AND PROBATION  
RESPONSE

**AUDREY MULLENDER**

# Rethinking Domestic Violence The Social Work And Probation Response

**Laura L. Finley**

## **Rethinking Domestic Violence The Social Work And Probation Response:**

Rethinking Domestic Violence , **Rethinking Domestic Violence** Audrey Mullender,2002-09-11 This book explodes the myths concerning domestic violence and explores how the responses of social workers and probation officers to the people involved need to be far better coordinated and more effective

**Rethinking Domestic Violence** Donald G. Dutton,2011-01-01 Rethinking Domestic Violence is the third in a series of books by Donald Dutton critically reviewing research in the area of intimate partner violence IPV The research crosses disciplinary lines including social and clinical psychology sociology psychiatry affective neuropsychology criminology and criminal justice research Since the area of IPV is so heavily politicized Dutton tries to steer through conflicting claims by assessing the best research methodology As a result he comes to some very new conclusions These conclusions include the finding that IPV is better predicted by psychological rather than social structural factors particularly in cultures where there is relative gender equality Dutton argues that personality disorders in either gender account for better data on IPV His findings also contradict earlier views among researchers and policy makers that IPV is essentially perpetrated by males in all societies Numerous studies are reviewed in arriving at these conclusions many of which employ new and superior methodologies than were available previously After twenty years of viewing IPV as generated by gender and focusing on a punitive law and order approach Dutton argues that this approach must be more varied and flexible Treatment providers criminal justice system personnel lawyers and researchers have indicated the need for a new view of the problem one less invested in gender politics and more open to collaborative views and interdisciplinary insights Dutton s rethinking of the fundamentals of IPV is essential reading for psychologists policy makers and those dealing with the sociology of social science the relationship of psychology to law and explanations of adverse behaviour

*Social Work, Domestic Violence and Child Protection* Catherine Humphreys,2000-01-26 Describes the different types of coral reefs and the creatures that live in them Includes related activities

*Developing Research Based Social Work Practice* Joan Orme,David Shemmings,2018-06-26 This book explores how research can improve the quality of social work It provides an overview of the core theoretical concepts and the processes and practices in undertaking research Locating the place of social work research within the social sciences this innovative book promotes critical debate to strengthen both the research base and day to day practice It is designed to encourage reflective research practitioners professionals who are both critically reflective and research aware and does so by Presenting a range of approaches within research Highlighting distinctive aspects of social work research such as emancipatory Research and researching sensitive topics Reflecting on the strengths of research and identifying how to utilise findings Introducing beginning researchers to the rationales for undertaking research Highlighting the importance of how research informs practice this book is essential reading for students on qualifying and post qualifying courses practitioners managers and policy makers

**Domestic Violence and Psychology** Paula Nicolson,2010-12-14 This book rethinks the

way psychological knowledge of domestic violence has typically been constructed It puts forward a psychological perspective which is both critical of the traditional woman blaming stance as well as being at odds with the feminist position that men are wholly to blame for domestic abuse and that violence in intimate relationships is caused by gender power relations It is rather argued that to neglect the emotions experiences and psychological explanations for domestic violence is to fail those who suffer and thwart attempts to prevent future abuse Paula Nicolson suggests that domestic violence needs to be discussed and understood on several levels material contexts including resources such as support networks as well as the physical impact of violence the discursive as a social problem or gendered analysis and the emotional level which can be both conscious and unconscious Drawing on the work of scholars including Giddens Foucault Klein and Winnicott and using interview and survey data to illustrate its arguments Domestic Violence and Psychology develops a theoretical framework for examining the context intentions and experiences in the lives of women in abusive relationships the men who abuse and the children who suffer in the abusive family As such this book will be of great interest to those studying social and clinical psychology social work cultural studies sociology and women s studies

**Researching Gender Violence** Tina Skinner, Marianne Hester, Ellen Malos, 2013-01-11 In this edited collection leading authors in the field draw on their experience to address key methodological questions and challenges that have arisen from the recent proliferation of research projects and government funded initiatives on violence against women Topics include evaluation research and feminist methodology using quantitative and qualitative approaches ethics safety and access in sensitive research interviewing practitioners perpetrators policy makers and survivors including children women and young people utilising discourse analysis to interpret data undertaking cross national and comparative research practical guidelines for practitioners academics wishing to consult with women survivors gearing research to facilitate positive change in policy and practice and using the media for dissemination increased focus on gender related violence politically and academically this book addresses head on the complex methodological issues involved leading experts in the field as contributors

*Men, Masculinities and Intimate Partner Violence* Lucas Gottzén, Margunn Bjørnholt, Floretta Boonzaier, 2020-11-05 Men Masculinities and Intimate Partner Violence examines how gender and other social identities and inequalities shape experiences of and responses to violence in intimate relationships It provides new insights into men as both perpetrators and victims of violence as well as on how to involve men and boys in anti violence work The chapters explore partner violence from the perspectives of researchers therapists activists organisations media as well as men of different background and sexual orientation Highlighting the distinct and ambivalent ways we relate to violence and masculinity this timely volume provides nuanced approaches to men masculinity and intimate partner violence in various societies in the global North and South This book foregrounds scholarship on men and masculinities in the context of intimate partner violence By doing so it revitalises feminist theorising and research on partner abuse and brings together the fields of masculinity studies and studies of

intimate partner violence The book will be a vital resource for students and scholars in criminology gender studies psychology social work and sociology as well as those working with men and boys *Encyclopedia of Domestic Violence and Abuse* Laura L. Finley,2013-07-16 This comprehensive two volume work examines domestic abuse in the United States and worldwide providing research personal stories and primary documents that reveal the extent of the problem An estimated 1 300 to 1 800 Americans are murdered by intimate partners each year Far from being a problem that only impacts women domestic violence hurts society as a whole both socially as well as financially with an estimated direct and indirect cost of nearly 6 billion annually in the United States This book provides a timely and thorough reference for educators students scholars and activists seeking to better understand the global issue of domestic abuse The entries document the history of the domestic violence prevention movement provide explanations for abuse identify warning signs of hidden abuse describe types of victims and offenders and supply information on interventions and prevention programs Written by an array of experts in the field the book also integrates the personal stories of survivors and addresses abuse as a global issue by covering topics such as acid attacks and female genital mutilation

**Engaging with Fathers** Brigid Daniel,Julie Taylor,2001 Fathers are often marginalised or ignored in child protection practice This reflects an uncertainty within society as a whole about the role of fathers in their children s lives Engaging with Fathers is a guide for social workers and health visitors on how to broaden their practice to include fathers and stepfathers whether or not their behaviour is abusive or problematic The authors approach is based on theoretical analysis and explores attachment theory feminism anti discriminatory practice and nursing ideology as they have influenced social work From this they provide suggestions on how to assess the potential risks and the potential assets fathers may offer and positive examples of what can be done in child care and health visiting drawn from real practice They set out a theoretical framework that takes account of the reality of the situations practitioners face draw up a model for intervention and demonstrate the implications for practice Engaging with Fathers is written for the busy professional and avoids jargon Each chapter contains summaries of the main points examples of research exercises key issues to consider and suggestions for further reading While developing practice with fathers it remains firmly focused on what is best for children

Critical Practice in Social Work Robert Adams,Lena Dominelli,Malcolm Payne,2009-04-16 What do social workers need to know in order to practise skilfully and effectively Edited by three Social Work s leading scholars the second edition of this highly respected textbook helps bridge the gap between social work theory and the challenges of day to day practice Versatile and thoughtful the book s simultaneous accessibility and depth make it essential reading suited for both social work students at undergraduate and post qualifying level Practitioners too will learn and benefit from the insights collected together in this valuable addition to their bookshelf

**Hearing the Voices of Children** Christine Hallett,Alan Prout,2003-12-16 Hearing the Voices of Children provides a fresh perspective on social policy At the heart of the book is the emergence of children s voices and the implications of this

for social policy The authors argue that children s voices should be heard much more strongly in the process of policy formation at all levels Although there is growing support for this idea it is not without opposition and the authors themselves make many critical points about the current attempts to put it into practice The book is divided into four main themes hearing children s voices discourses of childhood children and services and resources for children Childhood experts from the UK Scandinavia Germany and Australia examine how assumptions and models about childhood and discuss ways in which children s voices might become more influential in shaping policy There are many obstacles to overcome but the contributors to this volume show that children s participation is possible and needed if services are to be improved This book is essential reading for students and academics in the field of childhood studies sociology social policy and education It will also be of interest to practitioners in the social child and youth services

Is Anyone Listening? Rosemary Aris,Gill Hague,Audrey Mullender,2004-03-01 Domestic violence is in the public eye as never before but how often are abused women consulted or involved in the new services and policies This book investigates and reveals that the voices of survivors of domestic violence are often simply not heard silenced the women themselves become invisible Is Anyone Listening draws on the experiences of other service user movements to provide a strong conceptual framework for thinking about abused women s participation in policy and service development It discusses empowerment issues and the women s movement against gender violence exploring how far refuge organisations and other women s movement services have influenced statutory services and vice versa It includes many practical ideas for involving women in the improvement of both policy and practice and gives examples of inspiring and innovatory projects Based on a study carried out as part of the Economic and Social Research Council s Violence Research Programme Is Anyone Listening offers a unique analysis of the sensitive and complex issues involved in developing service user participation within the domestic violence field The insights it provides will enable policy makers activists students practitioners and women who have experienced domestic violence to move forward together

**Best Practice in Social Work** Karen Jones,Barry Cooper,Harry Ferguson,2007-11-27 Social work has laboured too long under a deficit model that focuses on failings and problems of practice Emphasising best practice strengths and collaborative partnership this ambitious book seeks to redress the balance Undergraduate and post qualifying social work students alike will find it a useful resource

**Law and the Social Work Practitioner** Rodger White,Keith Brown,Graeme Broadbent,2009-07-28 This book explores the main areas of social work law including children mental health and community care By investigating the meaning of law and some of its underlying value assumptions it encourages practitioners to reflect on their actions and beliefs helping them to avoid being a mere technician and instead become a competent practitioner This new text supports busy social workers studying for Post Qualifying Awards Each chapter begins with an overview of the rationale for the teaching material provided and sets out clear learning objectives Case studies exercises and recommendations for further reading can be found throughout the book

Social Justice Among the Women Nazish

Bano, Aradhana Shukla, 2019-01-01 Aim of this edited volume is to explore the current status of social justice in women This volume has thoroughly presented the matter and it is hoped that it will give a good vision to the researchers and social science professionals working in this area

**The Social Science Encyclopedia** Adam Kuper, 2004-10-14 The Social Science Encyclopedia first published in 1985 to acclaim from social scientists librarians and students was thoroughly revised in 1996 when reviewers began to describe it as a classic This third edition has been radically recast Over half the entries are new or have been entirely rewritten and most of the balance have been substantially revised Written by an international team of contributors the Encyclopedia offers a global perspective on key issues within the social sciences Some 500 entries cover a variety of enduring and newly vital areas of study and research methods Experts review theoretical debates from neo evolutionism and rational choice theory to poststructuralism and address the great questions that cut across the social sciences What is the influence of genes on behaviour What is the nature of consciousness and cognition What are the causes of poverty and wealth What are the roots of conflict wars revolutions and genocidal violence This authoritative reference work is aimed at anyone with a serious interest in contemporary academic thinking about the individual in society

*Domestic Violence* Lyn Shipway, 2004-03-01 This Handbook provides a clear introduction to the theoretical debates surrounding the topic of domestic violence and also offers practical advice on possible interventions Focusing on improving the care of clients it covers the causes and consequences of domestic violence personal and professional issues for the practitioner domestic violence and the law the process of effective intervention interventions in specific health care settings interventions where children are involved multi agency approaches education and training Taking an evidence based approach to practical problems Domestic Violence is an invaluable resource for nurses doctors and other health practitioners who deal with the consequences of domestic violence in their daily work

Housing associations - rehousing women leaving domestic violence Davis, Cathy, 2003-07-02 Housing associations are central to the government's strategy to improve social housing yet have no direct statutory responsibility for rehousing homeless people This study critically examines the role of housing associations in responding to the needs of women who have become homeless due to domestic violence Housing associations rehousing women leaving domestic violence will fill a gap in the literature for academic staff and students interested in housing studies social policy sociology women's studies political studies and organisation management studies provide valuable guidance to staff in housing associations and local authorities working in general needs housing supported housing and homeless services and provide policy makers with a useful introduction to key issues

**Safeguarding Adults in Social Work** Andy Mantell, Terry Scragg, 2011-06-09 This fully revised Second Edition looks at how practitioners and students can achieve best practice when working with vulnerable adults The first part of the book explores the evolution of concepts and policies for safeguarding adults with particular reference to the Human Rights Act 1998 and the Capacity Act 2005 In the second section the focus shifts to good practice in empowering vulnerable adults The final section focuses on

developing effective professional and inter professional practice

### **Rethinking Domestic Violence The Social Work And Probation Response Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Rethinking Domestic Violence The Social Work And Probation Response has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rethinking Domestic Violence The Social Work And Probation Response has opened up a world of possibilities. Downloading Rethinking Domestic Violence The Social Work And Probation Response provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rethinking Domestic Violence The Social Work And Probation Response has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rethinking Domestic Violence The Social Work And Probation Response. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rethinking Domestic Violence The Social Work And Probation Response. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Rethinking Domestic Violence The Social Work And Probation Response, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rethinking Domestic Violence The Social Work And Probation Response has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
