Restoring the Early Church Mike Dowgiewicz, Sue Dowgiewicz, 1997-01-01      Breaking the Veil of Silence Jobst Bittner, 2013-07-11 The Veil of Silence concerns you more than you think You come across it at every turn whether in your personal life in your family in your church or congregation or in your cities and nations The Veil of Silence is the reason for inner coldness loneliness and the sense of being lost in darkness Once you break it you will be able to receive the immeasurable blessing of God and the authority to change your surroundings with His love Every nation carries its own burden of guilt and trauma that is passed down through the generations while a Veil of Silence prevents reconciliation healing and restoration The German pastor theologian and activist Jobst Bittner writes in the light of the experience of German history Hitler and the Holocaust caused a spiritual eclipse in Germany and covered entire generations with a Veil of Silence Today Germany is blessed and the country of unmerited grace If Breaking the Veil of Silence was possible in Germany how much more so in your life family and nation Through a captivating blend of history theology and psychology Jobst Bittner provides a brave discerning perspective on this Veil of Silence and proves that the weight of history can be lifted It is a powerful and practical intervention and spiritual guide to reclaim our authority by uprooting all destructive tendencies of covering up the past uncovering our own family history rediscovering the Jewish roots of our faith and moving forward into action Once the veil is lifted true healing restoration and change can begin      **The Westminster**, 1909

 Mount, the Twelve Steps, and the Royal Road** Daniel Hazelwood,2018-04-13 In The Sermon on the Mount the Twelve  
 Steps and the Royal Road Dan Hazelwood presents a unique blend of early church Christianity and the twelve step  
 recovering program that explains how the Christian experience changed over the last four hundred years and how the twelve  
 step process reconnects a spiritually seeking person to a deeper Christ experience that many mainstream churches cannot  
 duplicate In preparation for this journey into studying the sermon he takes the reader on a historical church odyssey and  
 highlights significant philosophical church and secular events that not only affected Christian thought but also were  
 significant in altering how current Christians view Christ He also demonstrates why early Christians viewed Christ differently  
 By providing this background he prepares the reader to study the sermon in a manner the early church did while  
 simultaneously demonstrating why the twelve steps represent a reconnection to an almost lost and forgotten Christ  
 experience Complementing this journey is an exhaustive examination of biblical Greek so that the reader may gain a deeper  
 understanding of the sermon in its original majestic splendor This challenging and thought provoking book unlocks the  
 deeper meanings of many biblical passages and greatly enhances a spiritual seekers walk      **Religious Telescope** ,1902
