Caribbean Student Voices and Educational Inclusion Stacey Blackman, 2022-04-21. Foregrounding the perspectives of students from Barbados and St Vincent, this book offers valuable insight into the implementation and effectiveness of international policies designed to improve educational inclusion in the Caribbean. Drawing on pupil participatory research conducted with adolescents in disadvantaged and high-achieving schools, the text reveals differences in how international policies are reflected in schools, highlighting the role of student and school leadership, community building in and outside of schools, and transformative teacher pedagogy in achieving educational equity.
