Resurrecting Virgil:

Resurrecting Virgil Dorie LaRue, 2001-11 Winner of the Omaha Prize for Novel for the year 2000 selected by Mark Spencer A modern comic romance with a generous dollop of Southern Gothic *Resurrecting Virgil* will keep readers turning the pages long into the night

Resurrection Steve Alten, 2007-04-01 Once again in this follow up to *Domain* Steve Alten has ingeniously woven the mysteries of the past into a gripping and unforgettable vision of the future Mayan legend tells of the Hero Twins destined to confront the Lords of the Underworld and rescue their long lost father from the realm of darkness Merely a two thousand year old myth or a prophecy of an apocalyptic battle for the soul of mankind On December 21 2012 a date long foretold by the Mayan calendar Michael Gabriel disappeared from the face of the Earth after saving the entire planet from thermonuclear destruction Less than a year later his bereaved wife gave birth to twin sons both possessed of extraordinary mental and physical gifts Are these at last the Hero Twins And yet as crucial as the twins are they are not unique A third child was born on the same fateful day blessed or cursed with the same superhuman talent and potential Exposed to the uglier side of existence Lilith will travel down a darker path that leads to eon distant Xibalba the Mayan version of hell An epic battle of good versus evil will begin and the final fate of the human race will be revealed At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

Spenser's Ruins and the Art of Recollection Rebeca Helfer, 2006-01-01 Beginning with the origins of mnemonic strategies in epic tales Helfer examines how the art of memory speaks to debates about poetry and its place in culture from Plato to Spenser's present day

Italy and the Classical Tradition Bloomsbury Publishing, 2013-10-16 Italy's original fascination with its cultural origins in Greece and Rome first created what is now known as the Classical tradition the pervasive influence of ancient art and thought on later times In response to a growing interest in Classical reception this volume provides a timely reappraisal of the Greek and Roman legacies in Italian literary history There are fresh insights on the early study of Greek and Latin texts in post classical Italy and reassessments of the significance attached to ancient authors and ideas in the Renaissance as well as some innovative interpretations of canonical Italian authors including Dante Petrarch and Alberti in the light of their ancient influences and models The wide range of essays in this volume all by leading specialists should appeal to anyone with an interest in Italian literature or the Classical tradition Italy's early fascination with its Hellenic and Roman origins created what is now called the classical tradition This book focuses on the role of the Greek and Latin languages and texts in Italian humanist thought and Renaissance poetry how ancient languages were mastered and used and how ancient texts were acquired and appropriated Fresh perspectives on the influences of Aristotle Plutarch and Virgil accompany innovative interpretations of canonical Italian authors including Dante Petrarch and Alberti in the light of their classical models Treatments of more specialized forms of writing such as the cento and commentary and some opening chapters on linguistic history also prompt reassessment of Renaissance perceptions of both Greece and Rome in relation to

early modern Latin and vernacular culture The collection as a whole highlights the importance of Italy's unique legacy of antiquity for the history of ideas and philology as well as for literary history The essays in this volume all by leading specialists are supplemented by a detailed introduction and a subject bibliography The Resurrection of the Messiah Christopher Bryan, 2011-04-05 In The Resurrection of the Messiah Christopher Bryan combines literary historical and theological approaches in a study of the doctrine of the Resurrection The book is divided into three parts The first section provides a careful and sympathetic description of first century Jewish and pagan opinions and beliefs about death and what might follow This is followed by a presentation of a general account of early Christian claims about the death and resurrection of Jesus of Nazareth The second part of the book offers a detailed full length commentary on and exegesis of the main New Testament texts that speak of Jesus death and resurrection 1 Corinthians 15 and the narratives in the four canonical gospels As a framework for this commentary Bryan utilizes the pattern of apostolic preaching presented by Paul and then echoed by each of the four evangelists namely the formula Christ died Christ was buried Christ has been raised Christ appeared The final section of the book is spent discussing and evaluating various proposals that have been made by those attempting to explain the data in ways that differ from the traditional Christian explanation Bryan also considers various theological and ethical implications of accepting the claim Jesus Christ has been raised from the dead Throughout his study Bryan exhibits a willingness to face hard questions as well as an appropriate reverence for a faith that for almost two thousand years has enabled millions of people to lead lives of meaning and grace Death, Resurrection, and Human Destiny David Marshall, Lucinda Mosher, 2014-04-29 Death Resurrection and Human Destiny Christian and Muslim Perspectives is a record of the 2012 Building Bridges seminar for leading Christian and Muslim scholars convened by Rowan Williams then Archbishop of Canterbury The essays in this volume explore what the Bible and Qur'an and the Christian and Islamic theological traditions have to say about death resurrection and human destiny Special attention is given to the writings of al Ghazali and Dante Other essays explore the notion of the good death Funeral practices of each tradition are explained Relevant texts are included with commentary as are personal reflections on death by several of the seminar participants An account of the informal conversations at the seminar conveys a vivid sense of the lively penetrating but respectful dialogue which took place Three short pieces by Rowan Williams provide his opening comments at the seminar and his reflections on its proceedings The volume also contains an analysis of the Building Bridges Seminar after a decade of his leadership **From Here to Eternity: Reflections on Death, Immortality, and the Resurrection of the Body** Randall B. Smith, 2023-01-27 Throughout history and across cultures people have shared the hope and the belief that somehow something about the human person survives death Indeed it seems that without a notion of life after death this life would seem meaningless If in the end everything we have strived for and all our love comes to naught and is simply swallowed up by nothingness then what was the point of it all In From Here to Eternity Randall Smith shows how the

Christian doctrines regarding the resurrection of the body and the communion of saints provide an understanding of life after death as a meaningful fulfillment of this life not a negation of it

Risen Indeed? Resurrection and Doubt in the Gospel of Mark Austin Busch, 2022-08-05 Risen Indeed Resurrection and Doubt in the Gospel of Mark traces the literary dynamics and explores the theological dimensions of the Gospel of Mark's thematization of skepticism regarding resurrection In every place where it seems to depict resurrection Jesus's and others Mark evades the issue of whether resurrection actually occurs Austin Busch argues that despite Mark's abbreviated and ambiguous conclusion this gospel does not downplay resurrection but rather foregrounds it imagining Jesus's death and restoration to life as a divine plot to overcome Satan through cunning deception Risen Indeed constitutes a careful literary reading of Mark's Gospel as well as an assessment of Mark's impact on the traditions of Christian literature and theology that emerged in its wake

Marx's Resurrection of Aristotle Norman Levine, 2021-01-24 This book seeks to show how Karl Marx's vision of communism was a continuation of Aristotle's classical humanist philosophy Challenging the Engelsian distortion of Marx it presents a negation of previous interpretations of Marx which present him in materialist terms Engels proposed a picture of the highest stage of communist society as an economic egalitarianism a vision which became an axiom of Leninist Stalinist Soviet Communism By contrast here it is shown that Marx embraced the Aristotelian concept of distributive justice of proportionate equality Spanning the works of Marx from his university education and doctoral dissertation on the differences between the Democritean and Epicurean philosophy of the atom to the study of his Rheinische Zeitung period and the persistence of classical humanism in Marx's defense of the freedom of the press Levine skillfully reveals the gravitational pull between Marx and Aristotle Showing how classical humanism is the dominant ethos in the communism of Marx the book includes chapters on Hegel as a transition point between Aristotle and Marx The links between Marx's theory of labor and Aristotle's idea of the constitutive subject located in The Politics How the local methodologies of Aristotle and Hegel provided Marx with the social methodologies by which to interpret the functioning of capitalism Marx's Resurrection of Aristotle is the culmination of Norman Levine's life long work to establish the correct placement of Marx and Marx's communism within the classical humanist tradition

The Gospel of God David R. Wallace, 2008-09-01 When Paul pens his letter to the Roman believers he writes as a missionary to strengthen a church at the center of imperial power choosing language that is familiar to his recipients Paul responds not only to the influence of Judaism but also to the wider culture by contrasting prominent Roman values David Wallace argues that Paul's gospel in Romans rejects and countervails the significant themes of Virgil's Aeneid the most well known prophetic source that both proclaimed Roman ideology and assured Roman salvation After demonstrating that a close but nonauthoritarian relationship existed between Augustus and Virgil Wallace examines relevant literary aspects symbolism and key imagery of Virgil's epic A discussion of Paul's contraliterary approach follows drawing out possible parallels and echoes in Romans against the universal message of the Aeneid

Resurrection and Reception in Early Christianity Richard C.

Miller,2014-12-17 This book offers an original interpretation of the origin and early reception of the most fundamental claim of Christianity Jesus resurrection Richard Miller contends that the earliest Christians would not have considered the New Testament accounts of Jesus resurrection to be literal or historical but instead would have recognized this narrative as an instance of the trope of divine translation common within the Hellenistic and Roman mythic traditions Given this framework Miller argues early Christians would have understood the resurrection story as fictitious rather than historical in nature By drawing connections between the Gospels and ancient Greek and Roman literature Miller makes the case that the narratives of the resurrection and ascension of Christ applied extensive and unmistakable structural and symbolic language common to Mediterranean translation fables stock story patterns derived particularly from the archetypal myths of Heracles and Romulus In the course of his argument the author applies a critical lens to the referential and mimetic nature of the Gospel stories and suggests that adapting the translation fable trope to accounts of Jesus resurrection functioned to exalt him to the level of the heroes demigods and emperors of the Hellenistic and Roman world Miller s contentions have significant implications for New Testament scholarship and will provoke discussion among scholars of early Christianity and Classical studies

Theological and Philosophical Explorations of the Call of Literature David Lonsdale,Emilia Di Rocco,Brett H. Speakman,2025-05-23 This book explores the call of literature for both writers and their audiences and reflects on how literary works have informed and drawn from and continue to inform and draw from theology philosophy and sacred scripture Key questions addressed include the following How do creative writers and critics conceive this call What does it mean to speak of a vocation to write and what have theologians and philosophers got to say on the matter Is the spirit of literature always or necessarily an angel of light Or is the call of literature a siren song The essays by an international and interdisciplinary range of contributors discuss the work and testimony of writers from William Blake Gerard Manley Hopkins and R S Thomas to James Joyce Virginia Woolf and Michel Houellebecq Also examined are the ideas and influence of figures such as John Henry Newman who wrote that the importance of literature stems from our very nature and God given powers as human beings especially language This latest volume from The Power of the Word Project will be of interest to scholars from theology philosophy and literature

Resurrection Row Anne

Perry,2011-06-14 Some bodies just won't stay buried For readers longing to be in 1890s London Perry's tales are just the ticket Chicago Tribune Lord Fitzroy Hammond of Resurrection Row has been dead and buried three weeks when he turns up sitting atop a hansom cab Grave robbing though a crime isn't Inspector Thomas Pitt's usual fare But when the macabre joke is repeated and the man's corpse is found sitting in the family pew the Sunday following his second interment Pitt begins to wonder if perhaps there's some message in it The case grows increasingly bizarre as other disinterred bodies appear A new mother Charlotte Pitt only takes a cursory interest in the grave robbing case until she hears Thomas mention the name of her late sister's husband Dominic Corde as a possible suspect As Pitt follows leads into the slums and rookeries Charlotte too is drawn into the politics and horrors of greed and exploitation For Pitt and Charlotte what begins as a mysterious case of musical corpses becomes a deadly pursuit through the London underworld of pornographic photographers brothels and sweatshops The Reiterated Resurrection Albertin I. Resurrection of Jesus Michael R Licona,2020-05-21 The question of the historicity of Jesus resurrection has been repeatedly probed investigated and debated And the results have varied widely Perhaps some now regard this issue as the burned over district of New Testament scholarship Could there be any new and promising approach to this problem Yes answers Michael Licona And he convincingly points us to a significant deficiency in approaching this question our historiographical orientation and practice So he opens this study with an extensive consideration of historiography and the particular problem of investigating claims of miracles This alone is a valuable contribution But then Licona carefully applies his principles and methods to the question of Jesus resurrection In addition to determining and working from the most reliable sources and bedrock historical evidence Licona critically weighs other prominent hypotheses His own argument is a challenging and closely argued case for the historicity of the resurrection of Jesus the Christ Any future approaches to dealing with this prize puzzle of New Testament study will need to be routed through The Resurrection of Jesus **Death**

Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources

that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Death, Resurrection, and Transporter Beams Silas N. Langley, 2014-08-22 What has Star Trek to do with eternal life It provides the perfect metaphor for understanding the main Christian views concerning what happens to us when we die In this book Silas Langley uses the Star Trek transporter beam to explain five main Christian views about life after death Each of us lives with some personal answer to the universal question of what comes after death Even among Christians views differ as to what exactly happens when we die Meanwhile the modern secular world increasingly challenges the possibility of life after death How can we live again after we die if much of science and philosophy suggests that all that we are dies with our bodies This book shows how each of these views responds to these challenges Death Resurrection and Transporter Beams sorts out these disagreements and their biblical grounding These differences matter since they bear on who we are and how we are to live our lives Readers will come away with a clearer understanding of their own beliefs on this topic and with tools to enter into dialogue with people whose beliefs differ
