Resurrection and Renewal Abbas Amanat, 1989 Resurrection and Renewal reflects extensive research by the author in the numerous Babi and Baha i manuscript histories From these he has succeeded in extracting much useful information and presenting it in an interesting and informative manner The Middle East Journal In historical writing of rare power Abbas Amanat conveys the elation and terror that attend the birth of a new religious faith Amanat here tells the story of the emergence of Babism the forerunner of the Baha i religion in the mid nineteenth century its rapid spread into various sectors of Iranian society and its fatal confrontation with the clerical establishment and the Qajar state A History of Slavery and Emancipation in Iran, 1800-1929 Behnaz A. Mirzai, 2017-05-16 The leading authority on slavery and the African diaspora in modern Iran presents the first history of slavery in this key Middle Eastern country and shows how slavery helped to shape the nation s unique character **The Political Dimensions of Religion** Said Amir Arjomand, 1993-01-01 This volume explores the relationship between religion and politics It brings a varied sample of richly detailed comparative and case studies together with a set of analytical paradigms in an integrated framework It is a major statement on a timely subject and a plea for the acknowledgment of normative pluralism as firmly rooted in the history of religion The editor shows that the fact of political diversity in the history of world religions compels the acceptance of pluralism as a normative principle **The Sources for Early Bābī Doctrine and History** MacEoin, 2022-08-01 The religious movement known as B bism profoundly affected Iranian society during the 1840s After a lengthy hiatus academic study of the sect has entered a new phase with the appearance of several important books articles and theses The present work surveys Persian and Arabic manuscripts relating to the history and doctrines of the sect Part one examines the writings of the B b and his followers Part two analyses primary and secondary sources for B b history with a discussion of the controversial Kit b i Nuq at al k f Discussion of each title is followed by a comprehensive listing of known MS copies An appendix contains an index of first lines and titles for works of the B b This is the first study to examine the large corpus of B b writing and will help scholars identify texts and find manuscripts in Europe and the Middle East *Private Sins, Public Crimes* Martin Mittelmeier, 2024-11-12 A groundbreaking scholarly study of crime and punishment in Qajar Iran Drawing on a rich array of primary sources in multiple languages Farzin Vejdani argues that the ambiguity in defining the boundaries between private and public in Qajar Iran often corresponded with the jurisdictional friction between government authorities and religious scholars regarding who had the authority to police and punish public crimes This ambiguity had implications for the spaces in which illicit acts were carried out private parties in domestic residences where music alcohol and prostitution were present were often tolerated by local police officials but raised the ire of religious authorities and their followers who raided these residences ironically in violation of strong Islamic norms of privacy Crimes that were manifest but remained unpunished triggered a crisis of legitimacy that often coincided with upstart Islamic religious scholars challenging the state s authority Even when the government had every

intention of punishing a crime convicted criminals sought shelter in sanctuaries including shrines mosques royal stables and telegraph offices which were even more inviolable than private residences This inviolability grounded in both Islamic prohibitions of violence on sacred grounds and Iranian imperial traditions of redress allowed criminals to negotiate a lesser sentence safe passage for voluntary exile or forgiveness *Resurrection and Renewal* Abbas Amanat,2005 Classes of Ladies of Cloistered Spaces Marilyn Booth,2015-01-20 Zaynab Fawwaz c 1860 1914 was as a forceful voice in support of women s rights to education and work choices in colonial era Egypt Her volume of 453 women s lives al Durr al manthur fi tabaqat rabbat al khudur Pearls scattered in times and places *Classes of ladies of cloistered spaces* 1893 6 featuring Boudicca Catherine the Great Zaynab the granddaughter of the Prophet Muhammad Victoria Woodhull the Turkish poet Sirri Hanim and many others built on the Arabic Islamic biographical tradition to produce a work for women in the modern era grafting European Turkish Arab and Indian life narratives amongst others onto Arabic literary patterns In *Classes of Ladies of Cloistered Spaces* Marilyn Booth argues that Fawwazs work was less exemplary biography than feminist history in its exploration of achievement but also of patriarchal trauma in the lives of women across times and places She traces Fawwazs creative use of her sources her presentation of biographical narratives in the context of the political essays she wrote in the Arabic press her publicised dialogue with the President of the Board of Lady Managers of the 1893 World Columbian Exposition where she attempted to send the volume and how her inscription of a feminine ancient history diverged from that of men writing history in 1890s Egypt **Both Eastern and Western** Afshin Matin-Asgari,2018-08-16 Since the Iranian Revolution of 1979 many Western observers of Iran have seen the country caught between Eastern history and Western modernity between religion and secularity As a result analysis of political philosophy preceding the Revolution has become subsumed by this narrative Here Afshin Matin Asgari proposes a revisionist work of intellectual history challenging many of the dominant paradigms in Iranian and Middle Eastern historiography and offering a new narration In charting the intellectual construction of Iranian modernity during the twentieth century Matin Asgari focuses on broad patterns of influential ideas and their relation to each other These intellectual trends are studied in a global historical context leading to the assertion that Iranian modernity has been sustained by at least a century of intense intellectual interaction with global ideologies Turning many prevailing narratives on their heads the author concludes that modern Iran can be seen as culturally and intellectually both Eastern and Western **Classes of Ladies** Marilyn Booth,2015-01-20 Zaynab Fawwaz c 1860 1914 was a forceful voice in support of women s rights to education and work choices in colonial era Egypt This book explores the writing and influence of her landmark piece al Durr al manthur fi tabaqat rabbat al khudur the first Arabic language global biographical dictionary of women **Zwischen Chiasmus und Staatsräson** Farida Stickel,2019-01-14 Die Arbeit geht dem religiösen Wandel in Iran unter den Safaviden nach Dabei wird nicht die Verkündung der Schia als offizieller Religion 1501 in den Mittelpunkt gestellt Vielmehr werden die Safaviden kontextualisiert der religiöse Wandel selbst anhand
