The Rapture: Don't Be Deceived Billy Crone,2016-07 If there s one thing you don t want to be deceived about in life it s the Biblical truth concerning the Rapture The Bible says that for those who are left behind after this next great event on God s end time prophetic calendar they will be thrust into the 7 year Tribulation which is not a party Rather it s an outpouring of God s wrath upon this wicked and rebellious planet which will soon turn into mankind s greatest nightmare Unfortunately there seems to be multitude of opinions out there concerning the purpose and timing of the Rapture which is starting to cause a lot of unnecessary confusion and division Therefore The Rapture Don t Be Deceived takes a detective s approach towards the Biblical teaching of the Rapture and examines the many Scriptural facts surrounding it

Williams,2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and

then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Jean-Luc Nancy and Christian Thought Christina Smerick,2017-12-06 Jean Luc Nancy and Christian Thought explores Nancy s deconstruction of Christianity via the various bodies of Christ that accumulate in Christian doctrine specifically the incarnated body the resurrected body and the body of Christ the church The work ties Nancy s deconstruction to the writings of the early church demonstrating that the seeds of auto deconstruction are indeed sown in the doctrines of Western Christianity It then provides brief sketches of current theological works that touch upon similar deconstructive themes Thus the work aims to flesh out Nancy s deconstruction for the non theologian tying his complex scans of Christian thought to early patristics and also aims to help theologians unfamiliar with deconstruction or with Nancy s work recognize the value of the deconstructive method for unpacking Christian doctrine and practice This book will be of interest to philosophers of religion hermeneutics and post Frankfurt School critical theory and theologians interested in current French philosophy of religion

How to Ruin Your Education and TV Viewing Spencer D. Gear,2022-03-31 What will you do as a parent if your fourteen year old comes home from school and says You and the teachers have been telling me Columbus discovered the Americas You ve lied to me because that isn t true There are no such things as facts and I decide the meaning of what is written in my textbooks I m the one who chooses the interpretation of any writing including history and the stories of Columbus How are you going to answer especially in light of what the Encyclopaedia Britannica states about Columbus This book examines how historical Jesus scholar John Dominic Crossan has dismantled education TV viewing by application and religious studies with his postmodern deconstruction of the text His theme is I formulate it here as I see it Texts and interpretations are out of the mind of Crossan Using a hypothesis testing technique the author challenges Crossan s perspective that Jesus s resurrection was an apparition and not a bodily resurrection Even though he calls on others to First read the text that is not what he does The philosophical crusher has found him out to be contradictory in his assessment of history in his autobiography and his own writings on the historical Jesus

Getting at Jesus Peter S. Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus

Raised according to the Scriptures S. D. Ellison,2024-04-18 Jesus made many startling claims Among the most startling however must be his

assertion that the Law the Prophets and the Psalms contain things written about him Ask any Christian to point to Old Testament verses that contain things written about Jesus and you ll see just how startling a claim this is The first Christians however faced no such problem As the book of Acts demonstrates the early church preached Jesus from the Old Testament In fact in 1 Corinthians 15 Paul tells us that Jesus not only died according to the Scriptures but that he was raised according to the Scriptures Paul asserts here that the Old Testament foretells Jesus s resurrection Contemporary scholars will warn us to be wary about reading Jesus back into the Old Testament They ll suggest that resurrection and the afterlife is an alien concept in the Old Testament Paul however clearly invites us to search the Scriptures for precursors promises and prophecies about the resurrection So let s follow the lead of Paul and find Easter in the Old Testament

The Bible and Art Janet Mellor,2016-02-29 This book explores the

revelation of God's love in the mystery of the covenant and shows how this potent theological concept has inspired artists through the ages to reflect on the nature of divine interaction with mankind. It traces the development of the covenantal relationship between God and the Jewish people as given in the Hebrew Scriptures and examines the Christian concept of the New Covenant portrayed by Gospel writers and those of the early Church in the New Testament. Alongside this, the book matches a variety of artistic work in which these texts are made visible. The reference to over 300 works of art is a mere sample and will inspire readers to research this hugely rich resource both for their own interest and for use in teaching about the Christian faith and its important Jewish roots. Learning in the contemporary world often lifts the emphasis from mere words to illustration and this book shows clearly that throughout history the Christian world has sought to use art to aid understanding of biblical texts. Art continues to be used hand in hand with the Scriptures in present-day classrooms as well as in group and individual study. This volume provides a basis for the exploration of God's love in his covenantal relationship with the People of God, ancient and modern, and will serve to inspire an investigation of the huge range of artistic interpretation which is available through twenty-first-century technology.
