integrated into modern society In order to protect and defend citizens the foundational concepts of fairness and equality must be adhered to within any criminal justice system As such examining police science through a critical and academic perspective can lead to a better understanding of its foundations and implications Police Science Breakthroughs in Research and Practice is an authoritative reference source for the latest scholarly material on social problems involving victimization of minorities and police accountability It also emphasizes key elements of police psychology as it relates to current issues and challenges in law enforcement and police agencies Highlighting a range of pertinent topics such as police psychology social climate and police departments and media coverage this publication is an ideal reference source for law enforcement officers criminologists sociologists policymakers academicians researchers and students seeking current research on various aspects of police science

Critical Issues in Crime and Justice Dan Okada,Mary Maguire,Alexa Sardina,2018-09-10 Critical Issues in Crime and Justice Thought Policy and Practice provides an incisive overview of issues and perspectives in criminal justice and criminology designed to expand upon key areas of study With contributed essays

from leading scholars in the field the Third Edition illustrates the breadth of research policy and practice implications in areas such as crime theory law enforcement jurisprudence corrections and criminal justice organization and management New to this edition are chapters on wrongful convictions human trafficking and mental illness and criminal justice three critical issues facing contemporary policing courts and corrections The coverage of concepts insights voices and perspectives will challenge criminal justice and criminology students to synthesize what they have learned question standard interpretations and begin to create new directions and visions for their future careers as professionals in the field

The Cambridge Handbook of Forensic Psychology Jennifer M. Brown, Elizabeth A. Campbell, 2010-04-29 Forensic psychology has developed and extended from an original narrow focus on presenting evidence to the courts to a wider application across the whole span of civil and criminal justice which includes dealing with suspects offenders victims witnesses defendants litigants and justice professionals This Handbook provides an encyclopedic style source regarding the major concerns in forensic psychology It is an invaluable reference text for practitioners within community special hospital secure unit prison probation and law enforcement forensic settings as well as being appropriate for trainees and students in these areas It will also serve as a companion text for lawyers and psychiatric and law enforcement professionals who wish to be apprised of forensic psychology coverage Each entry provides a succinct outline of the topic describes current thinking identifies relevant consensual or contested aspects and alternative positions Readers are presented with key issues and directed towards specialized sources for further reference

The Peacebuilding Elements of the Belfast Agreement and the Transformation of the Northern Ireland Conflict Cornelia Albert, 2009 The aim of this book is to analyse whether the implementation of the peacebuilding elements of the Belfast Agreement contributed to the transformation of the protracted Northern Ireland Conflict Therefore this book deals with the following sections of the Agreement Rights Safeguards and Equality of Opportunity Decommissioning Security Policing and Justice and Prisoners The author comes to the conclusion that the majority of the peacebuilding elements contributed to the transformation of the Northern Ireland Conflict The results of the study were obtained in conducting interviews in consulting surveys and in studying reports and other relevant literature on the recent developments in Northern Ireland

Restorative Justice and Violence Against Women James Ptacek, 2009-11-16 Controversial and forward thinking this volume presents a much needed analysis of restorative justice practices in cases of violence against women Advocates community activists and scholars will find the theoretical perspectives and vivid case descriptions presented here to be invaluable tools for creating new ways for abused women to find justice

Critical Issues in Crime and Justice Mary Maguire, Dan Okada, 2014-11-11 A comprehensive provocative overview of the origins and present state of issues and perspectives in criminal justice and criminology from leading scholars in the field In this important book of essays leading scholars explore the gamut of topics in criminal justice and criminology examining both historical and contemporary material to illustrate the past and present of each topic covered Drawing on a

wide range of sources Mary Maguire and Dan Okada illustrate the breadth of research policy and practice implications in key areas of the field such as crime theory law enforcement jurisprudence corrections and criminal justice organization and management The coverage of concepts insights voices and perspectives is geared toward students with a background in criminal justice or criminology courses to challenge them to synthesize what they have learned to question standard interpretations and to begin to create new directions and visions for their future careers as professionals in the field

Forgiveness and Remembrance Jeffrey M. Blustein, 2014-05-01 Forgiveness and Remembrance examines the complex moral psychology of forgiving remembering and forgetting in personal and political contexts It challenges a number of entrenched ideas that pervade standard philosophical approaches to interpersonal forgiveness and offers an original account of its moral psychology and the emotions involved in it The volume also uses this account to illuminate the relationship of forgiveness to political reconciliation and restorative political practices in post conflict societies Memory is another central concern that flows from this since forgiveness is tied to memory and to emotions associated with the memory of injury and injustice In its political function memory of wrongdoing and of its victims is embodied in processes of memorialization such as the creation of monuments commemorative ceremonies and museums The book casts light on the underexplored relationship of memorialization to transitional justice and politically consequential interpersonal forgiveness It examines the symbolism and the symbolic moral significance of memorialization as a political practice reflects on its relationship to forgiveness and finally argues that there are moral responsibilities associated with memorialization that belong to international actors as well as to states

Breaking the Cycle of Mass Atrocities Marina Aksenova, Elies van Sliedregt, Stephan Parmentier, 2019-05-02 Breaking the Cycle of Mass Atrocities investigates the role of international criminal law at different stages of mass atrocities shifting away from its narrow understanding solely as an instrument of punishment of those most responsible The book is premised on the idea that there are distinct phases of collective violence and international criminal law contributes in one way or another to each phase The authors therefore explore various possibilities for international criminal law to be of assistance in breaking the vicious cycle at its different junctures

The Oxford Handbook of Criminology Mike Maguire, Rodney Morgan, Robert Reiner, 2007 teachers and students of criminology and is a sourcebook for professionals
