Restoring Gods Glory The Present Day Rise Of Davids Tabernacle:

Restoring God's Glory David Blomgren, Maranatha Christian Centre, 1985 *A History of Contemporary Praise & Worship* Lester Ruth, Lim Swee Hong, 2021-12-07 Christianity Today 2023 Book Award Finalist History Biography New forms of worship have transformed the face of the American church over the past fifty years Drawing on a wide range of primary sources including interviews with dozens of important stakeholders and key players this volume by two worship experts offers the first comprehensive history of Contemporary Praise Worship The authors provide insight into where this phenomenon began and how it reshaped the Protestant church They also emphasize the span of denominational regional and ethnic expressions of contemporary worship **The Pentecostal World** Michael Wilkinson, Jörg Haustein, 2023-04-01 The Pentecostal World provides a comprehensive and critical introduction to one of the most vibrant and diverse expressions of contemporary Christianity Unlike many books on Pentecostalism this collection of essays from all continents does not attempt to synthesize and simplify the movement's inherent diversity and fragmented dispersion Instead the global flows of Pentecostalism are firmly grounded in local histories and expressions as well as the various modes of their worldwide reproduction The book thus argues for a new understanding of Pentecostal and Charismatic movements that accounts for the simultaneous processes of pluralization and homogenization in contemporary World Christianity Written by a distinguished team of international contributors across various disciplines the volume is comprised of six parts with each offering a critical perspective on classical themes in the study of Pentecostalism Led by a programmatic introduction the thirty six chapters within these parts explore a variety of themes history and historiography conversion spirit beliefs and exorcism prosperity politics gender relations sexual identities racism development migration pilgrimage interreligious relations media ecumenism and academic research The Pentecostal World is essential reading for students and researchers in anthropology history political science religious studies sociology and theology The book will also be very useful for those in related fields such as culture studies black studies ethnic studies and gender studies *Ken Sumrall and Church Foundational Network* Terry D. Shiver, 2015-12-04 This is the first extensive examination of the life of Ken Sumrall and his firm belief in the modern day apostolic restoration movement It presents Sumrall's journey from his Baptist beginnings through his experience of the baptism of the Holy Spirit through his learning struggles with Liberty Fellowship of Churches and Ministers and into his birthing of Church Foundational Network It represents Sumrall in his own light while dealing with his paradigm changes concerning church government the heart of which revolved around the restoration of modern day apostles Godly government was grounded in godly relationships with one's apostle whom Sumrall understood as a spiritual father For Sumrall the best biblical government for the New Testament church today is a theocracy Instead of a centralized hierarchical church government Sumrall advanced a decentralized network of churches connected relationally This volume contains the major influences upon Sumrall's thinking and the progress of his comprehension of the life of the church as family Moreover it

engages some of the apprehensions that have surfaced over the present day apostolic movement and provides insights of the direction and survivability of the movement

Obedience and Beyond Andrew

Picklyk, 2016-06-16 Obedience has always been considered a key aspect of faith obedience to the word and will of God If we do not do what is asked of us and avoid doing what is prohibited how can we say we truly follow His teachings How can we claim to believe in His wisdom and guidance And yet when one looks more deeply into His teachings scripture makes it clear that obedience is not enough It is simply the starting point in our journey a journey that will lead us to God and to becoming leaders in His sight To blindly do as we are told is a beginning but until we step into the kingship Jesus bought for us with his sacrifice at Calvary we have not truly earned the place God has reserved for us in His kingdom Christ asks us to follow Him until we learn to walk with Him until we learn to lead with a servant's heart But to do that we must look beyond what is easy or what is obvious We must do more than obey We must be more than servants following instructions Instead we need to think for ourselves and act for ourselves in accordance with his teachings In Obedience and Beyond his first published book Andrew Picklyk uses scriptures parables and personalized sermons to clearly illustrate exactly what is expected of us and how we can move beyond servitude and into the kingship God has intended for us
