Ceramics and the Museum Laura Breen,2019-08-22 Ceramics and the Museum interrogates the relationship between art oriented ceramic practice and museum practice in Britain since 1970 Laura Breen examines the identity of ceramics as an art form drawing on examples of work by artist makers such as Edmund de Waal and Grayson Perry addresses the impact of policy making on ceramic practice traces the shift from object to project in ceramic practice and in the evolution of ceramic sculpture explores how museums facilitated multisensory engagement with ceramic material and process and analyses the exhibition as a text in itself Proposing the notion that gestures of showing such as exhibitions and installation art can be read as statements she examines what they tell us about the identity of ceramics at particular moments in time Highlighting the ways in which these gestures have constructed ceramics as a category of artistic practice Breen argues that they reveal gaps between narrative and practice which in turn can be used to deconstruct the art

Contemporary British Ceramics and the Influence of Sculpture Laura Gray,2018-01-02 This book investigates how British contemporary artists who work with clay have managed in the space of a single generation to take ceramics from niche interest craft to the pristine territories of the contemporary art gallery This development has been accompanied and perhaps propelled by the kind of critical discussion usually reserved for the higher discipline of sculpture Ceramics is now encountering and colliding with sculpture both formally and intellectually Laura Gray examines what this means for the old hierarchies between art and craft the identity of the potter and the character of a discipline tied to a specific material but wanting to participate in critical discussions that extend far beyond clay **An Easy Guide to Care for Sculpture and**
