Retail Entertainment:

Shopping Environments Peter Coleman, 2007-06-07 Shopping centers have become the most common of shopping environments and have influenced the make up of cities around the world However in recent years the enclosed mall has evolved and diversified with new types of retail environments that were developed to better suit their locale and meet public expectation This design guide has over 600 illustrations that present the core values and considerations that make a successful retail center location catchment user needs as well as access and layout Covering everything from site master planning to the essentials of public facilities and the technical systems this is essential reading for architects of contemporary shopping centers A series of international examples showcasing different types of shopping environments are included to cover the wide range of designs that have occurred in recent years From the out of town mall to retail parks and mixed use town center developments the best of contemporary design is illustrated to provide both practical information and inspiration

Shopping as an Entertainment Experience Mark Howard Moss, 2007-01-01 Shopping as an Entertainment Experience explores the ways in which shopping has become a significant entertainment feature in our daily lives Dr Mark H Moss examines the department store the mall and the e store to demonstrate how shopping is often the most common leisure experience that people indulge in to occupy themselves This unique book focuses on the historical evolution of shopping environments into contemporary entertainment or cultural zones Through a phenomenological framework Moss analyzes the way stores outlets and restaurants in malls mingle and merge aspects of consumption and merchandising Shopping as an Entertainment Experience appeals to sociologists cultural theorists and those interested in popular culture
