Rethinking Globalization:

Rethinking Globalization Nick Bisley, 2017-11-28 Today the debates on globalization between its evangelists and detractors are still raging In this concise balanced and accessible new text Nick Bisley assesses the nature and extent of globalization the key debates surrounding it and its impact on and significance for world politics **Rethinking**

Globalization Bill Bigelow, Bob Peterson, 2002 Rethinking Globalization offers an extensive collection of readings and source material on critical global issues **Rethinking Globalization** Martin Khor, 2001-05 Martin Khor's practical proposals offer

action agendas to Third World governments as they are faced with globalization Khor explains the economic globalization process showing how it is failing to either increase economic growth or decrease poverty A critique of Western governments for their domination of the international policy process ensues where Khor exposes the flaws in the one size fits all policy prescriptions of the World Bank IMF and WTO Arguing that Third World countries need room to maneuver this book proposes innovative and realistic policies Global Transformations David Held, 1999 In this book the authors set forth a

new model of globalization that lays claims to supersede existing models and then use this model to assess the way the processes of globalization have operated in different historic periods in respect to political organization military globalization trade finance corporate productivity migration culture and the environment Each of these topics is covered in a chapter which contrasts the contemporary nature of globalization with that of earlier epochs In mapping the shape and political consequences of globalization the authors concentrate on six states in advanced capitalist societies SIACS the United States the United Kingdom Sweden France Germany and Japan For comparative purposes other states particularly those with developing economics are referred to and discussed where relevant The book concludes by systematically describing and assessing contemporary globalization and appraising the implications of globalization for the sovereignty and autonomy of SIACS It also confronts directly the political fatalism that surrounds much discussion of globalization with a normative agenda that elaborates the possibilities for democratizing and civilizing the unfolding global transformation **Rethinking**

Popular Culture and Media Elizabeth Marshall, Özlem Sensoy, 2011 A provocative collection of articles that begins with the idea that the popular in classrooms and in the everyday lives of teachers and students is fundamentally political This anthology includes articles by elementary and secondary public school teachers scholars and activists who examine how and what popular toys books films music and other media teach The essays offer strong critiques and practical pedagogical strategies for educators at every level to engage with the popular **Rethinking Globalization** Richard Worthington, 2000

Annotation Reveals conceptual foundations of global processes describes the political economy of high tech global production and challenges its authenticity and inevitability Argues that policy is driven by a technocratic mindset that addresses social and ecological problems through ineffective half measures and shows that the most compelling examples of social improvement stem from grassroots activism and social movements Lacks a subject index The author teaches politics and
