Resurrection Days:

The Qur'an M. A. Abdel Haleem, 2010-04-08 accurate sensitive well annotated English translation of the Qur'an Scotland on Sunday **Three Prophetic Days** William Fredrick, 1900 **Aids to Common Worship**, 1887 **The Qur'an**, 2010-04-08 The Qur'an believed by Muslims to be the word of God was revealed to the Prophet Muhammad 1400 years ago Recognized as the greatest literary masterpiece in Arabic the sacred text has nevertheless remained difficult to understand in its English translations First published in 2004 M A S Abdel Haleem's translation has been acclaimed for its success in avoiding archaism and cryptic language to produce a version that is both faithful to the original and easy to read Now for the first time it is published with the original Arabic text to give a greater appreciation and understanding of the holy book The traditional Arabic calligraphic pages are displayed alongside the English translation which has been revised for this new edition This fine binding edition features leather binding gold page edges a ribbon marker and a slip case A useful general introduction on the revelation stylistic features issues of interpretation and translation of the Qur'an is included together with summaries of each sura essential footnotes and an index The verses are individually numbered to facilitate comparison with the Arabic It is an edition both for those familiar with the Qur'an and for those coming to it for the first time the message of the Qur'an was directly addressed to all people regardless of class gender or age and this dual language edition is equally accessible to everyone Mark Robert H. Gundry, 2000-05 This monumental work presents a careful well argued alternative reading of the Greek text of Mark a reading that pays special attention to such literary devices as word order chiasm inclusio asyndeton and the historical present tense Driving the commentary is Gundry's provocative seldom defended thesis that Mark's Gospel constitutes a straightforward apology for the shameful manner of Jesus' death as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life Sure to become recognized as the heavyweight English commentary on the Gospel of Mark This massive commentary rich with exegetical detail and critical assessment of the secondary literature makes an important contribution not only to Markan research but also to the study of the historical Jesus Christian Scholars Review **The Lord's Day in Scripture** Rodney D. Nelson, 2019-09-18 What is the Christian Lord's Day Why is it of continued importance What does it represent These and other questions will be addressed in *The Lord's Day in Scripture* The Lord's Day is the scriptural name for the Christian day of worship on the first day of the week The Lord's Day is the Lord's Day the day of which the Lord Jesus Christ took possession by his resurrection on the first day of the week The day of Christ's resurrection was prophesied in the Old Testament to be on the third day fulfilled in the New Testament on the first day of the week and celebrated as the Lord's Day Therefore the time of the resurrection is directly connected to the event of the resurrection The Lord's Day in Scripture establishes the scriptural basis for the Lord's Day It seeks to help each Christian appreciate worship fellowship and meaning in church through a better understanding of what the Lord's Day is and is not **The Ministry of the Word, Vol. 28, No.**
