The Cumulative Book Index ,1990 A world list of books in the English language **The Youth's instructor [sic] and guardian** ,1854 *Medical and Health Care Books and Serials in Print* ,1997 **Dialogues on Miracle** Robert A. Larmer,2015-03-11 This book explores in a manner that is readily accessible to those with little or no formal training in philosophy or theology important questions concerning the rationality of belief in miracles This book employs the time honored literary device of dialogue a practice that dates as far back as Plato Done well this form of philosophical investigation puts forward a thesis yet genuinely engages with the views its author opposes These dialogues are intended to provide a philosophical defense of the possibility of rationally justified belief in miracles Such a defense can legitimately dispense with much of the paraphernalia that professional scholars in a discipline use in writing for other professional scholars in their discipline some scholarly texts seem to be more references than argument but it must not dumb down the material by oversimplifying the issues or presenting straw man versions of the arguments it seeks to refute My hope is that not only those who are already convinced of the rationality of belief in miracles will read this book but also those who are unconvinced **The Miracle Man** Jeff Kurtzer,2015-10-30 The Miracle Man presents the spiritual autobiography of Jeff Kurtzer a man who struggled with a series of challenges including physical and mental abuse early use of drugs and alcohol a diagnosis of manic depression and multiple stays in psychiatric care facilities Born in Long Island New York the author lived through times that remind many of the life of Job the biblical figure who endured extreme deprivation but who clung to his faith in God As he recounts the trajectory of his life Jeff Kurtzer seasons his account with passage from the Scriptures that offered him encouragement at the time His story was written to provide support to all who seek hope and change in their own lives This approach flows from his faith that God sees the truth of ones life and will work to change it just as he heard in a prophesy prayed over him God has called you to His ministry and all you have been going through will be used to help many people God is going to heal you completely and restore all that the enemy has stolen from you When you face those moments in your lifewhether brief or extendedwhen the obstacles are piling up and all passages to peace seem hopelessly blocked then The Miracle Man can offer you words of encouragement that God does still work miracles in todays world He worked one in the life of Jeff Kurtzer and He can work a miracle in your life too **Subject Guide to Books in Print** ,1993
