Gallagher, 2003-08-30 Community service is increasingly recognized as an important vehicle for promoting positive development among adolescents This book provides teenagers parents teachers professionals and concerned adults with current and useful information Included are resources for middle school high school and college students Those organizing and running programs will find a wealth of material for development and improvement including An examination of the characteristics of effective programs the young people who engage in service and those who benefit Practical strategies for those looking to start programs A look at current controversies such as mandatory service A chronology provides the historical context for understanding the current status of community service completing this practical and accessible guide to understanding and implementing good community service programs **Change Is Gonna Come** Patricia A. Edwards, Gwendolyn Thompson McMillon, Jennifer D. Turner, 2015-04-17 While many books decry the crisis in the schooling of African American children they are often disconnected from the lived experiences and work of classroom teachers and principals In this book the authors look back to move forward providing specific practices that K 12 literacy educators can use to transform their schools The text addresses four major debates the fight for access to literacy supports and roadblocks to success best practices theories and perspectives on teaching African American students and the role of African American families in the literacy lives of their children Throughout the authors highlight the valuable lessons learned from the past and include real stories from their own diverse family histories and experiences as teachers parents and community members Service-learning Alan S. Waterman, 2014-03-18 Linking research and educational practice for the benefit of both is not a new idea If practice such as service learning is a bold departure from the status quo however research is not just beneficial it is critical If schools are to become laboratories of democracy and entrepreneurship and if students are to become engaged as partners in renewal of their communities a research case must be made for service learning Does learning take place Will other kinds of learning suffer What kinds of practice are most effective Clearly solid research is essential if this transforming way of teaching and learning is to be fully integrated into American schooling and youth development institutions The National Youth Leadership Council NYLC took a first step toward joining service learning practice with research in 1983 In 1991 NYLC created a center which initiated and encouraged program evaluation formative research that informs and improves practice and summative studies that measure results This volume grew out of a National Service Learning Conference an annual event convened by the NYLC A day long research seminar at the conference brought together researchers to discuss the latest developments among themselves and with practitioners Impressive in their range and rigor their papers offer documentation and analysis useful to an emerging research knowledge base It is a starting point for the evidence needed to firmly establish service learning for K 12 age people as a widely accepted way of teaching and learning *The New Instructional Leadership* Rose Ylimaki, 2013-10-23 Co published with UCEA this exciting new textbook is the first to tackle the ISLLC Standard 2 Instructional Leadership In light of recent curriculum reforms accountability
