## **Restorative Justice Theoretical Foundations:**

Restorative Justice: Theoretical Foundations Elmar G. M. Weitekamp, Hans-Jürgen Kerner, 2012-12-06 This title explores the theoretical foundations of restorative justice. It looks at restorative justice philosophy and the ways in which models have been applied to adults, corporate crime, family violence, and to cases of extreme violence. **Restorative Justice:**

**Theoretical foundations** Elmar G. M. Weitekamp, Hans-Jürgen Kerner, 2012-12-06 This book brings together a selection of papers originally presented and discussed at the fourth international restorative justice conference held at the University of Tübingen. The contributors include many of the leading authorities in the field of restorative justice and they provide a comprehensive review of the theoretical foundations underlying this rapidly expanding movement. Restorative Justice: Theoretical foundations addresses a wide range of fundamental questions about restorative justice, considering amongst other things ways in which conceptual pitfalls can be avoided and how traditional models of peacemaking and healing developed in traditional societies can be integrated into the justice systems of late modern societies. Overall, it provides an authoritative overview of contemporary thinking about restorative justice and will be essential reading for anybody concerned with the future direction of criminal justice and criminal justice systems. Leading world authorities address the theoretical foundations of restorative justice, a rapidly expanding area within criminal justice. Includes chapters on restorative justice as applied to corporate crime, family violence, and cases of extreme violence. **Restorative Justice in Context**

Elmar G. M. Weitekamp, Hans-Jürgen Kerner, 2011 **Handbook of Restorative Justice** Gerry Johnstone, Daniel Van Ness, 2013-01-11 This book provides a comprehensive and authoritative account and analysis of restorative justice, one of the most rapidly growing phenomena in the field of criminology and justice studies. This book aims to meet the need for a comprehensive, reliable, and accessible overview of the subject. It draws together leading authorities on the subject from around the world in order to elucidate and discuss the key concepts and principles of restorative justice, explain how the campaign for restorative justice arose and developed into the influential social movement it is today, describe the variety of restorative justice practices, explain how they have developed in various places and contexts, and critically examine their rationales and effects. Identify and examine key tensions and issues within the restorative justice movement. Brings a variety of disciplinary and interdisciplinary perspectives to bear upon the understanding and assessment of restorative justice. The Handbook of Restorative Justice is essential reading for students and practitioners in the field. **Restorative Justice** Aida

Y. Hass-Wisecup, Caryn E. Saxon, 2021 Restorative Justice: Integrating Theory, Research, and Practice provides students, practitioners, and criminal justice professionals with a comprehensive introduction to restorative justice that combines theoretical foundations, guiding principles, empirical evidence, and real-world implementations of various restorative processes and practices. Through easy-to-navigate chapters, the authors present readers with information concerning how and why restorative practices are implemented within communities in order to expand and enhance conventional approaches to

crime prevention community building and criminal justice Though designed for the college classroom this text is an ideal and accessible introduction for anyone interested in exploring the philosophy evaluation and application of restorative justice In the second edition the authors have added new boxed features updated the text to reflect current information and statistics and expanded chapters relevant to the implementation of restorative practices in justice systems processes and movements

**New Directions in Restorative Justice** Elizabeth Elliott, Robert Gordon, 2013-06-17 This book is based on papers originally presented at the 6th International Conference on Restorative Justice in Vancouver It is concerned with several new areas of practice within restorative justice with sections on restorative justice and youth aboriginal justice and restorative justice victimization and restorative justice and evaluating restorative justice

**Restorative Justice and Practices in New Zealand** Gabrielle M. Maxwell, James H Liu, 2010-09-01 The quest for justice has been a powerful driving force in all human societies In recent times the notion of restorative justice has gained currency To achieve restorative justice all those affected by a crime must be involved in finding a solution one that repairs the harm and restores the broken relationships This means striving to rebuild the damaged lives not only of those who have suffered but also of those who have caused suffering to others It means that healing of hurts the reconciliation of offenders and victims and the eventual reintegration into the community of those who have offended as responsible and productive members of society This is no easy task But it is vital to building a cohesive inclusive and fair society Moreover restorative practices need not be limited to the criminal justice arena They are equally applicable in other fields of human endeavour where people have been harmed and where the restoration of broken relationships is needed This book provides an account of how restorative processes and practices are being applied in New Zealand in the justice system education civil disputes and governmental responses to historical wrongs It will be a valuable source of ideas and inspiration for all those who are seeking to build a more restorative society

**The Participation of Victims in International Criminal Proceedings** Alessandra Cuppini, 2022-09-30 This book argues that the expressivist justice model provides a meaningful foundation for the participation of victims in international criminal proceedings Traditional criminal justice theories have tended to marginalise the role afforded to victims while informing the criminal procedures utilised by international criminal courts As a result giving content to shaping and enhancing victims participatory rights have been some of the most debated issues in international criminal justice This book contributes to this debate by advancing expressivism which has the capacity to create a historical narrative of gross human rights violations as a core of international criminal justice able to provide a worthwhile basis for the participation of victims in proceedings and clarifying the scope and content of their participatory rights The work provides an in depth discussion on issues related to victims participatory rights from the perspective of international human rights law victimology and the philosophical foundation of international criminal justice The book will be a valuable resource for researchers academics and policymakers working in the areas of international criminal justice international human rights law transitional justice and conflict studies
