Critical Assumptions Kenneth Knowles Ruthven, 1984-09-06 This book is an historical survey of some important theories of literary criticism which is designed to introduce more advanced students of English and other European

literature to the nature and origin of these theories and ultimately to help them clarify their own attitudes to literature Professor Ruthven's approach is to bring together and analyse examples of the way in which major writers and critics have dealt with the critical issues raised by different kinds of writing He emphasizes throughout the variety of critical stances taken at different times in response to the challenge posed by highly original works and he draws on a large number of instances from all the major periods of English literature The examination of the historical material presented here should encourage students of English as well as other modern European literatures to recognise and re appraise their own critical assumptions

A Kindly Scrutiny of Human Nature Richard J. Preston, 2010-04-05 A Kindly Scrutiny of Human Nature is a collection of essays honouring Richard Dick Slobodin one of the great anthropologists of the Canadian North A short biography is followed by essays describing his formative thinking about human nature and human identities his humanizing force in his example of living a moral intellectual life his discernment of people's ability to make informed choices and actions his freedom from ideological fashions his writings about the Mackenzie District Métis his determination to take people's experience seriously not metaphorically and his thinking about social organization and kinship An unpublished paper about a 1930s caribou hunt in which he participated finishes the collection giving Dick the last word Catalogue of Foreign Books in the Tôkyô Imperial University 1923-1935: General and miscellaneous Tôkyô Daigaku. Parliamentary Papers Great Britain. Parliament. House of Commons, 1939 **The Journal of the National Association for Women Deans, Administrators & Counselors** National Association for Women Deans, Administrators & Counselors, 1939 Report India. Parliament. Public Accounts Committee, 1970 **Heresy and the Making of European Culture** Andrew P. Roach, James R. Simpson, 2016-04-22 Scholars and analysts seeking to illuminate the extraordinary creativity and innovation evident in European medieval cultures and their afterlives have thus far neglected the important role of religious heresy The papers collected here reflecting the disciplines of history literature theology philosophy economics and law examine the intellectual and social investments characteristic of both deliberate religious dissent such as the Cathars of Languedoc the Balkan Bogomils the Hussites of Bohemia and those who knowingly or unknowingly bent or broke the rules creating their own unofficial orthodoxies Attempts to understand police and eradicate all these through methods such as the Inquisition required no less ingenuity The ambivalent dynamic evident in the tensions between coercion and dissent is still recognisable and productive in the world today *Official Proceedings of The Common Council* Bridgeport (Conn.) Common Council, 1937 **Mr Churchill's Profession** Peter Clarke, 2013-07-04 In 1953 Winston Churchill received the Nobel Prize for Literature In fact Churchill was a professional writer before he was a politician and published a stream of books and articles over the course of two intertwined careers Now historian Peter Clarke traces the writing of the

magisterial work that occupied Churchill for a quarter century his four volume History of the English Speaking Peoples As an author Churchill faced woes familiar to many others chronically short of funds late on deadlines scrambling to sell new projects or cajoling his publishers for more advance money He signed a contract for the English Speaking project in 1932 a time when his political career seemed over The magnum opus was to be delivered in 1939 but in that year history overtook history writing When the Nazis swept across Europe Churchill was summoned from political exile to become Prime Minister The English Speaking Peoples would have to wait The book would indeed be written and become a bestseller after Churchill left public life But even before he took office the massive project was shaping his worldview his speeches and his leadership In these pages Peter Clarke follows Churchill s monumental quest to chronicle the English Speaking Peoples a quest that helped to define the enduring special relationship between Britain and America In the process Clarke gives us not just an untold chapter in literary history but a fresh perspective on this iconic figure a life of Churchill the author

'For Their Own Good' Julia S. Torrie, 2010-03-01 The early twentieth century advent of aerial bombing made successful evacuations essential to any war effort but ordinary people resented them deeply Based on extensive archival research in Germany and France this is the first broad comparative study of civilian evacuations in Germany and France during World War II The evidence uncovered exposes the complexities of an assumed monolithic and all powerful Nazi state by showing that citizens objections to evacuations which were rooted in family concerns forced changes in policy Drawing attention to the interaction between the Germans and French throughout World War II this book shows how policies in each country were shaped by events in the other A truly cross national comparison in a field dominated by accounts of one country or the other this book provides a unique historical context for addressing current concerns about the impact of air raids and military occupations on civilians
