Resurrection And The Message Of Easter:

Resurrection and the Message of Easter Xavier Léon-Dufour, 1974 **Hope in Times of Fear** Timothy Keller, 2021-03-04

The resurrection of Jesus is at the heart of the Christian faith bringing God's power which will some day heal and renew the world into our lives now. That power is here only partially but substantially and this gives Christians a realistic but irrepressible hope. It is a hope for change in our lives and in our society, a hope that changes Christians in every way, shaping every aspect of our lives. But it is only together with the cross that we see the particular way resurrection hope shapes us. We are delivered by a Saviour who triumphed through weakness and loss, who came to riches through becoming poor and to exalted life through the experience of death. And having come to new life by admitting our own weakness and inability to save ourselves, we live the rest of our lives according to this pattern: the way up is to go down, the way to true power and influence is to serve, the way to be truly rich is to give all we have, the way to real happiness is to work for the happiness of others. Hope in Times of Fear unlocks the meaning of both the cross and Jesus' resurrection. Here the central message of the Christian faith is revealed with unshakable belief, piercing insight and a profound message of hope for the world.

Easter Faith Gerald O'Collins, 2003

Belief in the resurrection of Jesus is central to the Christian faith. But how sure can we be that this belief is well founded? In *Easter Faith*, one of the most distinguished Catholic biblical scholars and theologians of our time, draws on a lifetime's study and research to review the evidence for the credibility of the resurrection. The result is a lucid and elegant work that brings together biblical scholarship, theology and lived experience into a unique and compelling portrait of the Easter faith of the Christian community.

From Tomb to Text Christina Petterson, 2016-12-01

The idea of writing plays a central role in John. Apart from the many references to scriptural texts, John emphasizes the role of writing in the inscription on the cross and in its own production. Petterson's *From Tomb to Text* examines what this means for the understanding of the Johannine Jesus in two interrelated ways. First, Petterson takes these claims to revelation through writing seriously, noting the immense effort expended by biblical scholars in order to dismiss them and to produce a canonically palatable John. With few exceptions, Johannine studies have consistently attempted to domesticate or tame John's book through reference to and in harmony with an externalized historical reality or with a synoptic pattern. Second, the study suggests alternative ways of understanding John once this synoptic compulsion has been dissolved. Petterson argues that John's Jesus is unacceptable to the project for the recovery of Early Christianity as imagined in Johannine research over the last 70 years or so. Instead, she shows how John produces himself as the vehicle of Jesus' revelation in place of a body. This takes place through its use of writing, its characteristic use of verbs and syntax and its mode of revelation. The book thus situates John in a context that does not begin with and thus attempts to be unconstrained by fixed categories of Christ, gnosticism, Eucharist, body and flesh, and shows how such readings curtail the fullness of the text in favour of a more familiar earthly Jesus. Petterson concludes by outlining ways in which John can be read if these containment strategies are disregarded.

Beyond Belief Robert P. Vande Kappelle,2012-09-17 The current age marks the transition from modernity to postmodernity a period as impactful to the Western sensibility as any previous era The role of religion and the future of Christianity are at stake At this time of transition many thoughtful individuals find themselves at a quandary having reached a critical stage in their spiritual journey Prompted by academia science reason culture and their own experience they feel compelled to choose between the beliefs they inherited as children and the claims of science reason pluralism and secularism Beyond Belief suggests that one need not take an either/or approach on these issues there is a better way one that embraces adventure and ambiguity science and religion reason and faith evolution and creation and finds ways to live creatively with realities for which there are no easy explanations Building on a paradigmatic journey of faith that involves three stages

precritical critical and postcritical understanding Beyond Belief describes the quest for God and for authentic faith in the twenty first century The key point for this understanding is to replace belief with faith acknowledging that belief in doctrines is not central since they are themselves unprovable This new theological perspective requires rethinking many of our cherished doctrines including our understanding of God Jesus Scripture prayer miracles and revelation

The Risen Jesus and Future Hope Gary R. Habermas, 2003 Always be prepared wrote the apostle Peter to give an answer to everyone who asks you to give the reason for the hope that you have Reading and digesting this book will help Gary R Habermas begins his apologetic for Christianity by demonstrating the historicity of the resurrection of Christ He then connects the resurrection to several key tenets of Christian theology through paths not only historical but also philosophical counseling and experiential The resurrection Habermas shows is the central belief for every Christian whether that person believes it was an actual historical event or not But it is Habermas illustration that Jesus quite literally rose bodily from the dead that makes this book so unique The resurrection is not only the foundation for Christian belief past and present but also the basis for future hope What for instance does the resurrection of Jesus have to teach us about our own fear of death Habermas answers to this and other questions proves how essential the resurrection is to living a Christian life and gives us great hope for the future
